

EASTERN CHEROKEES IN NORTH CAROLINA.

LETTER

FROM THE

SECRETARY OF THE INTERIOR,

IN RESPONSE TO

*Resolution of the House of February 25, 1882, relative to the lands and funds of the Eastern Band of North Carolina Cherokees.*

---

MAY 11, 1882.—Referred to the Committee on Indian Affairs and ordered to be printed.

DEPARTMENT OF THE INTERIOR,  
*Washington, May 8, 1882.*

SIR: I have the honor to acknowledge the receipt of a resolution of the House of Representatives of 25th February last, calling on this department for certain information on matters therein specified relative to the Eastern Band of Cherokee Indians, residing in North Carolina.

The information called for has been prepared in the office of the Commissioner of Indian Affairs, a copy of whose report of 26th ultimo, with accompanying papers therein referred to, will be found herewith.

Touching the concluding portion of the resolution, which refers to trespasses upon the lands of these Indians by white settlers, and what steps, if any, are necessary to be taken in order to protect the Indians in their rights, attention is respectfully invited to the suggestion of the Commissioner (on page 102 of his report, before referred to), in which this department concurs, to wit, whether it would not be advisable for Congress to pass an act placing these people under the jurisdiction of the United States district court for the western district of North Carolina. As a precedent for such action, attention is invited to the eleventh section of the act of July 15, 1870 (16 Stat., 362).

Very respectfully, your obedient servant,

H. M. TELLER,  
*Secretary.*

The SPEAKER  
*House of Representatives.*

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
April 26, 1882.

SIR: I have the honor to acknowledge the receipt, by department reference for report, of a resolution of the House of Representatives Forty-seventh Congress, first session, passed February 25, 1882, as follows:

*Resolved*, That the Secretary of the Interior be requested to inform the House of Representatives of the present condition of the Eastern Band of the Cherokee Indians residing in North Carolina, what lands they own as a band or tribe or in severalty, and what amount of money, if any, said Indians have in the Treasury of the United States, or what amount of bonds, if any, are held by the United States in trust for them. That he inform this House fully as to what proceedings were taken in the year 1874 and since that time, either by the United States or by said band, with the consent and advice of the United States, for the recovery of lands in the State of North Carolina claimed by said Indians, or for the recovery of moneys from their late agent, or for the adjustment of their accounts with any of said agents. Also, whether any awards were made in favor of said Indians by any board of arbitrators or any court in respect to lands, moneys, or accounts; and if so, what said award was, and specifically the action taken by his department in respect to the same up to the present time. That he also furnish copies of any contract or contracts made by said Indians, with any attorney or attorneys, relating to the prosecution of said claims for land, moneys, or the adjustment of said accounts, and what action has been taken by his department with respect to said contracts, what payments have been made to said attorney or attorneys, if any, by reason of services performed by them under said contracts, and what, if any, is still claimed by said attorney or attorneys to be due on account of said services. That he also inform this House what disposition has been made by his department of the moneys belonging to said Indians referred to in an act of Congress approved March 3, 1875. That in giving the information relative to these moneys he shall state in detail each item of expenditure, the purpose for which the same was expended, and the authority of law for the payment of each item, and shall state what amount of money was placed at the disposal of his department by said act, and how much, if any, remains unexpended.

It is further requested that the honorable Secretary furnish this House with any information he may be able to give concerning the settling of whites upon the lands of the Indians, and what steps, if any, are necessary to be taken in order to protect the Indians in their rights.

In reply, I have to report that these Indians are located upon lands in Cherokee, Graham, Jackson, and Swain Counties, in North Carolina. Most of their lands, however, lie in Jackson and Swain Counties, and are known as the "Qualla Boundary," comprising about 50,000 acres. Their other lands lying in the four counties are in detached tracts and aggregate 15,211 acres.

The title to these lands had, for several years, been the subject of litigation growing out of the fact that the deeds for these lands, purchased with tribal funds at sundry times in 1861 and previously by the late United States Indian agent, William H. Thomas, had been taken in the name of the agent instead of in the name of the Indians. Agent Thomas contemplated, no doubt, when he had completed his purchases, conveying the same to the Indians. Before the execution, however, of such a purpose the war came on, and Mr. Thomas being involved in debt and having become insane, nothing was done until Congress, by the eleventh section of the act of July 15, 1870 (16 Stats., p. 362), authorized and empowered these Indians to institute suit in the circuit court of the United States for the western district of North Carolina against said Thomas for all claims, including lands, which they might have against him.

