TOHR MEMBERSHIP MEETING FEBRUARY 15, 2000

The monthly membership meeting of Tulsa Oklahomans for Human Rights or TOHR (pronounced T-O-H-R) for February will be held Tuesday, FEBRUARY 15th, 2000 at 7:30 pm at the Tulsa Gay Community Services Center.

Membership meetings are your chance to learn more about the activities TOHR has planned in the coming year and more importantly, learn more about the work TOHR is doing to improve the lives of gay, lesbian, bisexual and transgender people in Tulsa and the surrounding areas.

A short business session is part of the agenda, enabling you to grasp a better understanding of the amount of work, as well as the amount of dollars required, that is necessary for the mission of EQUALITY to be achieved.

This upcoming meeting is of importance because of the need to achieve quorum (10% of the membership residing in the city of Tulsa).. Quorum is necessary in order for actual business to be voted on and this meeting there is an approval necessary by the membership.

Two new at-large members of the Board of Directors have been appointed and will be presented to the membership for approval. Quorum is required for this to happen.

In addition to the regular business session and approval of the board appointments, as always, a special program is slated for the night.

All TOHR members, guests and interested individuals are invited and encouraged to attend.

"FLOAT CLINIC"

Getting ready for this years Parade requires planning and hard work and here is your organizations chance to get a jump start.

Tulsa Oklahomans for Human Rights and the Steering Committee of June pride activities will be hosting a "Float Clinic" Saturday, March 11 at the Community Center at 1:00 pm.

Last years historic first pride parade for Tulsa had over 40 entries with many of them being floats. If you were involved with the planning or building of any of the floats, you know the work (and sometimes the heartache) of preparing a rolling mass of tissue paper, paper mache or balloons.

The clinic is designed to help in your planning and execution of your entry. From the initial design concept to the eventual completion—it all requires planning. Short presentations will cover design concepts, material (cost effective) gathering, building techniques and of course, the policies and procedures (the rules) of the parade.

For more information, please call 918-743-4297 during the evening.

OKLAHOMA. OK?

The Sooner State (for many—the Cowboy State, but that's another article) has a reputation for being near or at the bottom of the 50 states when it comes to many issues our nation faces as a whole.

We have all heard about the high teenage pregnancy rate, the evolution textbook disclaimer, the quality of the roads, the low rate of pay for our teachers, the tumpikes, the cockfighting issue; the list can go on and on. These are issues that are important to many in the GLBT community as well as the community at large. However, there are a few issues that deserve to be brought up into the limelight—issues that directly affect the lives of many of us.

Last year, a brave legislator brought HB1211 to Oklahomans. HB1211 would have added sexual orientation to our state's existing enhanced penalties hate crimes law. The measure would have also allowed hate crimes victims to receive civil damages from their perpetrators. HB1211 passed the House Committee on Judiciary on 2/2/99 but was killed in a full House vote on March 10, 1999.

A similar Senate bill, SB578, would have also added gender and sexual orientation to the state's existing enhanced penalties hate crimes law. It also would have allowed hate crimes victims to receive civil damages from their perpetrators. However, this bill died in the Senate Committee on Appropriations as of February 2, 1999. The measure will be carried over for consideration during the 2000 legislative session.

While HB1211 and SB578 were and are issues worth fighting for, there are many more that should be rallied around and brought crashing to the floor. The Oklahoma legislature will be considering many bills in this session that could DIRECTLY AFFECT EVERY GAY, LESBIAN, BISEXUAL AND TRANSGENDER INDIVIDUAL in the State of Oklahoma!

QUILT WORKSHOP PLANNED!

The Steering Committee of the Tulsa chapter of the Names Project will be giving a "Quilt Workshop" as part of the TOHR membership meeting, **MARCH 14, 2000**. The workshop will follow the regular short business session of the meeting and is intended to show how to plan and make a panel for addition to the AIDS Memorial Quilt.

The Tulsa Chapter of the Names Project will be bringing a major display of the AIDS Memorial Quilt to Tulsa this coming December and this upcoming workshop can help you in the design and construction of a panel with which you wish to remember a loved one or friend.

TOHR is also asking for individuals to submit names of members of TOHR who have passed away due to HIV or AIDS related illnesses. These names will then be incorporated in a panel (size to be determined) and presented during opening ceremonies of the display December 1, 2000.

For more information or to submit a name, please call 918-743-4297 during the evening before 9:00 pm.

TOHR marches in MLK Parade

Tulsa Oklahomans for Human Rights, PFLAG, Souforce in Oklahoma and Americorps joined together Monday, January 17, 2000 and participated in the annual Martin Luther King Jr. Parade.

