Center Name Changes

That's right! As you can probably tell from the newsletter masthead, the Pride Center has changed its name. The membership at the February meeting voted overwhelmingly to change the name to *Tulsa Gay Community Services Center (TGCSC)*. It may take us a bit to get used to the change, but look for that name to appear on basically everything we do. Tulsa Oklahomans for Human Rights will still be our official name, but all of our business will be done through the TGCSC name. Thank you for all submitted entries in the name change contest.

"Toast For The Most" Contest In Full Swing

Did you read about the membership contest we're having in the February newsletter? If not you're a month behind, but it's never too late! "Toast for the Most" is the TOHR membership contest to continue building the size of TOHR's membership and increase support for the Community Center.

The contest is very simple... just get your relatives, friends, even your enemies to join TOHR for a year and you get credit for a membership. Each membership counts as one, even household unless members of the household pay full regular membership. Sorry, but renewing your own membership or joining on your own doesn't count, but you do have to be a member to participate.

For recruiting members, you get...

- 1 Member - Pride '98 T-shirt (while supplies last; one per member)
- 5 Members - Toaster Accessory
- 10 Members - Toaster
- 25 Members - Toaster Oven
- 50 Members - Free Vacation on the Beach

** The person with the most memberships (50 or more) receives the free vacation.

The membership contest ends on March 31st so get started now if you haven't already! Be sure that anyone you get to join writes your name on the membership application.

Chastity Bono To Visit Tulsa!

Chastity Bono is slated to be in Tulsa on Saturday, April 17, 1999, for events benefiting the Tulsa community. Ms. Bono will be at the *Tulsa Gay Community Services Center* (formerly the *Pride Center*) at 12:00 noon for a reception/book signing. Later that evening, she will be at the PFLAG/Tulsa C.A.R.E.S. Red Ribbon Ball & Swan Awards dinner at the Doubletree Warren Place.

The reception/book signing carries a \$10 donation entry fee for TOHR members. Non-members may attend for a \$15 donation. TOHR memberships are available for one year at \$25 for individuals and \$40 for households. Copies of Ms. Bono's book, *Family Outing*, will be available for purchase at the event. PrimeTimers Auction To Benefit Center

The Tulsa Area PrimeTimers are holding their 2nd annual Auction to benefit the Tulsa Gay Community Services Center. The Auction will be held on *Saturday, March 13, 1999, from 5:00 to 9:00 PM* at the Center.

If you were there last year, then you already know the range of items available for bid, including original prints, paintings, crafts, health care items, gift certificates for dinners, flowers, hair styling, and more. The bidding was fast and furious as the deadline approached and a great time was had by all that attended.

The auction is a great opportunity to get out, meet more of the community and support the community center, so please attend!

If you would like to donate an antique or new item for the auction, bring your donation by the Community Center, specify that it is for the auction, and we'll make sure it gets to the PrimeTimers. Remember... donations of items and/or services for the auction are tax-deductible as allowed by law. See you on the 13th!

Jokes Hinder Rights-The Closet For Another Generation

A few radio stations in Tulsa are advocating hate. Please contact them, and their advertisers, and tell them you feel violated by the malicious messages they are sending over the airwaves. Hate speech equals hate crimes. This hate is being bred into our youth and it will survive into the next generation... This entertainment may have caused the attack at the Pride Center, and the gay bashing at State Bank's atm.

Larry the cable guy, is a comedian that visited Tulsa for eight shows at a local comedy club. His show is aired on KMYZ 104.5, *The Edge*. He will be back in town in October. After the chairperson of T.O.H.R.'s advocacy committee requested that Larry discontinue his intolerant behavior several times, to no avail, T.O.H.R. picketed. Larry's hate is now broadcasted twice a day on 104.5 "It is all satire" and a "joke", according to *The Edge's* morning crew.

Here are several out of context (but exact) quotes from Larry the Cable Guy's web site, links, and on-air show: "Bad News is findin' out your brothers queer, crossdressin' queer, colords, Help there's gooks in my closet, fag, I'm madder than Jessie Jackson at the airport havin' to answer the white courtesy phone!, politically correct queers, skin-head watchin' the Jeffersons, happier than a bus load a re-tards on the way to Chuckie Cheese, colored kook, twinkle toes folks, pansies, Queer, Colored, and Blackie".

Larry's Promoter, Colleen McGarr (714) 556-9649, fax (714) 556-0819, larry@larrythecableguy.com was shocked when informed of the on-air quotes. Please contact Colleen and Dan at the above numbers.