The eleventh section of said act is as follows:

*And be it further enacted*, That the Eastern Band of the Cherokee Indians, by that name and style, be, and they are hereby, authorized and empowered to institute and carry on a suit or suits in law or equity in the district or circuit courts of the United States

against the present or former Indian agent or agents of said band, their administrators, executors, and heirs, and against the securities of such agent or agents, their administrators, executors, curators, or trustees, for all claims, causes of suit, or rights in law or equity that said band may have against them or either of them; and the law of limitation shall apply to such claims, causes of action, and rights from and after the day this act takes effect. It shall be the duty of the district attorneys and the Attorney-General of the United States to institute and prosecute all suits, cause for which may arise under this section.

In pursuance of this authority, in May, 1873, a suit in equity was instituted in the circuit court of the United States for the western district of North Carolina by the Eastern Band of the Cherokee Indians, against William H. Thomas and William Johnston, seeking to subject the said Thomas, as agent and trustee of the plaintiffs, to an account and settlement for large sums of money alleged to have been received by him for the benefit of the plaintiffs from the United States, from the year 1836 to the year 1861; which moneys, it was alleged, had been or ought to have been invested by him, according to various contracts made by the said Thomas from time to time with said Indians in certain boundaries of land for the benefit of plaintiffs, as a tribe or community, and in a number of separate tracts of land for individual members of said Eastern Band of the Cherokee Indians. It was further alleged that the legal title to all of said lands was held by the said Thomas in his own name.

It was alleged against the other defendant, William Johnston, that, in the year 1869, he had procured a sale of all of said lands by the sheriffs of the several counties in which they were situate to satisfy judgments which he, Johnston, had previously obtained in the courts of North Carolina against said Thomas; and that Johnston had bought the lands at said sales, and had taken said sheriffs' titles therefor to himself, with a knowledge of the subsisting equities of the Indians. It was further alleged that Johnston, after said sheriffs' sales, in September, 1869, had entered into a contract with certain of the said Eastern Band of the Cherokee Indians to release to them, for their tribe, all the right which he claimed to have acquired by said sheriffs' sales to said lands for the sum of \$30,000, payable within eighteen months after the date of said contract; and that the Indians had paid him at the time said contract was executed the sum of \$6,500.

An action at law was commenced at the same time as the above-mentioned suit in equity, by the same plaintiffs, against James W. Terrell, their former agent, from 1853 to 1861, and his sureties, the said Thomas and Johnston, to recover a balance of their moneys which he had received for their use from the United States, and which, as it was alleged, he had not properly accounted for.

At the May term, 1874, of the said circuit court of the United States, the parties to the above two causes entered into an agreement, in writing, to submit all matters of dispute and controversy between them to Messrs. Rufus Barringer, John H. Dillard, and Thomas Ruffin, their award to be final and a rule of the court; said submission to have effect from the approval thereof by the Hon. R. P. Dick, judge of said court, the Secretary of the Interior, the Commissioner of Indian Affairs, and the Department of Justice. This agreement was approved June 17, 1874, by all the said several officers, and the arbitrators undertook the work thereby imposed upon them.

On the 24th day of October, 1874, they made and filed their award, which was confirmed at the following November term of the said United States circuit court held at Asheville.

The award found: That William H. Thomas was the agent of the plaintiffs from the year 1838, and, as such, undertook to purchase, and

did purchase for them, lands paid for with moneys coming to them from the United States; that from time to time, and from various persons, he purchased lands for them as a tribe and community and settled them thereon; which purchases comprise the large tract situated on Soco Creek and the Ocono Lufta River and their tributaries, known as the Qualla Boundary, described by metes and bounds—area estimated by the arbitrators at over 50,000 acres; that within the said Qualla Boundary the said Thomas sold and conveyed, by deed, several tracts to individual Indians (naming them) and received from them, respectively, the purchase money; that he also contracted, in writing, to sell several other tracts within said Qualla Boundary to individual Indians (naming them) and received from them, in whole or in part, the purchase money. It was therefore awarded—

That the general boundary, known as the Qualla Boundary, and above described, belongs to and shall be held by the Eastern Band of Cherokee Indians, living in the State of North Carolina as a tribe or community, and whether living at this time at Qualla or elsewhere in the State; and that the individual Indians above named as holding under said Thomas, either by deed or contract, shall hold and possess their several tracts as their separate property, with the quality of being inheritable, but without the power of alienation except from one Indian to another, and then only with the assent of their council; all the above, however, to be subject to the payment of a sum of money to William Johnston, as hereinafter provided.

