Please Note

All fact sheets listed in this index are considered current and usable information. Those with an asterisk () are no longer available through University Mailing Services, but may be available in the local County Office. The asterisked items should be maintained for reference in your fact sheet book. Fact sheets that have been previously published but are not listed in this index should be removed from your fact sheet book since they do not contain current information. Those with a double asterisk (**) are available electronically on the publications home page of the Oklahoma Cooperative Extension Service called P*E*A*R*L (Pete's Electronic Archive and Resource Library) <http://agweb.okstate.edu/pearl/> and can be viewed using Adobe Acrobat Reader, which you can download free of charge, or you may call (405) 744-4050.*
