Community Newsletter Begins!

Welcome to the first issue of the Community (Center) News. In the interest of serving a larger portion of our community without duplication of effort, the Community (Center) News was born. In this first issue, a cooperative effort between PFLAG and T.O.H.R., a new era of communication and information for the Tulsa community has been realized.

This Newsletter is the beginning of what will later become an indispensable vehicle for the Community Center to keep its members and patrons informed about the activities and resources available through our non-profit organizations. We hope to be joined by other non-profits in the production of this newsletter so that it might serve a broader audience, and will become a powerful avenue for non-profits to inform the community while sharing expenses.

Let us hear from you. If you are a member of PFLAG or T.O.H.R. and have just received this newsletter, please call us and let us know what you think, or if you are a non-profit organization that would like to participate in our newsletter, we may be reached at the T.O.H.R. helpline number, 743-4297. We appreciate your input and as always your support of our organizations.

We will be dropping the parentheses in the title, Community (Center) News when the new center is opened.

Your donation to the building fund will help make this center a reality.

Fifteenth Anniversary Follies

Tulsa Oklahomans for Human Rights will present the 15th Anniversary production of TOHR Follies, Friday, June 30th. The TOHR follies has consistently been one of the organization's largest fund-raisers of the year. The 15th Anniversary production theme "Priscilla" was inspired by the recent popular movie, and promises several over-the-top numbers sure to delight audiences.

Lynn Smith, TOHR Fund-Raising Chair and his Follies Co-Chair, Renee Anthony, have assembled a group of unparalleled entertainers for the evening. Linda and Stevens and Friends will bring several of their numbers from the Follies Revue to the TOHR Follies, delighting audiences with their live vocal renditions. Bill Lewis (aka Lola McCall) has assembled his Lola's Girls, who will recreate several of the production numbers from the movie Priscilla. Tulsa legend, Raghenna, will return to T-Town to spice up this special event, and long time Follies Contributor, Danny Hale, will again appear. The recently formed Tulsa Family Choral is also scheduled to perform.

Tickets for the evening are \$8 in advance and \$10 at the door. Tickets are available at several Tulsa area businesses, including Budget Window Treatments, Tomfoolery, and Floral Design Studios. Doors open at 7:30 pm and the production begins at 8pm. The evening will conclude at 10pm, and includes a cash bar. Seating is limited to a maximum of 200 people and the event will take place at All Souls Unitarian Church, 2952 S Peoria.

John Rothrock and Steve Walley, the owners of the Silver Star Saloon, have donated the use of their spotlight for the production, and Charles DJ Bunny Campbell has donated the sound system. Other assistance is needed with the event, and those wishing to volunteer or obtain additional information should call, 918.743.4297.

⇒ So Long--Farewell

Sadly we are losing our 1st Vice President, Tim Henry. Tim has been transferred to Houston and will be moving soon. We would like to thank Tim for his hard work and support of T.O.H.R.. We will miss Tim and wish him the best of luck in his new position.

⇒ Welcome

To fill the vacancy left by Tim's departure the nominating committee has indicated they will submit the name of Debbie Starnes. Debbie is a past president of T.O.H.R. and is a grant writer by profession. Debbie's knowledge will be a great asset to the organization. We will be voting on her nomination at the July 11th meeting. Nominations will also be accepted from the floor at this meeting.

⇒ We need a computer

T.O.H.R. is in need of a computer for our helpline database as well as one for the clinic. We need to track these numbers to be effective in our grant writing and in our lobbying of city officials. So if you know anyone who has a computer they are not using or someone who would just like to donate to a worthy cause, give them our number. It would help if the computer had ample memory and speed to run Windows applications.

⇒ Picnic on Bartlett Square

The August 1st meeting of T.O.H.R. will be held on Bartlett Square. This is the third annual Dance and Picnic on Bartlett Square. Soft drinks and music are provided at no cost to you. Join us from 7-10 PM. Don't forget to bring a snack.

July 1995 Volume IV Number 5

May 17, 1995

Dear P-FLAG Family:

I write to notify you of a situation which merits swift responses from as many people in your chapter as possible!