The award then determined the titles of a large number of individual Indians and persons of Indian blood to tracts of land outside of the Qualla Boundary, and decreed that conveyances should be made to them by Thomas and Johnston upon the terms and according to their right as specified in the title bonds or contracts as the case might be. That those individual Indians (naming them) who had respectively an equity, to have title, should have said title made to them by the said Thomas and Johnston upon the payment of the purchase money still due from them; and the said Thomas or Johnston, as the case might be, should have a right, in default of such payment of the purchase money, to enforce the same by sale of their lands, respectively, according to law. Beyond this the records of this office do not show what lands are held in severalty.

The award found that the plaintiffs owed Thomas a balance toward the purchase money of the Qualla Boundary of \$18,250; that after the purchase of the said lands by Johnston under his executions against Thomas, Johnston obtained from certain of the plaintiffs on his contract of September 29, 1869, for the redemption of said lands by the Indians, the sum of \$6,500, which, with interest to the date of the award, amounted to \$8,486, it was awarded Johnston should apply, as a credit on his said judgments against Thomas, as money paid by the plaintiffs toward the balance above stated as due from them to Thomas, thus reducing said balance due Thomas to the sum of \$9,764.

In the suit at law on the bond of Terrell and his sureties, the award found: That Terrell was liable to the plaintiffs for the sum of \$2,697.89, being the sum of \$24.78 that Terrell paid over to Thomas, not in strict compliance with law—and interest thereon—and that that sum be deducted from the above balance of \$9,764, thus reducing it to the sum of \$7,066.11 (which sum, with interest, \$7,242.76, was paid April 3, 1875), and upon the payment of which, with 6 per cent. interest from the date of the award, to the defendant Johnston, and by him to be entered as a credit on his said judgments against Thomas; and that the plaintiffs should have a perfect equity to demand and have of him, the said Johnston, a conveyance of the legal title to all the lands embraced within their said Qualla Boundary, the same to be made to them or to some trustee

for them; and until such conveyance was made the said Johnston, so soon as said balance was paid him, should himself stand seized as a naked trustee of said lands to the use of said plaintiffs. The award further found: That to secure repose of title to the parties and to end litigation between them, that all accounts, claims, and demands between the plaintiffs as a tribe, and each and every member of the tribe, wherever residing in the State of North Carolina, and William H. Thomas and William Johnston, and either of them, were to be treated as concluded and adjusted between them, and in no way collectable and enforceable save and except as was thereinbefore provided in relation to contracts for sales of land, and save and except the matters of controversy between the members of the Raper family in regard to their reservation money.

It was further awarded: That all deeds to Thomas under which the said Indians claim, and all his deeds and written contracts of sale to them, or any of them, should be registered in the proper offices of the State; to that end awarded that all such deeds and contracts be delivered to W. W. Rollins, one of the plaintiffs' agents, for registration; and that the said Thomas be allowed 10 per cent. on all moneys said Indians may hereafter receive from lands sold for their benefit west of the Mississippi River, to be paid when the same was actually realized by the said Indians, and not otherwise; and that the costs in the suit at law having been disposed of, that all the other costs be taxed in the equity case and be paid one-half by the plaintiffs and the other half by the defendants, W. H. Thomas and William Johnston.

By the sundry civil appropriation act of June 23, 1874 (18 Stats., p. 213), the sum of \$15,000 was appropriated to defray the expenses of surveying the land of the Cherokee Indians of North Carolina recovered in the suit against William H. Thomas, and the survey was made by Mr. M. S. Temple of the outbounds of the Qualla Boundary and the various individual tracts therein, also such other separate and detached tracts of land outside of Qualla Boundary as could be identified by title-deeds or field-notes.

