

RESTORATION OF CERTAIN LANDS IN CALIFORNIA TO PRE-EMPTION SETTLEMENT.

LETTER

FROM

THE SECRETARY OF WAR,

IN RELATION

To the bill (H. R. 2298) to restore certain lands in California to homestead and pre-emption settlement.

APRIL 2, 1874.—Referred to the Committee on the Public Lands and ordered to be printed.

WAR DEPARTMENT, April 1, 1874.

The Secretary of War has the honor to transmit to the House of Representatives, for the information of the Committee on the Public Lands, in connection with House bill No. 2298, "to restore certain lands in California to homestead and pre-emption settlement," copies of papers relative to certain lands within one mile of Camp Independence, Cal., and the claimants thereto.

WM. W. BELKNAP,
Secretary of War.

UNITED STATES LAND-OFFICE,
Receiver's Office, Independence, Cal., July 9, 1873.

The following letter was this day received from the United States Land-Office, Washington, D. C.:

WASHINGTON, D. C., June 20, 1873.

GENTLEMEN: Pre-emption cash entry No. 22, made June 12, 1871, at Aurora, Nev., by Josiah Earl, upon W. $\frac{1}{4}$ of S. W. 6, 13 S., 35 E., and N. $\frac{1}{4}$ of N. E. 1, 13 S., 34 E., is in conflict with selection No. 5, made by the State of California July 18, 1864, as to W. $\frac{1}{4}$ 6, 13 S., 35 E. Said pre-emption claim is within one mile of the military reservation of Camp Independence. Mr. Earl filed upon said tract November 2, 1865, alleging settlement August 3, 1865.

The proof shows settlement November 2, 1865, and continued residence to date of entry, with improvements valued at \$4,000.

Township 13 S., 35 E., was withdrawn as an Indian reservation from February 14, 1859, to October 7, 1864. The State selection, No. 5, aforesaid was made during said withdrawal, and is therefore illegal.

The reservation for Camp Independence was made by order dated January 23, 1866

2 RESTORATION OF LANDS TO PRE-EMPTION SETTLEMENT.

Mr. Earl having made his settlement and filing prior to the establishment of said military reservation, he is entitled to perfect his claim. His entry is therefore approved, subject to appeal.

Very respectfully,

WILLIS DRUMMOND,
Commissioner.

REGISTER AND RECEIVER, *Independence, Cal.*

You will therefore take notice thereof and act accordingly.

J. EARLE, *Receiver.*

P. A. CHAPLANT, *Recorder.*

Hon. W. W. BELKNAP,
Secretary of War, Washington, D. C.

[First indorsement.]

WAR DEPARTMENT, ADJUTANT-GENERAL'S OFFICE,
Washington, August 13, 1873.

Respectfully returned to the Secretary of War.

The records show that the post of Camp Independence, Cal., was established July 4, 1862, while Mr. Earl only claims to have settled on his claim August 3, 1865, over three years later.

The military reservation at the post was not declared until January 23, 1866, but the act of March 3, 1853, section 7, reads as follows :

"And no person shall make a settlement or location upon any tract or parcel of lands selected for a military post, or within one mile of such post." (*Vide* General Order No. 65, of 1873, from this office, (copy inclosed,) publishing opinion of the Attorney-General in the Fort Reading case.)

The question seems to be a legal one ; but whether it is of enough importance in a military point of view to warrant interference with Mr. Earl's settlement cannot well be determined without a reference to the department commander.

The post was first garrisoned by three companies (D, G, and I) of the Second California Volunteers. The troops were temporarily withdrawn August 6, 1863, and the post reoccupied in March, 1865, ; and is still occupied by United States troops.

E. D. TOWNSEND, *Adjutant-General.*

[Second indorsement.]

Respectfully returned to the Adjutant-General for reference to the department commander.

By order of the Secretary of War.

Respectfully referred to the commanding general department of California, for report with reference to first indorsement.

[Fourth indorsement.]

HEADQUARTERS DEPARTMENT OF CALIFORNIA,
San Francisco, August 29, 1873.

Respectfully referred to the commanding officer Camp Independence, Cal., for report, with map showing location of Mr. Earl's claim. These papers to be returned with report.

