

METADATA & DPLA DISCUSSION GROUP

SSA Annual Meeting, May 2022

Madison Chartier madison.chartier@okstate.edu

Elliot Williams elliott.williams@austin.utexas.edu

- What schemas & standards do you use? Do you have local guidelines or benchmarks?
- What are your workflows for creating and editing metadata?
- Who works with metadata at your institution? Who is on your metadata team?
- Do you share your metadata with DPLA, other aggregators, or discovery systems?
- What metadata tools do you use, or do you wish you could use?

- What digital collections or projects are you proud of? Why?
- What professional development resources and communities have you discovered? How do you grow?
- What metadata advice would you offer?
- What metadata questions do you want to ask?