By the deficiency appropriation act of March 3, 1875 (18 Stats., p. 412), the sum of \$15,000 was appropriated to pay the costs adjudged against the Eastern Band of the Cherokee Indians in the suits at law and in equity between them and William H. Thomas and others, determined in the circuit court of the United States for the western district of North Carolina, and including compensation to special counsel and for other purposes, in pursuance of the act of Congress of July 15, 1870; and by the Indian appropriation act of March 3, 1875 (18 Stats., 447), it was enacted—

That the fund set apart in the Treasury of the United States by virtue of the fourth and fifth sections of the act of Congress entitled "An act making further appropriations for the current and contingent expenses of the Indian department and for fulfilling treaty stipulations with the various Indian tribes for the year ending June thirtieth, eighteen hundred and forty-nine, and for other purposes," approved July twenty-nine, eighteen hundred and forty-eight, shall be applied, under the direction of the Secretary of the Interior, for the use and benefit of the Eastern Band of Cherokee Indians, to perfect the titles to their lands recently awarded to them by a decree of the circuit court of the United States for the western district of North Carolina, to the payment of such costs, charges, expenses, and liabilities attending their recent litigations in the said court as the Secretary of the Interior may determine to be properly chargeable to them; to purchase and extinguish the titles of any white person or persons within the general boundaries allotted to them by the said decree of said court; and for the education, improvement, and civilization of the said Indians.

At the time of the award of Barringer, Dillard, and Ruffin, in the case of the Indians *vs.* William H. Thomas, it was agreed, September 11,

1874, by and between the said Thomas and William Johnston, to refer certain matters of dispute between themselves to the final arbitrament and award of these same arbitrators, who awarded: That there was due to William Johnston from William H. Thomas three judgments, as follows:

Judgment in Buncombe supreme court .....	\$13, 198 40	
Interest from October 15, 1858, on \$11,215.43, to September 14, 1874, 15 years and 11 months .....	10, 093 85	\$23, 292 25
Judgment in Buncombe superior court .....	7, 616 66	
Interest from June 10, 1867 .....	2, 175 00	9, 791 66
Balance of R. B. Johnston's judgment, \$417.31, and interest.....		803 20
Aggregate .....		33, 887 11
Subject to the following credits: \$6,500 paid to William Johnston by Cherokees under contract of September, 1869, with interest thereon to the date of the first award.....	8, 486 00	
Amount due from Eastern Cherokees, as per award.....	7, 066 11	15, 552 11
Balance.....		18, 335 00

And that amount, \$18,335.65, was awarded as the true amount of indebtedness of William H. Thomas to William Johnston, which he is entitled to collect with interest until paid, together with the court's costs taxed in the said three judgments. The award further found that said William Johnston held sheriffs' deeds of Jackson and other counties for various tracts of land sold as the property of said Thomas and not embraced in the lands held by him in trust for the Indians under executions issued on the three judgments hereinbefore described; that said lands were bought by the said Johnston at greatly less than their fair value, for reason of clouds on the title and forbiddals at the sales, and therefore the said several sheriffs' deeds should be held as a security merely for the balance aforesaid due on said judgments and the costs taxed or taxable on each; that James W. Terrell and Thomas D. Johnston should make sale of the lands mentioned in the said sheriffs' deeds other than those tracts awarded to belong to the Cherokee Indians, as a *tribe* or individually, or so much thereof as might be sufficient on the terms, viz, one-fourth cash, and the balance in one and two years, in equal installments, with interest from the day of sale, and out of the proceeds to pay and satisfy the said balance of \$18,335.65, with interest and costs, as aforesaid.

After the rendition of said award, Mr. Johnston offered to transfer and assign these judgments to the Eastern Band of Cherokee Indians or properly authorized trustees on their behalf.

On information furnished by James Taylor, May 26, 1875, urging enforcement of the foregoing act of Congress, and, in compliance with department instructions, this office made report June 2, 1875, stating that the best interests of the North Carolina Cherokees require that the proposition of Mr. Johnston to sell the Cherokees a judgment held by him against William H. Thomas, which was a lien upon numerous tracts of land within the Cheoah boundary, as well as other lands outside of that boundary, should be accepted. The interest of 46 Indian families were involved in these judgments, which, if not purchased, would be sold in satisfaction of said judgments. The original proposition of Mr. Johnston, for the sale of the judgments and a statement by J. W. Terrell, the delegate of the Eastern Cherokees, as well as a copy of the award of the arbitrators, were submitted to Hon. William Stickney at the

time of his appointment on the commission to inquire into the affairs of these Indians, and he confirmed the opinion that the judgments should be purchased.

The proposition of Mr. Johnston was to sell the judgments for the sum of \$18,335.65, with interest from October 25, 1874, and the cost of said judgment, \$72.55 = \$18,408.20. Mr. Terrell urged its acceptance, and Agent McCarthy favored the proposition, because by it the rights of all parties were clearly provided for, not only of the Indians, but also of Mr. Thomas.

