What is a needs assessment?

“[...]needs assessment is a process that attempts to estimate deficiencies...

- a method used to estimate deficiencies.
- any effort that attempts to determine need.
- an activity that gages gaps and insufficiencies” (Royse et al., 2009).

Problems of Conducting an Internal Needs Assessment

Objectivity of the Committee

Dynamics of Peer Evaluation

Participant Behavioral Bias

Confidentiality & Conflict of Interest

(Altschuld & Kumar, 2010, pp. 58–59)

Why do an Internal NA?

Assessment by new administration

Evaluation of stagnate culture

Lack of funding for external review

Concern for workload from staff reduction.

How did we do it?

Who?

A committee of 4 Library personnel

When?