Respectfully returned with all indorsements complied with.

Captain Twelfth United States Infantry, Commanding Post.

[Inclosures.]

CAMP INDEPENDENCE, CAL.,
September 6, 1873.

SIR: I have the honor to forward the following report through intermediate headquarters, in compliance with indorsement on Josiah Earl's application for a patent to land, dated Independence, Cal., July 9, 1873.

1st. The post of Camp Independence, Inyo County, Cal., was established July 4, 1862.

2d. The troops were temporarily withdrawn August 6, 1863.

3d. The post was re-occupied in March, 1865, and has been continuously garrisoned to date.

4th. The act of March 3, 1853, and the opinion of the Attorney-General of United States, dated Department of Justice, May 24, 1873, as published in General Order No. 65, dated War Department, Adjutant-General's Office, Washington, D. C., June 12, 1873, are as follow:

And no person shall make a settlement or location upon any tract or parcel of land selected for a military post, or within one mile of such post.—*Act March 3, 1853.*

This would seem to leave no room for controversy, as all settlements and locations by private parties are excluded, not only from what is properly the military post, but from all land from within one mile of it, and that the consent of Congress is necessary to its relinquishment and sale.—*Opinion of the Attorney-General of the United States.*

5th. The military reservation of Camp Independence, also the wood and grass reservation, were declared by the President, January 23, 1866.

6th. Josiah Earl shows settlement on November 2, 1865, eight months after the post was re-occupied by United States troops.

7th. The post has continuously been so garrisoned, and Josiah Earl has also continued to occupy his claim up to this date.

8th. Josiah Earl is only one of fourteen claimants who have occupied land within one mile of the post, many of them for a much longer time than he has.

9th. Josiah Earl is register of the United States land-office at Inde-

pendence, Cal., who, I am credibly informed, offered each of the other claimants to get them their patents if each would pay him \$100 in coin.

10th. The post has been for years surrounded by settlers, and, as far as I can learn, their settlement has not interfered with the good of the service or post; and to all of them it would be a great loss; and to Mrs. Walters, who was the wife of a deceased soldier, it would be a great hardship if she could not get a patent, as it is her only dependence to provide for herself and three children.

11th. I have entered into this explanation more fully because I am aware that the other claimants have applied to the register to get them their patents, which of course would be separately referred to the War Department. Inclosed I send a map with each claimant's land numbered; also a list of claimants numbered to correspond with the map.

12th. If patents are issued to one, all should get them, with the proviso in their patents that the post has prior claim to water; otherwise they may cut off our supply.

I am, sir, very respectfully, your obedient servant,

A. B. MACGOWAN,

Captain Twelfth United States Infantry, Commanding Post.

The Hon. SECRETARY OF WAR,
Washington, D. C.

[Sixth indorsement.]

HEADQUARTERS DEPARTMENT OF CALIFORNIA,
San Francisco, September 22, 1873.

Respectfully forwarded to the Adjutant-General of the Army.

As far as can be foreseen now, Camp Independence will not probably be occupied less than three years longer.

In view of the well-known objections to citizens on the frontier establishing themselves in close proximity to a post, I would recommend that no patent for the land in these cases be given until after the post has been abandoned; meantime the claimants will be allowed undisturbed occupation as long as they do not conduct themselves in such a way as to prejudice the interests of the public service.

J. M. SCHOFIELD,
Major-General Commanding.

[Seventh indorsement.]

WAR DEPARTMENT, ADJUTANT-GENERAL'S OFFICE,
Washington, October 6, 1873.

Respectfully returned to the Secretary of War with report from Department of California.

E. D. TOWNSEND,
Adjutant-General.

WAR DEPARTMENT,
Washington City, October 20, 1873.

SIR: The register and receiver of the general land-office at Independence, Cal., have forwarded to me a copy of your letter of June 20, 1873, relative to the claim of Josiah Earl to certain lands located within one mile of Camp Independence, Cal., of which the following is an extract: "Mr. Earl having made his settlement and filing prior to the establishment of said military reservation, he is entitled to perfect his claim. His entry is therefore approved, subject to appeal."

