

BOARD OF REGENTS OF THE UNIVERSITY OF OKLAHOMA

A meeting of the Board of Regents was held in the President's office at the University of Oklahoma, Norman, on Thursday, November 27, 1930, at 5:00 p. m.

Regent Buttram, Chairman of the Board presided; others present: John Rogers, George L. Bowman, Breck Moss.

There was a discussion on the question of a post-season game with the Oklahoma City University team. Mr. J. F. Owens, State Chairman of the Committee for Unemployment, with others interested in charity work, appeared before the Board to present their views in the matter. After some discussion, it was the sense of the Board, and the representatives appearing in behalf of the post-season game, to postpone action until the matter could be presented by President Bizzell to representatives of the "Big Six" conference, which were to meet within the next few days.

It was voted to call another meeting of the Board following this conference in case circumstances demanded.

On motion adjourned.