KMYZ, 104.5 *The Edge's* station owner / manager (Rick Cohn and Lynn Barstow) ignore letters requesting removal of the hateful programming and occasional demeaning comments in regards to their distaste for the gay community. Please call (918)665-3131, fax (918)663-6622, or e-mail them at: edgetulsa@aol.com.

KMOD, 97.5 has a skit they play daily called "Gaywatch". It is a radio drama that depicts two gay males, clad in Speedos, on the beach. The voices are the stereotypical feminine lisp-filled voices that society has affixed to the g/b/l/t people. Their "adventures" include stereotypical jaunts looking for other males, decorating, party planning, and so on. The morning crew (Phil and Brent), and management (Allen McLaughlin) has been asked to discontinue this

Membership Meeting Topics Planned For March & April

Special programs for the March and April meetings are set and should be very interesting! The March membership meeting is planned for Tuesday, March 9, 1999, at 7:30 PM. After the business meeting, Paul Thompson for the Oklahoma Gay & Lesbian Political Caucus in Oklahoma City will discuss what OGLPC does and what is planned in the near future. The main event for OGLPC in March is the Equality Begins at Home rally planned on the South steps of the State Capital on Saturday, March 27, 1999 at 5:30 PM (see the related article in this issue). Paul will be talking about Equality Begins at Home and the importance of this event.

At 6:30 PM, before the membership meeting on March 9, there will be a meeting for all Pride Partners (volunteers) at the Community Center. We will be discussing changes in the procedures for operating the store. If you are a pride partner or are interested, please attend this training meeting.

The April membership meeting on Tuesday, April 13, 1999, at 7:30 PM, will feature Vanessa Welch from International Tours in Claremore. Vanessa will be discussing vacation getaway possibilities for the GLBT community. This will be a very informative presentation for all and a great help if you've been trying to decide where to take your next vacation!

Equality Begins At Home Rally At State Capital

A statewide rally has been planned on the south steps of the state capital on Saturday, March 27, 1999, at 5:30 PM. The Oklahoma Gay & Lesbian Political Caucus (OGLPC) is organizing the rally with the assistance of TOHR, PFLAG, Herland, OGLIC and other state organizations as a call for more effective state leadership OR as a celebration of state support against discrimination (pending the outcome of HB 1211). Hundreds of activists are expected to take part and this will be a great opportunity for the Tulsa community to lend it's overwhelming support to such a worthy cause. A charter bus will leave the Community Center at 3 PM on March 27th. To reserve seats on the charter, contact the Community Center at 743-4297.

Following last years' horrendous murders of James Byrd in Jasper, Texas, and Matthew Shepard in Laramie, Wyoming, a number of state legislators have seen the need to adopt a hate crimes law at the state level. The proposed legislation would include protection for gays and lesbians and we will know by the time this rally takes place if it passes. If it does, this will be a great celebration. If it does not, we will be demanding to know why.

Oklahoma activists have lobbied unsuccessfully for years for equal protection and hate crimes laws on the city and state levels. House Bill 1211, introduced into the state legislature by Rep. Don Ross (D-Tulsa), passed the House Judiciary Committee on February 17, by a slim margin of five to three. The next step is to move the bill to the House floor during the next two weeks for a full vote.

Parents, religious leaders and human rights supporters from across the state have been asked to call their legislators. If HB 1211 doesn't pass, the actions of those state leaders who vote against it will be duly noted and efforts will only become stronger.

For information on contacting your legislators, contact the Community Center at 743-4297 or PFLAG at 749-4901.

T.U.L.S.A. Benefit To Be Held At The Silver Star

Those of you who were present at last year's "After the Leather '98: The Great Leather Campout" remember what a great show it was. Full of fun and great (and some campy) performances, the benefit raised needed funds for both the Pride Center (now the Tulsa Gay Community Services Center) and the Food Pantry.

Well, get ready, because here it comes again. "After the Leather '99" is scheduled for *Friday, March 19, 1999, at 10:00 PM at the Silver Star*. Once again, there will be a lot of great performances and lots of fun for all. Be sure to bring some extra money too. Last year's auction items were a big hit, including autographed pictures and memorabilia from some of entertainment's biggest stars, past & present.

This year, the event once again benefits the Tulsa Gay Community Services Center and the Food Pantry, as well as Our House. Be there on the 19th for one fabulous show!

The aforementioned folks accommodate what people want, not what is right. If allowed to continue their blasphemy, it will be deemed acceptable. They are hiding behind their freedom of speech, and using it as a shield. This shield allows them to take shots at "minorities", and then duck behind their rights.
