

GREAT MIAMI RESERVE.

RESOLUTION

OF

THE LEGISLATURE OF INDIANA,

RELATIVE TO

The price of the public lands on the Great Miami Reservation.

FEBRUARY 4, 1850.

Referred to the Committee on Public Lands, and ordered to be printed.

A JOINT RESOLUTION in reference to the reduction of the price of the lands in the Miami National Reservation.

Whereas a greater portion of the choice lands in the Miami national reservation have already been sold by the general government at the uniform price of two dollars per acre, a price greater than that paid for a large portion of the lands of the general government; and whereas the price now demanded by the general government will to a great extent prevent the early sale of said lands, and thereby retard the growth and prosperity of that portion of our State; therefore,

SEC. 1. *Be it resolved by the General Assembly of the State of Indiana,* That our senators in Congress be instructed, and our representatives requested, to use their votes and influence to bring about a reduction in the price of lands in the Miami National Reservation.

SEC. 2. *Be it further resolved,* That his Excellency the governor be requested to transmit copies of this joint resolution to each of our senators and representatives in Congress.

GEORGE W. CARR,
Speaker of the House of Representatives.
JAMES H. LANE,
President of the Senate.

Approved December 21, 1849.

JOSEPH A. WRIGHT.

STATE OF INDIANA, to wit:

I, Charles H. Test, secretary of state for the State of Indiana, do hereby certify that the foregoing joint resolution of the General Assembly

of the State of Indiana is a true, full, and complete copy of the joint resolution therein recited.

In testimony whereof, I have hereunto set my hand,
and affixed the seal of the State of Indiana,
this 26th day of January, 1850.

CHARLES H. TEST,
Secretary of State.
