

COMMENCEMENT
SPRING 2013

LETTER FROM THE PRESIDENT

Dear Graduates,

Today, I join with family and friends in applauding you, our Spring 2013 graduates.

Today is a marker in your life. I encourage you to stop and savor your achievement and enjoy the celebration and joy that surround you, for your accomplishment says more than you may know.

Your Central diploma is an outward sign of your commitment and hard work. It says to the world, "I can make the appropriate sacrifices. I can learn. I can meet the challenge. I can succeed." Your graduation is a clear manifestation of your own empowerment. You did it, and we are truly proud of you.

Be encouraged by what you have accomplished. Now imagine what you are capable of doing.

We believe your Central education has given you more than certain skill sets. We believe that you leave here with

sharpened abilities to think and act creatively, critically and ethically. You can become the engaged citizens and leaders in whatever community you choose, whatever field you pursue.

More importantly, we hope your Central experience has instilled in you a passion for learning, a habit that will be part of you throughout your life. We hope that you leave knowing how to perceive problems and find solutions, and to meet a changing world with a culture of learning that will enrich your life.

With your graduation, you have changed your future and that of others who will be influenced by you. This is our hope for you.

Know, too, that you are always welcome here, either to further your learning experiences or as loyal alumni. You are a member of the UCO community regardless of where your life takes you.

Finally, don't pass up this opportunity to thank those in your life whose encouragement and love helped you in countless ways to reach this plateau. Tell them today how much they mean to you.

You can make a difference; you can be the change you wish to see in the world around you.

We believe in you.

A handwritten signature in black ink, appearing to read "Don Betz".

THE HISTORY OF THE UNIVERSITY OF CENTRAL OKLAHOMA

The University of Central Oklahoma first was known as the Territorial Normal School. It was created by the Oklahoma Territorial legislature in December 1890 to educate teachers for the one-room school houses being built across the growing territory.

For more than 120 years, developing leaders for Oklahoma and the nation has been Central's bedrock mission.

From a territorial school of 23 students to more than 17,000 today, UCO has gone through many stages of development with more than 110,000 graduates. Now Oklahoma's third-largest state university, UCO has six colleges, including the Jackson College of Graduate Studies.

Central's first students met in Edmond's First Methodist Church. In 1892, construction began on the school's first building, Old North, still standing today. Over the next century, more buildings would be added, moved, torn down or rebuilt. Grass would give way to park-

ing lots for the huge commuter population of the '70s and '80s. Now, grass grows over what used to be parking lots. The university has evolved into a beautifully landscaped campus, meeting the needs of those seeking a traditional campus atmosphere, while still serving the needs of the non-traditional student.

Today, Central has moved into the role of being Oklahoma's major metropolitan university with nationally recognized programs.

Helping students learn remains at Central's core, with UCO recognized in *U.S. News & World Report's* 2012 Best Colleges and by *Forbes* as one of its 650 best undergraduate institutions. *The Chronicle of Higher Education* lists Central as one of the top producers of U.S. Fulbright Scholars. Professors Wei Chen, Ph.D., a 2008 U.S. Professor of the Year, and David Hartmann, Ph.D., both spent the last year working abroad on Fulbrights. In addition, *The Chronicle*, for the fourth time in five years, named Central to its annual list of "Great Colleges to Work For," a recognition of UCO's great teaching environment for its quality faculty and staff.

Central's mission remains one of helping students become productive, creative, ethical and engaged citizens and leaders. In a world of increasing change, Central works to immerse students in a culture of learning, to prepare them for the challenges they will face in the years to come, to transform their lives both today and tomorrow.

SYMBOLS OF AUTHORITY

THE MACE

Among ancient orders, the mace was a heavy staff or club made of wood and metal that was borne by, carried before or placed near a magistrate or other dignitary as an ensign of authority. In 1975, students and faculty in Central's then Industrial Arts program constructed the university's mace. It is approximately 34 inches in length and weighs 9.65 pounds.

Near its top is a miniature replica of Old North, created in pecan wood and encompassed within a bronze crown. Thirteen pieces of solid walnut wood make up the majority of the

mace. The base on which the bronze medallion sits is rosewood. A bronze band encircling the mace is inscribed "University of Central Oklahoma."

THE MEDALLION

In keeping with tradition, UCO President Don Betz will be wearing a medallion that was created in 2011 with both past and future university presidents in mind.

The chain features at its center a 3.5-inch antiqued bronze medallion showing the official UCO seal. On the flip side are the names of Central's first 15 presidents, from Richard Thatcher,

who served from 1891-1893, through W. Max Chambers, 1949-1960.

Curved metal banners help form the chain on each side of the medallion. Each banner bears the name of one of the next five Central presidents, including President Betz who began his service in August 2011 as Central's 20th president. The medallion is designed with blank metal banners, evenly spaced among smaller official UCO seal medallions. These blank banners are for the names of all future presidents, symbolizing the chain of university leadership.