On these facts recommendation was made by this office that authority be given Agent McCarthy to buy in behalf of the Eastern Cherokees the aforesaid judgments for the sum of \$18,408.20, and because said judgments were a lien upon the lands of these Indians. Secretary Delano, on the 3d June, 1875, authorized the purchase. Instructions in accordance therewith were issued June 5, 1875, to Agent McCarthy for the purchase of said judgments, and a requisition issued for the money on the same day.

Subsequently, on the 9th June, 1875, Secretary Delano modified his instructions of the 3d, then instant, respecting the purchase of said judgments, and directed that Agent McCarthy should consult Marcus Erwin, assistant district attorney for the western district of North Carolina, and not purchase the judgments unless Mr. Erwin should be of opinion that they were liens upon certain lands of the North Carolina Cherokees, and that the best interests of said Indians required their purchase; and further, that if Mr. Erwin should be of opinion that the interests of the Cherokees required the purchase of the judgments the concurrence of the commissioners, Stickney, Beard, and McCarthy, appointed to investigate certain matters pertaining to the North Carolina Indians, should also be obtained before purchase, unless the delay for such concurrence should be dangerous, when purchased, the judgments to be assigned to the Commissioner of Indian Affairs, in trust, and for the use of the Eastern Cherokees of North Carolina. These modified instructions were issued to Agent McCarthy on the 10th of June, 1875.

Under date of July 27, 1875, Agent McCarthy reported his purchase of the judgments, under instructions of June 5 and 10, 1875, from Thomas D. Johnston (who held power of attorney from William Johnston) for the sum of \$19,245.53, including \$18,335.65, amount of principal; \$72.55, costs taxed, \$18,408.20; with interest on \$18,355.65 from October 23, 1874, to July 27, 1875, 9 months and 4 days, \$837.33 = \$19,245.53. These judgments were assigned to the Commissioner of Indian Affairs, in trust, for the Eastern Band of Cherokee Indians in North Carolina.

On the 11th of November, 1875, E. C. Watkins, Indian inspector, was instructed to visit the North Carolina Cherokees and make careful inquiry in regard to the particulars connected with these judgments, the value of the property that was acquired under them, reporting all facts that would enable this office to have a full understanding in the premises and that would form a guide for action in the future. Under date of January 22, 1876, this office submitted to the Secretary of the Interior the report of Inspector Watkins, dated December 18, 1875, concurring in the views and conclusions expressed by him, especially in reference to the method of perfecting the title acquired to certain lands by the purchase of the judgments of William Johnston *vs.* William H. Thomas, believing that quitclaim deeds of all the lands for which Johnston held sheriffs' deeds should be taken from him in favor of Commissioner of Indian Affairs, as trustee for the Eastern Band of Cherokee Indians of North Carolina, in accordance with the assignments of said judgments.

Récommendation was made, as suggested by Inspector Watkins, that a suitable person be designated by the department to act in behalf of the Eastern Cherokees, under office instructions, in connection with J. W. Terrell and Thomas D. Johnston, named in the second award of the arbitrators as commissioners to resell the lands to satisfy said judgments; that said three persons appraise the lands occupied by Indians outside of the Qualla boundary, and conveyed to William Johnston by said sheriffs' deeds, together with such other lands covered by said deeds and contiguous thereto as might be necessary to satisfy said judgments, and that trust deeds be executed by said Commissioners Terrell and Johnston in favor of the Commissioner of Indian Affairs, and the judgments satisfied, if this could be legally done under the award. But should it be deemed advisable for Commissioners Terrell and Johnston to proceed to sell the lands, in technical compliance with the terms of the award, the person designated by the department could, in that case, buy the lands on behalf of said Indians to the extent of a full satisfaction of the judgments and receive deeds therefor in the name of the Commissioner of Indian Affairs as trustee for the Eastern Band of Cherokee Indians.

