

COMMENCEMENT  
SPRING 2021

## LETTER FROM THE PRESIDENT

Dear Graduates,

Today you join an elite group of individuals consisting of less than seven percent of the world's population. You, like they, have earned a college degree. This is a significant moment for you, your family, the university and society.

Your walk across the stage today is symbolic of your journey to this moment, although it is not your final destination. Hard work, sacrifice and discipline have facilitated your achievement along with the support and encouragement of people close to you. We take this moment to recognize the time and effort that culminate in this accomplishment.

My hope for you is that your mind and perspective have been positively transformed during your time at UCO. I encourage you to carry our values of

character, community and civility with you as you go forward and become leaders and engaged citizens in this world.

On behalf of the entire University of Central Oklahoma community, I wish you the best as you complete your time as a student and now welcome you as a treasured alum. As an alum, you are essential to helping the university reach others who would benefit from the life changing experience of education. The mantle has been passed to you. I invite you to light the path for others.

## THE HISTORY OF THE UNIVERSITY OF CENTRAL OKLAHOMA

For 131 years, the University of Central Oklahoma's bedrock mission has been developing leaders for Oklahoma and the nation.

The university began in 1890 when the Oklahoma Territorial Legislature created the Territorial Normal School.

Five name changes later, UCO is a beautifully landscaped campus that welcomes nearly 13,000 students each semester. The university strives to meet the needs of those seeking a traditional campus atmosphere as well as the nontraditional student.

Santa Fe Plaza – and its Central Boathouse on the Oklahoma River. The university also works to develop meaningful relationships with a variety of community groups to meet both their needs and those of our students.

Others notice. U.S. News & World Report again has ranked Central as one of the top colleges and universities in the nation. Underscoring its commitment to offer value to students, Central was ranked No. 75 on the College Consensus list of the “100 Most Affordable Colleges and Universities” in the nation.

As Oklahoma's third-largest state university, Central has evolved into six colleges, including the Jackson College of Graduate Studies, all with nationally recognized programs, including Nursing, Forensic Science, Accounting, Physics, Graphic Design and more. The university offers 118 majors for bachelor's degrees and 77 for master's. It's accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Central remains an institution where learning comes first and where students enjoy personal relationships with faculty and staff who are committed to transforming lives.

Its mission was to educate teachers for the one-room schoolhouses being built across the growing territory.

Central's first students — a class of 23 — met in the basement of Edmond's Methodist Episcopal Church. In 1893, they moved into the school's first building, Old North, reopened in 2017 after being closed since 2001 for extensive repairs.

Central also welcomes the role of being Oklahoma's major metropolitan university, purposefully combining the needs of students with those of the larger area. No longer just an Edmond campus, Central enjoys a presence in several areas of the metro, including its Academy of Contemporary Music at UCO (ACM@UCO) in Bricktown, its downtown Oklahoma City facilities – UCO at Carnegie Centre and UCO at

## SYMBOLS OF AUTHORITY

### THE GONFALON

Each college has its own gonfalon, or banner. The gonfalon is carried by an outstanding faculty member in that college. The bearer leads that college's students in the procession.

### THE MACE

Among ancient orders, the mace was a heavy staff or club made of wood and metal that was borne by, carried before or placed near a magistrate or other dignitary as an ensign of authority. The most senior member of the college carries the mace.

In 1975, students and faculty in Central's then Industrial Arts program constructed the university's mace. It is approximately 34 inches in length and

weighs 9.65 pounds. Near its top is a miniature replica of Old North, created in pecan wood and encompassed within a bronze crown. Thirteen pieces of solid walnut wood make up the majority of the mace. The base on which the bronze medallion sits is rosewood. A bronze band encircling the mace is inscribed "University of Central Oklahoma."

### THE MEDALLION

In keeping with tradition, UCO President Patti Neuhold-Ravikumar will wear a medallion that was created in 2011 with both past and future university presidents in mind.

The chain features at its center a 3.5-inch antiqued-bronze medallion

showing the official UCO seal. On the flip side are the names of Central's first 15 presidents, from Richard Thatcher, who served from 1891-93, through W. Max Chambers, 1949-60.

Curved metal banners on each side of the medallion help form the chain. Each banner bears the name of one of the next six Central presidents, including President Neuhold-Ravikumar who began her service in July 2019 as Central's 21st president. The chain is designed with blank metal banners, evenly spaced among smaller official UCO seal medallions. These blank banners are for the names of all future presidents, symbolizing the chain of university leadership.

