GENERAL LAND OFFICE,
January 25, 1859.

SIR : In accordance with the provisions of the 11th section of the act of Congress, approved August 26, 1842, I have the honor to submit herewith a list of clerks and others employed by this office during the year ending December 31, 1858.

It will be remembered that the recent legislation of Congress touching the swamp land business, the railroad grants with their immense details, the operations connected with the bounty land business, with interests reaching every part of the Union ; the arduous, severe, and responsible duties connected with foreign titles, the subjects legislated upon last session, with important pending legislation of the present session, and the conflicts incident to the adjustment of the municipal and postal pre-emptions, all forbid the reduction of our force without grave prejudice, indeed, injury to the public service.

With great respect,

THOS. A. HENDRICKS,
Commissioner.

Hon. J. THOMPSON,
Secretary of the Interior.
