

The administration  
wants authority to set  
student-performance  
standards for  
accreditors to enforce.

# **University Leadership Summit**

Nov. 5-6, 2015 | Miami, FL

## **Key issues for 2015 include:**

- Student Retention and Graduation Rates: Keeping students engaged and enrolled for graduation
- Student Recruitment and Declining Enrollments: How to recruit students and identify potential students
- Leading in Difficult Times: Adapting leadership styles
- Regulatory and Legal Issues: How to comply with new regulations
- Innovation and Technology: Exploring adaptive learning
- ED TECH: How these technologies can provide a good education at a lower cost
- Data and Analytics: How to use this data to deliver results
