FOOD FOR VICTORY

This group of students belong to the H H Club. Their aim is to help produce, conserve and preserve more food on their farms this year.

Every student belongs
to the Junior Red Cross and
stands ready to perform
any task given them. They
learn first aid measures
and observe better health
rules as their part in
helping release more
doctors for service.

These boys belong to
the Corn Crop Club. They
are helping to prepare
the ground in preparation
for the planting of their
corn.

These pupils helped
gather the scrap shown
