\$10,000 and \$20,000 grants

The Institute for Museum and Library Studies defines a rural community as one that is more than, or equal to, five miles from a urbanized area (defined as a city or town with a population greater than 25,000) and small communities as having a population of less than 25,000.

Deadline: December 11th

Treat people with disabilities with the same respect you would any other patron.

Plan for Accessibility from the beginning.

Think 7: Principles of Universal Design

1. Equitable Use

2. Flexibility in Use

3. Simple and Intuitive Use

The image shows a browser window displaying the Amazon.com homepage. The browser's address bar shows 'amazon.com'. The page header includes the Amazon logo, delivery location 'Nashville 37217', a search bar, and user account options. A navigation menu lists various categories like 'Holiday Deals', 'Medical Care', and 'Prime'. The main content area features a large orange banner for JBL headphones, followed by four smaller promotional tiles: Coach handbags, sports gifts for kids, a 'Top Deal' on a Washington Huskies sweatshirt, and a sign-in prompt.
