# WE REPORT TO THE NATION

We herewith submit a bird's-eye view report of our  
SCHOOLS AT WAR Program. It includes factual and pictorial  
accounts of our War Savings Program and other outstanding  
war activities. It is tangible proof of the resourcefulness, skills,  
activities and the will to win of every student, teacher and  
parent enlisted in our SCHOOLS AT WAR Program.

**You May Help Save His Life!**

STEEL ... in its most efficient "fighting" forms—American tanks, planes, guns, bombs, ammunition—is needed to help protect the lives of countless American boys. And to make this steel, a continuous flow of SCRAP IRON is required.
