HOUSE OF REPRESENTATIVES.

URIAH WILSON.

FEBRUARY 28, 1849.

Laid upon the table.

Mr. STRONG, from the Committee on Revolutionary Pensions, made the following

REPORT:

*The Committee on Revolutionary Pensions, to whom was referred the petition of Uriah Wilson, praying for a pension, respectfully report:*

That the application for a pension is founded upon alleged services rendered in the Indian wars of 1789 and 1790. No provision, by law, has ever been made for the grant of pensions for such services, and your committee see no reason for distinguishing this case from others.
