Action deferred.
4. That \$10,000 be transferred from the salary fund of the Central State Normal to the fund for support and maintenance other than salaries.
Action deferred.

President Stratton D. Brooks of the University of Oklahoma appeared before the Board and presented the following recommendations:

- 1 - (497) That indefinite leave of absence, without pay, be granted to the following persons for military service:

R. M. Howard, Associate Professor of Surgery;
F. B. Sorgatz, Associate Professor of Clinical Pathology and Microscopy;
F. J. Bolend, Assistant Professor of Medicine;
Rex Bolend, Assistant Professor of G. U. Diseases and Syphilology;
G. D. McLean, Instructor in Surgery;
George Hunter, Instructor in Obstetrics;
F. M. Sahger, Instructor in Gynecology;
M. M. Roland, Instructor in Dermatology, Electro Therapy, and Radiography;
Clarence V. Nichols, Instructor in Pharmacy, to date from January 1, 1918.

Approved.

- 2 - (498) The appointment of Dr. A. B. Chase to the position of Instructor in Therapeutics, to date from September 1, 1917, at the salary fixed by the schedule for his rank.

Approved.

- 3 - (499) I desire to report that the following high schools have complied with all the conditions necessary to become fully accredited schools with the University of Oklahoma, and are therefore entitled to operate as independent districts:

Drummond High School,
 Oksene High School,
 Tonkawa High School,
 Hitchcock High School. Approved.

- 4 - (500) I desire to report that Adolph Linscheid, appointed to the position of Assistant Professor of English and Debating Coach, declined to accept the appointment.

Ordered filed.

- 5 - (501) I desire to report that on November 26, 1917, I accepted the resignation of W. E. Dresser, janitor in the library and park-row buildings. Mr. Dresser died two weeks later.

Approved.

- 6 - (502) Subject to your approval I have appointed Alec Cowan as janitor in the library and park-row buildings, to date from November 24, 1917, to July 1, 1918, at the rate of \$780 per annum.

Approved.

- 7 - (503) I recommend that Helen Phipps, Instructor in Spanish, be granted leave of absence from January 20, 1918, to September 1, 1918, without pay.

Approved.

- 8 - (504) I recommend that the regulation prohibiting the employment of two members of the same family be suspended to permit the appointment of Miss Ruth Mansfield as student stenographer in the law school. This recommendation is made because Mr. Kneeland, who now holds the position, has left to enter military service and no other qualified stenographer is available.

Approved.

- 9 - (505) In accordance with your request I desire to make the following report with reference to extension work among the miners: I am of the opinion that if this work is undertaken under the general supervision of the University, it should be placed in general charge of someone who will supervise and direct various centers. Each of these centers, in turn, will consist of as many classes as can be established. These classes should be located as near as possible to the residences of the men attending the classes. Since a considerable portion of the work is of elementary grade, local teachers can be secured. It is doubtful that a sufficient number of applicants in a single place can be secured to render profitable the conducting of advanced courses. Such courses may, however, be readily provided by means of correspondence courses.

Ordered filed.

10- (506) I desire to report that Lawrence Nelson Morgan, who was granted indefinite leave of absence for military service, returned to his position as Assistant Professor of English, on December 1, 1917.

Ordered filed.

11 - (507) The Advisory Council of the University of Oklahoma recommends that beginning with the second semester (Feb. 1, 1918) military drill with a minimum of three hours per week be made compulsory for all first and second year male students, subject to such exemptions, regulations and provisions as the Council may from time to time establish.

Approved on motion by Mr. Sandlin, seconded by Dr. Fite.

12 - (508) I desire to report that a considerable number of students find that their services to the Government in various positions would be materially improved if they had some knowledge of shorthand and typewriting. I recommend, therefore, that there be established, beginning January 1, 1918, special courses in stenography and typewriting, and allied clerical subjects, under such conditions as the Advisory Council may approve.

Approved on motion by Mr. Sandlin, seconded by Dr. Brewer.

President J. M. Gordon of the East Central State Normal appeared before the Board and spoke concerning an appropriation for purchasing additional land adjoining the campus at Ada.