Under directions of the Secretary of the Interior this officer, on the 13th of March, 1876, instructed William Vandever, Indian inspector, to visit North Carolina with a view to perfecting the title to the lands occupied by the Eastern Cherokees, upon which the judgments, amounting to \$19,245.53, in favor of William Johnson, were liens, as it was then believed that the provisions of the acts of March 3, 1875, under which the purchase of the judgments was made, did not justify such purchase except as a measure or method to perfect titles in certain tracts of land bought from Thomas by individual Indians named in the award, and upon which partial payments were made by them to Thomas. To protect and perfect these titles General Vandever was instructed to ascertain (1) the cash value of the lands upon which the judgments in question were liens; (2) the quantity of such lands in each case included in the purchase made by individual Indians, and the actual value thereof; (3) the amounts paid by such individuals upon the tracts purchased; (4) whether there were not among such purchases cases where the improvements made were so trifling in amount as to render the completion of the purchase of the land undesirable; (5) and to furnish full information regarding the title to the lands in question, and particularly to any sales thereof that had been made by the local authorities of North Carolina for taxes.

On the 10th of April, 1876, Inspector Vandever made his report, which set forth that the second award made by the arbitrators was a private affair between Thomas and Johnston, and in no wise connected with first award; that notwithstanding the purchase of the judgments in favor of Johnston at the value estimated in said second award, viz, \$18,335.65 and interest, that Messrs. J. W. Terrell and Thomas D. Johnston, commissioners named in the second award to sell the lands, did proceed to sell and convey certain tracts of land which were affected by the purchased judgments; that the second award was placed in the hands of N. W. Woodfin, an attorney, by agreement between Messrs. Thomas and Johnston, and that the court was not asked to take any cognizance of it. After the death of Mr. Woodfin, at the November term, 1875, of the United States circuit court, a motion was made to have the said award admitted to record, which was ordered, when said Commissioners Johnston and Terrell filed a report of their proceedings, and the court confirmed their authority to act; that the lands were

thought to be ample to reimburse the money expended in the purchase of the judgments, and to satisfy all the claims of the Indians against Thomas, but there was doubt about the authority or the legality of the acts of these commissioners, and that they should be restrained from proceeding further with the disposition of these lands.

In view of these complications Inspector Vandever recommended the appointment of an agent or commission, with the consent of all the parties, whose duty it should be to appraise the lands held subject to these judgments, and to take so much of them as might be required to fulfill the stipulations of the award in favor of the Indians and to reimburse the amount paid for the judgments, after which the balance of the land, if any remained, should be released to Mr. Thomas.

At the same time Inspector Vandever submitted the proceedings of a special council of the Eastern Band of Cherokee Indians, held at the Cheoah Council Grounds, in Graham County, North Carolina, on the 13th and 27th days of March, 1876, where a proposition, dated Murphey, N. C., March 2, 1876, from James W. Terrell and Thomas D. Johnston, acting under powers of attorney from William H. Thomas and William Johnston, as well as commissioners under the award of Thomas and Johnston, was submitted to the Indians in council and by them accepted and adopted.

The proposition was as follows:

First. That the judgments shall be credited with the amounts now due on the notes of individual Indians for lands sold to them by said Thomas in said Cheoah boundary, and which said contracts were confirmed and adjudicated to be binding on the parties, as will appear by reference to the award in the case of Eastern Band of the Cherokee Indians *vs.* William H. Thomas et. al., on file in the aforesaid cause, and thereupon said notes to be cancelled and titles executed by us in pursuance of the authority vested in us by said award and powers of attorney in pursuance of said award.

Second. That we execute title in pursuance of said award and powers of attorney for all the balance of the unsold Thomas lands lying in said boundary whenever said judgments shall be credited with the amount of one dollar per acre for said lands, the number of acres to be ascertained by James W. Terrell, and such person as your honorable body may designate to act with him, and they to report the same to the Commissioner of Indian Affairs, together with a schedule containing a synopsis of the titles by which the said lands are held by William H. Thomas and such other information as they may deem advisable.

Third. That we pay C. A. Colvard the sum of \$1,200, due to said Colvard for lands contracted by him to said Eastern Band, upon which they have erected their school-house and other houses, the said amount (\$1,200) to be credited on said judgment; and if there then be a balance due on said judgment we will pay for the erection of the school-house the amount to be credited on the judgment.

Fourth. And if there should then remain a balance due on said judgment, we propose to secure for said Eastern Band, to the extent of said balance, the lands contracted by said Thomas to Andrew Colvard; and also lands contracted by said Thomas to John A. Hyde, and the lands contracted by said Thomas to Wesley Holland, providing said land can be procured by us from said parties at a price not exceeding the original contract price for the same, and provided that the aggregate amounts therefor do not exceed the balance due on said judgment, the said amount so paid to be also credited on said judgment. The conditions embraced in this fourth proposition to be carried into effect only as we can secure funds from the sales of other of the Thomas lands to make the purchases therein provided for.