It appears from the records of this Department that the post of Camp Independence, Inyo County, Cal., was established July 4, 1862. The troops were temporarily withdrawn August 6, 1863. It was again re-occupied in March, 1865, and has been continuously garrisoned to date.

It thus appears that the land was occupied as a military post prior to August 3, 1865, the date of the alleged settlement of Mr. Earl; and by the act of March 3, 1853, quoted in the opinion of the Attorney-General of May 24, 1873, (copy inclosed,) "no person shall make a settlement or location upon any tract or parcel of land selected for a military post, or within one mile of such post."

In view of these facts I have the honor to appeal from the decision contained in your letter of June 20, 1873.

Very respectfully, your obedient servant,

WM. W. BELKNAP,
Secretary of War.

The COMMISSIONER OF THE GENERAL LAND-OFFICE.

DEPARTMENT OF THE INTERIOR,
GENERAL LAND-OFFICE,
Washington, D. C., October 22, 1873.

I am in receipt of your letter of the 20th inst., with inclosure, and appealing from the decision of this Office of June 20, last approving

the entry of Josiah Earl, No. 22, for W. $\frac{1}{2}$ S. W. $\frac{1}{4}$ 6, 13 S., 35 E., and N. E. $\frac{1}{2}$ S. E. $\frac{1}{4}$ 1, 13 S., 34 E., subject to appeal within sixty days. In view of the evidence furnished by you of the establishment of the military post of Camp Independence prior to January 23, 1866, this Office has, on review of the case, revoked the decision of June 20 last, and the entry of Mr. Earl is held for cancellation subject to appeal within sixty days. A copy of my letter to the local officers at Independence, Cal., advising them of the fact, is herewith inclosed.

Very respectfully,

WILLIS DRUMMOND,
Commissioner.

HON. WILLIAM. W. BELKNAP,
Secretary of War.

[Inclosure.]

DEPARTMENT OF THE INTERIOR,
GENERAL LAND-OFFICE,
Washington, D. C., October 22, 1873.

GENTLEMEN: I have to call your attention to my letter of June 20, 1873, approving, subject to appeal within 60 days, pre-emption entry No. 22, of Josiah Earl, for W. $\frac{1}{2}$ S. W. $\frac{1}{4}$ 6, 13 S., 35 E., and N. $\frac{1}{2}$ S. E. $\frac{1}{4}$ 1, 13 S., 34 E., within one mile of Camp Independence, Cal., for the reason that Mr. Earl's settlement was shown to have commenced prior to the establishment of said military post. The above decision was based upon the presumption that the above military reservation was established January 23, 1866, as evidenced by the President's order of that date, and a copy of which was the only data in the possession of this Office at the date of said decision. I am now in receipt of a letter from Hon. W. W. Belknap, Secretary of War, advising this Office that the records of the War Department show that Camp Independence was established as a military post August 4, 1862, occupied in 1865, and continuously garrisoned since. As the land claimed by Mr. Earl is at this time and was at date of his alleged settlement within one mile of such post, he is prohibited by the 7th section of the act of March 3, 1853, from acquiring title thereto. My decision of June 20, 1873, is accordingly revoked, and the entry of Mr. Earl will be held for cancellation, subject to appeal within sixty days.

Notify the parties in interest of this decision, and promptly advise this Office of the condition of the case at the expiration of that time.

Very respectfully,

WILLIS DRUMMOND,
Commissioner.

REGISTER AND RECEIVER, *Independence, Cal.*

SIR: We, the undersigned, Jacob Vagt, James Malone, Joseph Schaltton, John W. Martin, William H. Hoff, Ephraim Chaquette, S. A. Densmore, and George F. L. Quelet, occupants of farming lands in the vicinity of Camp Independence, Cal., have the honor to submit the following statement:

1st. That we are all pre-emptors of our respective farms in the neighborhood of your post except Joseph Schalten, whose claim is a homestead.

2d. That we have all submitted proofs of residence to the proper register, except the said Joseph Schalten as to his homestead, and E. Chaquette as to the land of Warren S. Mathews, and that on said land Warren S. Mathews proved up, paid, and obtained a like certificate of payment.