THE TRADITION OF ACADEMIC DRESS

The precise origins of the several parts of academic dress still remain a matter of conjecture. The unheated buildings which medieval scholars frequented may have necessitated the wearing of gowns for comfort's sake. The gowns and the hoods were common at British universities before the 14th century; the square cap is thought to be a 16th century import from the University of Paris. European universities continue to use a wide variety in the cut and color of gowns and the type of head wear worn.

Academic attire began to appear on United States campuses in the late 1890s. Since that time, its use has become universal for solemn university functions, and its pattern is highly uniform. From the color and cut of the American academic attire, one may determine the institution from which the wearer received the degree and the degree earned.

THE CAP

The mortarboard has become the universally accepted style in United States colleges and universities. The standard tassel worn by faculty is black. However those with doctoral degrees

may wear a gold tassel. Candidates for degrees have colored tassels that identify the student's college as follows:

Business.....	Drab
Education & Professional Studies	Light Blue
Fine Arts & Design ...	Chocolate Brown
Liberal Arts	Kelly Green
Mathematics & Science.....	Golden Yellow
Graduate	Bronze and Blue
Associate	Gray

THE GOWN

The bachelor's gown has a long, pleated front with shirring across the shoulders and back. The flowing sleeves are pointed at the fingertip and are almost knee length.

The master's gown has oblong sleeves that reach well below the knees. The sleeves are cut so that the forearm comes through a slit just above the elbow.

The doctor's gown has broad, velvet panels down the front, and three velvet bars on full, round sleeves. This velvet trimming may be either black or a color distinctive of the degree.

The associate's gown is the same style as a bachelor's, but dark gray.

THE HOOD

The Master's Hooding Ceremony focuses on advanced degree candidates and their accomplishments, while adding visual meaning. The colors of the hood's silk lining represent university colors, which for Central are Bronze and Blue. The color of the hood's velvet border represents the field of learning, such as light blue for Education or golden yellow for Science.

THE COLORS

The fields of learning identified by the color of the velvet panels and sleeve bars on the gown or the edging of the hood include the following:

Arts and Letters.....	White
Business.....	Drab
Education.....	Light Blue
Engineering.....	Orange
Fine Arts	Brown
Law	Purple
Medicine	Green
Music	Pink
Nursing.....	Apricot
Philosophy	Dark Blue
Physical Education	Sage Yellow
Science	Golden Yellow
Social Science.....	Citron
Theology.....	Scarlet

CLASS MARSHALS - SPRING 2013

Each of the University of Central Oklahoma's five undergraduate colleges awards a graduating senior the title of "Class Marshal." These five students have the highest grade point averages and number of Central credit hours in their respective colleges.

The honorees each receive a Class Marshal stole, signifying the highest degree of academic excellence. First presented in 1994, the stoles have become a UCO tradition, later enhanced by the bronze Class Marshal graduation gown.

The following are the Class Marshals for the Spring 2013 Commencement.

Taylor R. Lambert is a Nursing major with a 4.0 grade point average in the College of Mathematics & Science. A member of Sigma Theta Tau honor society, he was on the President's Honor Roll. He received the following: UCO Nursing Department, UCO Foundation, Deaconess Volunteer Auxiliary and the Oklahoma State Regents for Higher Education Institutional Nominee scholarships. After graduation, he plans to work in an intensive care unit and later earn a master's to become a certified registered nurse anesthetist. From Edmond, he recently married his high school sweetheart, Lindsey.

On the President's Honor Roll, she also received the Sociology Human Services Award 2011-12. With plans to become a physical therapist, specializing in pediatrics, she has been accepted into the physical therapy program at the University of Oklahoma Health Sciences Center.

Antonella Rossini is a Management major with a 4.0 grade point average in the College of Business. From Argentina, she has been team captain and No. 1 player for the UCO women's tennis team. She also has been treasurer of the Management Club and the Student Athlete Advisory Committee. She has been on the President's Honor Roll, in addition to being named the Student Athlete Leader of the Year 2011-12 and the Intercollegiate Tennis Association Scholar Athlete for three years. She received the following: the Tennis Athletic, the Citizens Bank Award and the Office of International Services Honor scholarships. She now plans to pursue a master's in business administration.

Married, she now plans to work in the Putnam City School District, hoping to teach fifth grade at Western Oaks Elementary where she "first developed my love for teaching." She later plans to pursue a master's in gifted and talented education.

Cristen Renee Whitaker is a Dance Performance major with a 4.0 grade point average in the College of Fine Arts & Design. From Fort Worth, she has been a member of the Kaleidoscope Dance Company, Alpha Lambda Delta, Golden Key Honor Association and Delta Epsilon Iota, in addition to being on the President's Honor Roll. STAR-SPANGLED BANNER

O say, can you see, by the dawn's early light,
 What so proudly we hailed at the twilight's last gleaming.
 Whose broad stripes and bright stars, through the perilous fight,
 O'er the ramparts we watched were so gallantly streaming?
 And the rocket's red glare, the bombs bursting in air,
 Gave proof through the night that our flag was still there;
 O say, does that Star-spangled Banner yet wave
 O'er the land of the free and the home of the brave?

UCO ALMA MATER