Fifth. Should there then still be a balance due on said judgment, or should said Eastern Band of Cherokee Indians desire to purchase any other of the Thomas lands, at Quallatown or elsewhere, in lieu of those embraced in the fourth proposition, or otherwise, we propose to let them have the same at a fair valuation, to be agreed upon as may be deemed most advisable by the parties.

The proposition was indorsed as follows:

CHEOAH COUNCIL GROUND,  
Graham County, North Carolina, March, 1876.

*Be it resolved by the special council of the Eastern Band of the Cherokee Indians of North Carolina in special council assembled, and it is hereby resolved by the authority of the same,*

That we accept and agree to the foregoing proposition, and hereby authorize and request the Secretary of the Interior and Commissioner of Indian Affairs to consummate the same for us and in our behalf as therein provided for.

*Resolved, second.* That we hereby appoint Enola, or Black Fox, and James Taylor to act for us, in conjunction with James W. Terrell, to ascertain the number of acres of land to be purchased by us as provided in the second proposition, and to receive title-deeds to lands as therein provided.

Acting upon the suggestions embodied in the report of Inspector Vandever and the action taken by the Indians in their indorsement of the proposition of Messrs. Terrell and Johnston, the matter was laid before Congress and an act was passed entitled "An act to authorize the Commissioner of Indian Affairs to receive lands in payment of judgments to Eastern Band of Cherokee Indians," which was approved August 14, 1876 (19 Stats., p. 139), viz :

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the Commissioner of Indian Affairs be, and he is hereby, authorized and empowered to collect and receive, in payment of the amount due on certain judgments in favor of William Johnston and against William H. Thomas, now held by him in trust for the Eastern Band of Cherokee Indians of North Carolina, the lands mentioned and described in the award of Rufus Barringer, John H. Dillard, and Thomas Ruffin, as a board of arbitrators, under date of October twenty-third, eighteen hundred and seventy-four, upon which such judgments were a lien; such lands to be taken at their cash value, to be determined by an appraisal to be approved by the Secretary of the Interior, and conveyed to the Eastern Band of Cherokee Indians in fee simple: *Provided,* That if the lands above mentioned shall not be sufficient in value to pay off and discharge said judgment, the Commissioner is authorized to receive such other lands as the said Eastern Band of Indians may select, by and with the assent of the said Commissioner, to an amount sufficient to discharge the said judgment.

By a verbal agreement between the parties in interest, Marcus C. King and M. Fain, of Murphey, N. C., were appointed to act as the appraisers of the lands referred to, who, in case of their disagreement, were to appoint a third, the expenses of said appraisal to be paid by the parties to the agreement.

Under date of September 26, 1876, Inspector Watkins was instructed to proceed to North Carolina to consummate the transfers of the lands in accordance with the act above cited, and to take all necessary steps to have Messrs. King and Fain appraise, *first*, the lands mentioned in the award of Barringer, Dillard, and Ruffin; and if these lands should prove insufficient, to have them *then* appraise such other lands of the said Thomas, upon which the judgments were liens, as the Indians might select, to an amount sufficient to pay the judgments in full. He was further authorized and instructed that in case either or both of the above-named persons were unable to serve as appraisers, to appoint other discreet men, to be satisfactory to the parties to the agreement, and that prompt action might be had he was further instructed to present the matter before the council to be held at Cheoah on the first Monday in October, and see that proper persons were chosen to represent the Indians in making the selections of land; that upon the completion of the appraisal, formal deeds of conveyance from Thomas and Johnston to the Commissioner of Indian Affairs, in trust for the Eastern Band of Cherokee Indians, of all the lands to be received in satisfaction of the aforesaid judgments, should be secured; the lands to be correctly described in the deeds, and where lands not covered by the award herein mentioned were selected, equal care should be taken to secure clear titles thereto.