3d. That John W. Martin, William H. Huff, Warren S. Mathews, and E. Chaquette presented proofs of residence to the proper register which were accepted, and that they then paid to said register the regularly authorized sum, and received the proper certificate therefor.

4th. That S. A. Densmore, Jacob Vagt, and James Malone offered proofs of residence and tendered payment to the register, but that the money was refused on the ground of their land lying within one mile of a military post.

5th. That our farms are within a mile of the military post of Camp Independence, and that, as we are informed, we cannot obtain patents therefor unless an act of Congress be passed granting us relief.

We have, therefore, made affidavit to the facts of settlement, purchase, and improvement, and would feel under many obligations if you will inquire into the facts therein contained and forward these papers to the War Department with an indorsement stating your opinion of their correctness, and as to whether it will prejudice the Government to give us title, with such other recommendation as may assist us in obtaining patents. Our object is simply that these papers, with your opinion and recommendation, may be filed in the War Department until called for by the proper congressional authority.

Hoping that we are not asking you to do anything that will conflict with your duty as post commander, and regretting the trouble we give you,

We have the honor to remain your obedient servants,
 JOSEPH SCHALTEN.
 JAMES MALONE.

5th. That on the twelfth day of March, A. D. 1873, he submitted proofs of residence to the said register, and tendered payment thereon, but that said payment was refused on account of his being within one mile of Camp Independence, Cal.

M. W. HAMMARSTRAND,
County Clerk Inyo County, Cal.

CAMP INDEPENDENCE, INYO COUNTY, CAL.,
November 26, 1873.

SIR: I have the honor in forwarding these applications to make the following report:

1st. Troops were first sent here in March, 1862, to protect some quartz-mines and miners from hostile Indians.

2d. The post was established on July 4, 1862.

3d. Troops were temporarily withdrawn August 6, 1863.

4th. The post was re-occupied in March, 1865, and so continues to this date.

5th. This military reservation was declared by the President January 23, 1866.

6th. The act of March 3, 1853, and the opinion of the Attorney-General of the United States, dated Department of Justice, May 24, 1873, as published in General Orders No. 65, dated War Department, Adjutant General's Office, Washington, June 12, 1873, are as follow:

"And no person shall make a settlement or location upon any tract or parcel of land selected for a military post, or within one mile of such post." (Act of March 3, 1853.) "This would seem to leave no room for controversy, as all settlements and locations by private parties are excluded not only from what is properly the military post, but from all land within one mile of it, and that the consent of Congress is necessary to its relinquishment and sale." (Opinion of Attorney-General of the United States.)

7th. The post has been surrounded with settlers almost from its first establishment, and from all I can learn they have never interfered with

14 RESTORATION OF LANDS TO PRE-EMPTION SETTLEMENT.

the good of the service or post, and, in my opinion, they would be much better neighbors as owners than as squatters on the land.

8th. Four of the applicants are discharged soldiers, viz, Joseph Schalten, James Malone, S. A. Densmore, and John W. Martin. The other four applicants are quiet and good men.

9th. Inclosed is a map showing post and each of these claims.

10th. If patents be given for these lands claimed, a proviso should be inserted in their patents, "*that the post has prior claim to all the water flowing in the north branch of Oak Creek;*" otherwise they might cut off our supply.

I am, very respectfully, your obedient servant,

ALEX. B. MACGOWAN,

Captain Twelfth United States Infantry, Commanding Post.

The SECRETARY OF WAR,

(Through intermediate headquarters.)

[Indorsements.]

HEADQUARTERS CAMP INDEPENDENCE, CAL.,

November 26, 1873.

Respectfully forwarded. My report and opinion is written on previous page.

A. B. MACGOWAN,

Captain Twelfth Infantry, Commanding Post.

HEADQUARTERS DEPARTMENT OF CALIFORNIA,

San Francisco, December 4, 1873.

Respectfully forwarded to the Adjutant-General of the Army.

In view of the well-known objections to citizens establishing themselves in close proximity to a post, I would recommend that no patent for the land in these cases be given until after the post has been abandoned; meantime the claimants will be allowed undisturbed occupation as long as they do not conduct themselves in such a way as to prejudice the interests of the public service.

J. M. SCHOFIELD,

Major-General Commanding.
