

COMMENCEMENT
FALL 2013

LETTER FROM THE PRESIDENT

Dear Graduates,

Today, I join with family and friends in applauding you, our Fall 2013 graduates.

Today is a marker in your life. I encourage you to stop and savor your achievement, and enjoy the celebration and joy that surround you, for your accomplishment says more than you may know.

Your Central diploma is an outward sign of your commitment and hard work. It says to the world, "I can make the appropriate sacrifices. I can learn. I can meet the challenge. I can succeed." Your graduation is a clear manifestation of your own empowerment. You did it, and we are truly proud of you.

Be encouraged by what you have accomplished. Now imagine what you are capable of doing.

We believe your Central education has given you more than certain skill sets. We believe that you leave here with

sharpened abilities to think and act creatively, critically and ethically. You can become the engaged citizens and leaders in whatever community you choose, whatever field you pursue.

More importantly, we hope your Central experience has instilled in you a passion for learning, a habit that will be part of you throughout your life. We hope that you leave knowing how to perceive problems and find solutions, and to meet a changing world with a culture of learning that will enrich your life.

With your graduation, you have changed your future and that of others who will be influenced by you. This is our hope for you.

Know, too, that you are always welcome here, either to further your learning experiences or as loyal alumni. You are a member of the UCO community regardless of where your life takes you.

Finally, don't pass up this opportunity to thank those in your life whose encouragement and love helped you in countless ways to reach this plateau. Tell them today how much they mean to you.

You can make a difference; you can be the change you wish to see in the world around you.

We believe in you.

A handwritten signature in black ink, which appears to read "Don Betz". The signature is stylized with a long horizontal line extending to the left and a large loop at the end.

THE HISTORY OF THE UNIVERSITY OF CENTRAL OKLAHOMA

For more than 120 years, the University of Central Oklahoma's bedrock mission has been developing leaders for Oklahoma and the nation.

The university began in 1890 when the Oklahoma Territorial Legislature created the Territorial Normal School.

Its mission was to educate teachers for the one-room schoolhouses being built across the growing territory.

Central's first students — a class of 23 — met in the basement of Edmond's First Methodist Church. In 1893, they moved into the school's first building, Old North, still standing today.

Five name changes later, UCO is a

beautifully landscaped campus that welcomes more than 17,000 students each semester. It strives to meet the needs of those seeking a traditional campus atmosphere as well as the non-traditional student.

Central also welcomes the role of

being Oklahoma's major metropolitan university, purposefully combining the needs of students with those of the larger area. No longer just an Edmond campus, Central stretches into Bricktown with its Academy of Contemporary Music at UCO (ACM@UCO). Construction of the new CHK|Central Boathouse on the Oklahoma River, off-site UCO classes

such as those at Rose State College, the university's partnership with Tinker Air Force Base, working with entrepreneurs through one of three UCO Small Business Development Center offices — UCO works to meet the needs of many.

Others notice. *U.S. News & World Report* earlier this year again ranked Central as one of the top colleges and universities in the nation. Central was the only higher education institution in the state to be named to the "2013 Great Colleges to Work For" by *The Chronicle of Higher Education*.

As Oklahoma's third-largest state university, Central has evolved into six colleges, including the Jackson College of Graduate Studies, all with nationally recognized programs including Nursing, Forensic Science, Accounting, Physics, Graphic Design and more. The university offers 114 majors for bachelor's degrees and 61 for master's, and is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Central remains an institution where teaching comes first, with a 19:1 student/faculty ratio. Students enjoy personal relationships with faculty and staff who are committed to transforming lives.

SYMBOLS OF AUTHORITY

THE GONFALON

Each college has its own gonfalon, or banner, that is carried by an outstanding faculty member in that college, who leads that college's students in the procession.

THE MACE

Among ancient orders, the mace was a heavy staff or club made of wood and metal that was borne by, carried before or placed near a magistrate or other dignitary as an ensign of authority. The most senior member of the college carries the mace.

