MARCH OF HEALTH

Due to the fact that our school has only an enrollment of eleven small children, we did not go out scrap hunting, on the day set for it in Sept.

But each child picked up all the scrap and dumped it in with his fathers and ~~they~~ each hauled it to town.

The population of this community is 54 and the reports to follow are as nearly correct to my knowledge as I received them:

The first reports to come in were

Dec. 8T. - 300 lbs

Nov. 2500 lbs

Jan. 2300 "

Feb. 2000 lbs

War Stamps Report

I have them on hand and when the children save up pennies from their weekly allowances they buy stamps

During December =	1.50
During January =	.50
During Feb.	.25