## GRADUATION WITH HONORS

### BACCALAUREATE DEGREES

- Summa Cum Laude to graduating seniors with a 3.90 GPA or higher; gold honor cords
- Magna Cum Laude to graduating seniors with a 3.80 - 3.89 GPA; silver honor cords
- Cum Laude to graduating seniors with a 3.70 - 3.79 GPA; white honor cords

### GRADUATE DEGREES

Graduation with Honors graduate degrees are conferred to those with a 4.0 GPA in all graduate coursework. These students wear blue and gold honor cords.

### ASSOCIATE DEGREES

Graduation with Honors to those with a 4.0 GPA; gray cords

### MINIMUM FOR HONORS

To be eligible to graduate with honors, baccalaureate candidates must have completed at least 45 hours at the University of Central Oklahoma.

*Graduation with honors and degrees are pending a final check by Graduation Services. Only those who are cleared for graduation by April 1 are listed in the program.*

## THE TRADITION OF ACADEMIC DRESS

The precise origins of the several parts of academic dress still remain a matter of conjecture. The unheated buildings which medieval scholars frequented may have necessitated the wearing of gowns for comfort's sake. Gowns and hoods were common at British universities before the 14th century; the square cap is thought to be a 16th century import from the University of Paris. European universities continue to use a wide variety in the cut and color of gowns and the type of headwear worn.

Academic attire began to appear on American campuses in the late 1890s. Since, its use has become universal for solemn university functions, and its pattern is highly uniform. From the color and cut, one may determine where the wearer received a degree and the degree earned.

### THE CAP

The mortarboard has become the universally accepted style in United States colleges and universities. The standard tassel worn by faculty is black. However those with doctoral degrees may wear a gold tassel. Candidates for

degrees have colored tassels that identify the student's college as follows:

Business.....	Drab
Education & Professional Studies .....	Light Blue
Fine Arts & Design...	Chocolate Brown
Liberal Arts .....	Kelly Green
Mathematics & Science .....	Golden Yellow
Graduate .....	Bronze and Blue
Associate .....	Gray

### THE GOWN

The bachelor's gown has a long, pleated front with shirring across the shoulders and back. With flowing sleeves, the gown is almost knee length.

The master's gown has oblong sleeves that reach well below the knees. The forearm comes through a slit just above the elbow.

The doctor's gown has broad, velvet panels down the front, and three velvet bars on full, round sleeves. This velvet may be black or a color distinctive of the degree.

The associate's gown is the same style as a bachelor's, but dark gray.

### THE HOOD

The Master's Hooding Ceremony focuses on advanced degree candidates. The colors of the hood's silk lining represent university colors, which for Central are Bronze and Blue. The color of the hood's velvet border represents the field of learning, such as light blue for education or golden yellow for science.

### THE COLORS

The fields of learning identified by the color of the velvet panels and sleeve bars on the gown or the edging of the hood include the following:

Arts and Letters.....	White
Business.....	Drab
Education.....	Light Blue
Engineering.....	Orange
Fine Arts .....	Brown
Law .....	Purple
Medicine .....	Green
Music .....	Pink
Nursing.....	Apricot
Philosophy .....	Dark Blue
Physical Education .....	Sage Yellow
Science.....	Golden Yellow
Social Science.....	Citron
Theology.....	Scarlet

## WALK THROUGH OLD NORTH, GRADUATION TRADITION

A recurring graduation tradition that is unique to UCO is when graduates don their gowns, mortarboards and tassels and line up at Old North one hour before graduation.

As the bells in Old North Clock Tower ring out the school song, candidates walk through the historic

building and continue their march to Wantland Stadium.

At spring graduation in 1994, the tradition expanded to include class marshals leading the processional. It's a campus tradition started years ago, interrupted only when Old North was closed for renovations and during the

COVID-19 global pandemic.

Old North is the first building on campus and the first building of public higher education in Oklahoma Territory.

## CLASS MARSHALS - SPRING 2021

Each of the University of Central Oklahoma's five undergraduate colleges awards a graduating senior the title of "Class Marshal." These five students have the highest grade point averages and number of Central credit hours in their respective colleges.

The honorees each receive a Class Marshal stole, signifying the highest degree of academic excellence. First presented in 1994, the stoles have become a UCO tradition, later enhanced by the bronze Class Marshal gown.

The following are the Class Marshals for the Spring 2021 Commencement:

**Maya Cook** is a musical theatre major with a 4.0 GPA in the College of Fine Arts and Design. Cook is a member of the UCO Wesley Campus Ministry and The Accidentals, Central's a cappella group. In addition to earning a place on the President's Honor Roll, Cook received the Choctaw Higher Education Scholarship, a music outreach scholarship and various other scholarships from the College of Fine Arts and Design. Following graduation, Cook plans to teach children's voice lessons, direct musical theater shows for kids and continue performing.

