WE REPORT TO THE NATION

We herewith submit a bird's-eye view report of our

Junk Brought this Down

Scrap Collected

Until recently our enrollment was 10. When it was that, we all scoured the district and turned in 24,375 pounds of scrap. With the help of farmers our piles were moved to the scrap piles, and those have since been shipped away.

We hope our junk has helped in bringing down a Jap plane.

Razor Blades

This poster was used in promoting a razor blade drive which still continues. We now have a string of blades about 3 feet long which are tied very close to Hitler's throat. The number of blades is approximately 1500 and more being brought in.

Stocking Collections

We are short of our goal of 444 stockings or one parachute, but we're still collecting. The children become very enthusiastic over such drives when they feel they can help.