In 1975, students and faculty in Central's then Industrial Arts program constructed the university's mace. It is approximately 34 inches in length and

weighs 9.65 pounds.

Near its top is a miniature replica of Old North, created in pecan wood and encompassed within a bronze crown. Thirteen pieces of solid walnut wood make up the majority of the mace. The base on which the bronze medallion sits is rosewood. A bronze band encircling the mace is inscribed "University of Central Oklahoma."

THE MEDALLION

In keeping with tradition, UCO President Don Betz will be wearing a medallion that was created in 2011 with both past and future university presidents in mind.

The chain features at its center a 3.5-inch antiqued bronze medallion

showing the official UCO seal. On the flip side are the names of Central's first 15 presidents, from Richard Thatcher, who served from 1891-93, through W. Max Chambers, 1949-60.

Curved metal banners help form the chain on each side of the medallion. Each banner bears the name of one of the next five Central presidents, including President Betz who began his service in August 2011 as Central's 20th president. The medallion is designed with blank metal banners, evenly spaced among smaller official UCO seal medallions. These blank banners are for the names of all future presidents, symbolizing the chain of university leadership.

ASSOCIATE DEGREES

Graduation with Honors to those with a 4.0 GPA; gray cords

MINIMUM FOR HONORS

To be eligible to graduate with honors, baccalaureate candidates must have completed at least 45 hours at the University of Central Oklahoma.

Graduation with honors and degrees conferred are pending a final check by Graduation Support Services.

THE TRADITION OF ACADEMIC DRESS

The precise origins of the several parts of academic dress still remain a matter of conjecture. The unheated buildings which medieval scholars frequented may have necessitated the wearing of gowns for comfort's sake. Gowns and hoods were common at British universities before the 14th century; the square cap is thought to be a 16th century import from the University of Paris. European universities continue to use a wide variety in the cut and color of gowns and the type of head wear worn.

Academic attire began to appear on United States campuses in the late 1890s. Since that time, its use has become universal for solemn university functions, and its pattern is highly uniform. From the color and cut of the American academic attire, one may determine the institution from which the wearer received the degree and the degree earned.

THE CAP

The mortarboard has become the universally accepted style in United States colleges and universities. The standard tassel worn by faculty is black. However those with doctoral degrees may wear a gold tassel. Candidates for

degrees have colored tassels that identify the student's college as follows:

Business.....	Drab
Education & Professional	
Studies.....	Light Blue
Fine Arts & Design...	Chocolate Brown
Liberal Arts	Kelly Green
Mathematics &	
Science.....	Golden Yellow
Graduate	Bronze and Blue
Associate	Gray

THE GOWN

The bachelor's gown has a long, pleated front with shirring across the shoulders and back. The flowing sleeves are pointed at the fingertip and are almost knee length.

The master's gown has oblong sleeves that reach well below the knees. The sleeves are cut so that the forearm comes through a slit just above the elbow.

The doctor's gown has broad, velvet panels down the front, and three velvet bars on full, round sleeves. This velvet trimming may be either black or a color distinctive of the degree.

The associate's gown is the same style as a bachelor's, but dark gray.

THE HOOD

The Master's Hooding Ceremony focuses on advanced degree candidates and their accomplishments, while adding visual meaning. The colors of the hood's silk lining represent university colors, which for Central are Bronze and Blue. The color of the hood's velvet border represents the field of learning, such as light blue for Education or golden yellow for Science.

THE COLORS

The fields of learning identified by the color of the velvet panels and sleeve bars on the gown or the edging of the hood include the following:

Arts and Letters.....	White
Business.....	Drab
Education.....	Light Blue
Engineering.....	Orange
Fine Arts	Brown
Law	Purple
Medicine	Green
Music	Pink
Nursing.....	Apricot
Philosophy	Dark Blue
Physical Education	Sage Yellow
Science	Golden Yellow
Social Science.....	Citron
Theology.....	Scarlet

CLASS MARSHALS - FALL 2013

Each of the University of Central Oklahoma's five undergraduate colleges awards a graduating senior the title of "Class Marshal." These five students have the highest grade point averages and number of Central credit hours in their respective colleges.