**Anthony Cooper** is an English – creative writing major with a 4.0 GPA

in the College of Liberal Arts. A graduate of Calallen High School in Corpus Christi, Texas, and a President's Honor Roll recipient, Cooper plans to teach high school. Aside from teaching and raising his two children, he also hopes to finish his first novel and seek publication, hoping to eventually pursue a master's degree in secondary education.

**Madelynn Dancer** is a business administration – legal studies major with a 4.0 GPA in the College of Business. A Soper, Oklahoma, native, Dancer is a member of the President's Leadership Council, the UCO Pre-Law Society, 2BLeaders and the Student Alumni Association and served as a University Suites resident assistant. In addition to receiving several scholarships from the UCO Foundation, she was awarded the Outstanding Freshman and Outstanding Junior Student Leader Awards, 2019 Resident Assistant Rookie of the Year and 2020 Resident Assistant of the Year. Following graduation, Dancer will pursue a legal degree with an emphasis on American Indian law at the University of Oklahoma College of Law.

**Ryan Harrel** is a kinesiology – exercise/fitness management major with a 4.0 GPA in the College of Education

and Professional Studies. He also received the Dr. Donna Cobb Scholarship in Exercise and Fitness Management, UCO Transfer Student Scholarship, the Mike Ciskowski 4.0 GPA Award and the Mid-America Intercollegiate Athletics Association (MIAA) Conference Academic Excellence Award. After graduating, Harrel hopes to get a job as a strength and conditioning coach in professional baseball.

**Joseph Jeong** is a biology – biomedical sciences major with a 4.0 GPA in the College of Mathematics and Science. During his time at Central, Jeong, a Seoul, South Korea, native, served as vice president of the Pre-medicine and Health Professions Club and received Global Education Award and UCO Foundation scholarships. Following graduation, Jeong plans to attend medical school at the Michigan State University College of Osteopathic Medicine to become a physician. His goal is to serve on medical mission trips around the world, to destinations where there is a dire need for medicine.

# STUDENT TRANSFORMATIVE LEARNING RECORD (STLR)

Some of today's graduates have earned color-coded cords for achieving the highest level of transformation in one or more of five UCO tenets. These five tenets are represented as the following: Global and Cultural Competencies (orange), Health and Wellness (green), Leadership (blue), Research, Creative and Scholarly Activities (magenta), and Service Learning and Civic Engagement (purple).

STLR is an award-winning concept, developed at UCO and recognized by the U.S. Department of Education with a \$7.8 million grant. The program has gained national and international recognition for its ability to document student success with transformative learning that parallels an academic transcript, showing mastery in employability and citizenship skills.

Students build and enhance their record through submitting STLR-

tagged assignments, attending campus events, serving in STLR-tagged student groups and/or participating in outside-of-class projects. Their levels of achievements are assessed and validated by a UCO faculty or staff member.

Through STLR, students graduate with more than an academic degree. Students can show they've taken their education to a transformative level, gaining skills that can be applied in areas identified as being needed in today's workforce and in our metropolitan communities.

*STLR Transformation graduates are recognized by tenet on the next pages and with STLR next to their names in the main list of graduates.*

*Note: UCO's sixth tenet, Discipline Knowledge, is recognized by students completing their academic degrees.*

## SPECIAL NOTES FOR GRADUATES AND THEIR GUESTS

The University of Central Oklahoma commencement ceremony is a celebration and reverent event.

Commencement marks a pinnacle of achievement, and UCO celebrates the occasion with formal pomp and circumstance. To ensure the dignity and solemnity of the occasion, please refrain from prolonged expressions for individual students that distract from the recognition due for the next graduate in line.

- **The University of Central Oklahoma is a tobacco-free campus.**
- Guests may not take photos from the football field or set up photo equipment.
- As a courtesy and to maintain the dignity of this formal ceremony, guests and graduates should remain in the stands until the ceremony formally concludes, approximately 1½ hours.
- Please keep all aisles, stairs, entries and exits clear at all times.
- Need additional information or help? Look for a Faculty Marshal, wearing a commencement badge. Faculty Marshals are faculty or staff who volunteer to help make commencement safe and enjoyable for both graduates and guests.
- No guests are allowed on the football field.
- Please discard any unwanted items in trash cans located at the exits, in an effort to assist with setup for the next ceremony. Thank you.

– Commencement Team

## STAR-SPANGLED BANNER

O say, can you see, by the dawn's early light,  
 What so proudly we hailed at the twilight's last gleaming,  
 Whose broad stripes and bright stars, through the perilous fight  
 O'er the ramparts we watched were so gallantly streaming?  
 And the rocket's red glare, the bombs bursting in air,  
 Gave proof through the night that our flag was still there.  
 O say, does that Star-spangled Banner yet wave  
 O'er the land of the free and the home of the brave?