On March 30, 1995, my supervisor, Ray Morgan, fired me two days after discovering that I am Gay. The day I learned from a fellow employee that my supervisor had discovered that I am Gay, I began to try to talk to him. He refused all my attempts at communication, and on the third day, he fired me! The termination came in a cowardly Fed Ex'd letter, with no explanation. The supervisor and the President of the division, Chuck Nelson, refused to return my calls or e-mail, following the firing. The letter of termination instructed me to use the company credit card to return the equipment and the samples. but when I attempted to pay the shippers, the card had been canceled! Homophobia is both mean-spirited and cowardly!

The most helpful persons to contact at this company are listed below. The company is a paper manufacturer which does not sell to the public, but rather through distributors. Their distributors are listed in the local yellow pages under either Promotional Products Distributors or Specialty Advertising Companies. Their most challenging competitors are the 3M Company and the Kreiger-Ragsdale Company.

Raymond Morgan, the Vice President who fired me, has been under internal investigation on three occasions for sexual harassment as brought to light by three women working in his office. On the last complaint, the Nelson family requested that Mrs. Morgan accompany him to the meeting before the Board!

Homophobia has various relatives!

I realize that we are offered, at this time, no legal protection. But, we can still let people know that this behavior has got to stop! Thank you for any help you can offer!

14th International PFLAG Convention September 29 to October 1, 1995 at the Indianapolis Hyatt Regency

Enjoy Labor Day at Home in 1995.

And come to Indianapolis on Friday, September 29 for the 14th International PFLAG Convention. Almost everybody is glad that the 1995 PFLAG Convention has been shifted away from Labor Day weekend. We hope you can begin to plan now to be in Indianapolis for the Indy95 Convention.

The Convention begins on Friday afternoon, September 29 and ends on Sunday afternoon, October 1. The slightly shorter schedule allows the saving of one night of hotel lodging for most delegates and enables us to make even better use of our time.

Mel White will be the keynote speaker. A frequent speaker at Human Rights Campaign Fund dinner and conventions and an ordained minister, Mel is also a much published writer and a film producer. Mel is now dean of the Cathedral of Hope in Dallas, TX, the largest gay and lesbian congregation in the world. He comes to Indy95 with great appreciation for PFLAG having dedicated *Stranger at the Gate* to PFLAG. He carries much concern for the spiritual nurturing of gay and lesbian persons and their families and brings deep concern for the safety of gay and lesbian persons and their families in light of the declaration of war made against homosexual persons by leaders of the radical right. He is an inspiring and interesting speaker.

Indy95 has a strong focus on education - the second leg of PFLAG's three legged stool of purpose. Though the convention will stand on all three legs - support, education and advocacy. Friday's focus will be on Support and Sunday's emphasis will center in on Advocacy. Saturday, the major full day of the convention, will keep zeroed in on Education and Training all day long.

Here's the schedule for the 1995 convention:

Letter from the President

I hope you are enjoying our new look. We have rejoined the ranks of monthly newsletter publishers. This will allow T.O.H.R. to share more of our ideas and thoughts with the membership and allow space for our membership to share with us. The newsletter will provide space to cover topics of interest to our membership and be a useful tool in organizing future projects for the organization. Sort of a direct line to the community center and its programs.

This first issue is a trial run with PFLAG to see how efficient we can be in producing a community center newsletter. We are able to combine efforts and reduce costs for both organizations. We hope that in the future we will be able to have participation from other non-profit groups with information that affects our community. Let us know what you think. This newsletter will be taking the place of the Tulsa Family News as your monthly information source. To continue to receive the Tulsa Family News, one should subscribe to the publication directly.

I hope you made it to the Pride Picnic, it was a great time. The weather was beautiful and the turnout great. Thanks to the Pride Picnic committee for the great event. The committee has expressed an interest in turning this event over to T.O.H.R., to which the board has agreed and will present to the membership at the July 11th meeting for a vote.

As always we need your participation to implement new programs and fun events for our community. If you have a talent or skill to share please let us know.

Tim