The honorees each receive a Class Marshal stole, signifying the highest degree of academic excellence. First presented in 1994, the stoles have become a UCO tradition, later enhanced by the bronze Class Marshal graduation gowns.

The following are the Class Marshals for the Fall 2013 Commencement.

Levi Dobrinski is an Instrumental Music Education major with a 3.97 grade point average in the College of Fine Arts & Design. He has been concertmaster for the UCO Symphony Orchestra, state president of the Collegiate Oklahoma Music Educators Association, and recipient of the Dr. Kent Kidwell Leadership in Music Award and the Dr. Ted Honea Academic Excellence Award in Music. A member of the Pi Kappa Lambda, Kappa Delta Pi and the Alpha Lambda Delta honor societies, he received the Oklahoma Regents for Higher Education Baccalaureate and the Robert Glenn Rapp Upper Level Music scholarships. He has been a UCO new student orientation leader and a member of the Student Ambassadors and Campus Crusade for Christ. He plans

to teach orchestra in a metropolitan-area school and later pursue a master's in educational administration.

Marko Ilikj is receiving degrees in both General Biology and Chemistry-Health Sciences with an overall 3.95 grade point average in the College of Mathematics & Science. Active in undergraduate research, he participated in the 2012 OK-IDeA Network of Biomedical Research Excellence summer research program and received a fall 2013 research grant from the Research Corporation for Science Advancement. From Skopje, Macedonia, he was treasurer of the European Student Association and a member of the Tri Beta Biology Club. He received a non-resident fee waiver in addition to the UCO Global, the Zane and Linda Skinner Family Endowed Charitable, the Dr. Margaret Hamilton Endowed and the Dr. Larry Westmoreland scholarships. Following graduation, he plans to work in biomedical research, later pursuing a medical or doctoral degree.

Cynthia Sigmen is an English Education major with a 3.89 grade point average in the College of Liberal Arts. A 1989 graduate of Bakersfield High School in California, she had a career in banking that she left to raise a family before coming to Central for a degree. Married to Darren Sigmen, the couple has three children — Kaylie, 14; Caden, 10 and Kinsley, 5. She has been a member of the National Council of

Teachers of English and the Phi Theta Kappa Honor Society. She received a Department of English tuition-waiver scholarship. She plans to teach English language arts at either a middle or high school.

Vicky Truong is an Accounting major with a 4.0 grade point average in the College of Business. She has been a member of the UCO Accounting and the UCO Ethics clubs. She received the Multicultural Student Services Award, in addition to the BKP LLP Accounting and the Transfer Student scholarships. She plans to pass the Uniform Certified Public Accountant Examination and earn a master's degree in health administration, with the goal of working in the healthcare sector.

Dionna Danielle Weixel is a Psychology major with a 4.0 grade point average in the College of Education & Professional Studies. She has been a member of the Baptist Collegiate Ministry, Broncho Buddies, Psi Chi Honor Society and Sigma Phi Lambda. She received the Presidential and the Undergraduate Merit scholarships, in addition to a transfer scholarship from Redlands Community College. She now plans to pursue a master's degree at Central in Marriage and Family Therapy with a goal of becoming a marriage and family therapist.

STAR-SPANGLED BANNER

O say, can you see, by the dawn's early light,
 What so proudly we hailed at the twilight's last gleaming.
 Whose broad stripes and bright stars, through the perilous fight,
 O'er the ramparts we watched were so gallantly streaming?
 And the rocket's red glare, the bombs bursting in air,
 Gave proof through the night that our flag was still there;
 O say, does that Star-spangled Banner yet wave
 O'er the land of the free and the home of the brave?
