### Counting Journal and Database Usage

decisions. *Posting PDFs of articles in Canvas does not result in collecting usage data.*

Linking to articles and databases in Canvas *does* provide usage data. University Libraries has a [guide](#) to adding library resources in Canvas. The guide provides step-by-step instructions and video tutorials. [Liaison librarians](#) are available to provide hands-on workshops to orient faculty and graduate students to the process of adding library resources in Canvas, and can provide follow-up consultations as requested.

## Sooner Horizon

The spring issue of [Sooner Horizon](#) is out now. This issue includes an interview with Associate Dean for Special Collections Bridget Burke, updates on our special collections, and a preview of the American School of Architecture exhibition opening in Bizzell this fall.

## New Services & Resources

### Access to Wharton School Research Papers

Thousands of [research papers](#) from all academic departments of the [Wharton School of the University of Pennsylvania](#) are now publicly available in the University of Pennsylvania's open access institutional repository. Subjects covered include accounting, business economics and public policy, finance, health care management, legal studies and business ethics, management, marketing, operations information and decisions, real estate, and statistics.