Approximately 25 marchers walked behind the banners of PFLAG and TOHR. The large crowd (sometimes 6 people deep along the sidewalks) appreciated the GLBT community efforts with several "hellos" and applause.

A very large event with over 225 entries, the annual parade celebrates the life of civil rights leader Martin Luther King Jr.

Thank you to all who joined together, braved the drop in temperature and walked the distance—and next year join us again (in the meanwhile, be working on your dance steps).

BECOME A TOHR VOLUNTEER, IT DOES A BODY GOOD!

VOLUNTEER:

ONE WHO ENTERS INTO OR OFFERS THEMSELVES FOR A SERVICE OF THEIR OWN FREE WILL.

TOHR and the Tulsa Gay Community Services Center are run completely by dedicated volunteers devoting their time to the need for EQUALity. All work associated with TOHR and the Center is done by VOLUNTEERS, as there is no part-time or full-time paid staff.

There are numerous volunteer opportunities available at your Community Center. Answering the Information line, running the Pride Store, cleaning (yes, that has to happen), working with our librarian in the Nancy McDonald Rainbow Library and organizing special events are just a few of the responsibilities taken on by volunteers. TOHR also has opportunities for you to volunteer your time and help your community at large. The Millennium Pride Celebration, advocacy work and organizing and helping to run special events also require volunteers.

Whether it be one evening a month or 1 night a week, as well as everything in between, volunteers are the backbone of TOHR and the work that is accomplished. In addition to the self-satisfaction of volunteering, you also get a 10% discount at the Pride Store when you volunteer.

Troy McGoveran, TOHR volunteer coordinator, has announced a **NEW VOLUNTEER ORIENTATION** for February 15, 2000. The orientation will begin at 8:30 pm and will include an overview of what you may expect when volunteering, a short training session and refreshments.

All interested individuals are encouraged to attend the orientation as well as stay for the February general membership meeting, scheduled for 02/15/00 beginning at 7:30 pm. Please call 918.743.4297 for more information.

Oklahoma

A low point in the Oklahoma legislative session occurred last year. A bill was passed by the legislators and SIGNED INTO LAW by Governor Keating aimed at returning all criminal penalties, fines, and jail terms to their "Pre-Truth in Sentencing levels." This was done for all crimes except sodomy—instead of returning the maximum sentence for same-sex sodomy (the only kind of sodomy Oklahoma criminalizes) convictions to 10 years, the legislature increased the maximum sentence to 20 years. **This is the ONLY jail term the legislature did not return to its Pre-Truth in Sentencing maximum.**

In addition to hate crimes and sodomy laws, some of our state representatives are also attacking our families, the very core of American life.. HB1224 would prohibit "homosexuals or lesbians" or couples who "cohabit continuously and habitually" from adopting children. This bill PASSED the House on March 8, 1999 but died in the Senate Committee on Judiciary. The measure will also be carried over for consideration during the 2000 legislative session. A similar bill, HB1707, would prohibit "homosexuals, lesbians, or bisexuals" from adopting children. This bill died in the House Committee on Community and Families Responsibilities as of February 2, 1999. It will also be carried over for consideration during the 2000 session.

Another bill, HB1802 would create a rebuttable presumption that is not in the best interests of the child to grant custodial placements to gay, lesbian, and bisexual parents. This bill ALSO PASSED the House on February 23, 1999 but died in the Senate Committee on Judiciary as of March 10, 1999. The measure will also be carried over for consideration during the 2000 legislative session.

These are just the "lowlights" of the last legislative session. There could be more in the 2000 session!

The Oklahoma GLBT community must be ready! We must voice our support for our friends in the legislature in every way. We must work as a community—together—in an attempt to stop senseless proposals like those listed above. And, while doing that we must educate the general public—our families, our friends, our neighbors, our leaders—about the need for hate crime legislation, the need for an employment non-discrimination act and show the quality lives we, and our children

We must also stand up for our equal and human rights! Oklahoma's sodomy law, targeting ONLY the GLBT community is out of step with the rest of the nation and must be eliminated. Our families, present and future, must be given the same equal and legal rights as our heterosexual counterparts. We must demand all of basic human rights from our state and our leaders.

The simplest plan of action is to REGISTER AND VOTE! The GLBT community makes up nearly 6% of the voting population which can make the difference in a close race. WE CAN be the difference but we ALL must vote to make that difference.

Another way to help out in the legislative arena is to become a active TOHR member. With your membership, TOHR can make a difference in the quality of the lives of the GLBT community. With your support, TOHR can continue the educational programs and services aimed at both our community and the general public. With all of our voices combined, the GLBT community can and MUST demand our human rights.

Together, we WILL win and then and only then, can Oklahoma be OK!