On the 16th of October, 1876, Inspector Watkins, under his instructions of September 26, 1876, reported having called a council of the Indians on the 3d of October, which elected a commission—C. H. Taylor and N. J. Smith—to select the lands in question with a view to their transfer, or so much thereof as would be required to satisfy the judg-

ments. The lands were selected, and were, with those named in the award of Barringer, Dillard, and Ruffin, then appraised by Messrs. King and Dill (Mr. Dill acting in place of Mr. Fain, who failed to appear), as follows:

Lands included in award, 4,450 acres, at \$1.90 .....		\$8,445 00
Lands selected by commission—		
In Graham County .....	6,809 acres.	
In Jackson County .....	700 acres.	
In Cherokee County .....	3,252½ acres.	
	<u>10,761½ acres.</u>	
At \$1.12½ .....		12,106 35
		<u>20,561 35</u>

which sum was the exact amount of the aforesaid judgments, including interest to the time of the appraisal, October 7, 1876. A deed of conveyance, dated October 9, 1876, was executed by William Johnston and wife, James W. Terrell, and Thomas D. Johnston (known as the Watkins deed), the parties in interest, for the aforesaid lands in favor of the Commissioner of Indian Affairs, in trust for the Eastern Band of Cherokee Indians, to be substituted by another deed, as was agreed between said parties, whenever a more definite description of said lands could be obtained by actual survey.

On the 21st of December, 1876, an estimate for the survey and establishment of the boundaries of the several tracts (some 60 in number), designated in the deed of October 9, 1876, was submitted to the Secretary of the Interior for \$4,000, a sum sufficient, it was thought, to complete all the work required to secure a definite description of the land to be incorporated in the deed to be executed in lieu of the aforesaid deed, with the recommendation that Congress be requested to make the appropriation. With the appropriations made by Congress (19 Stats., pp. 291 and 368), the surveys were made under the direction of the General Land Office, and a deed of conveyance, with definite description of the lands by metes and bounds, was prepared in this office, embracing all the lands known as the Qualla Boundary, in favor of the Eastern Band of North Carolina Cherokee Indians, instead of the Commissioner of Indian Affairs, in trust for said Indians, which was duly signed by William Johnson and L. M. Johnson, his wife (known as the "Brooks" deed).

In March, 1880, Mr. John A. Sibbald was appointed special agent to visit North Carolina, under instructions issued March 9, 1880, to perform sundry duties; among them, to obtain a new deed in lieu of the first-named deed of October 9, 1876, which was defective in that Messrs. Terrell and Johnston did not sign it in their dual capacity as commissioners to sell the lands, and as attorneys for William H. Thomas. He was also instructed to ascertain the exact location of each tract surveyed by Mr. Temple, and embraced in the (Watkins) deeds, to notify any one claiming these lands to present their claim of adverse title, so that Messrs. Johnston and Thomas might extinguish the title of those who held valid adverse claim, and to have the Johnston judgments properly assigned on the records of such offices as the United States district attorney should deem necessary.

Recommendation was made in a report to the Secretary of the Interior, May 12, 1880, that authority be given to appoint three commissioners, or as many as might be desirable, to select lands in lieu of those the title to which could not be cleared by Johnston and Terrell; and under instructions of June 22, 1880, the Cherokee council appointed as commissioners N. J. Smith, David Owl, and L. H. Smith, who selected, July 6, 1880, 5 tracts of land in Swain County, containing 4,270 acres;

2 tracts of land in Jackson County, 200 acres=4,470 acres; and the following selections were also submitted, should the foregoing not suffice to satisfy said judgments: Tracts 6, 9, 10, 11, 13, 41, and 44 in district No. 12, containing 509 acres, and one tract embracing the unsold balance of the Thomas 1,000-acre entry, amounting to 300 acres, and on July 28, 1880, David Owl and N. J. Smith, two members of said committee, added one parcel of land in Swain County, in the Cathcart survey, joining the tract of 800 acres heretofore selected, and joining the Qualla Boundary, containing 500 acres, or so much thereof as might be necessary to supply the deficit or loss in the Thomas 500-acre entry on the south side of Qualla Boundary.

Mr. Sibbald reported that there were 26 tracts embraced in the (Watkins) deed of 1876, which were claimed in whole or in part by whites, three tracts that could not be identified, and one tract, No. 91, in district 9, Graham County, being the fourteenth tract in said deed, was the land of Te-tal-kanah, named in the award, and the last or sixtieth tract in same deed; none of which tracts, however (except tract 91), were a part of the first award, but were lands selected by the Indians (C. H. Taylor, N. J. Smith) to satisfy the Johnston judgments. The title to seven of these tracts could possibly have been extinguished by Johnston and Terrell, but the remaining nineteen tracts were beyond their control. It was thought best to take other lands from the list selected by Commissioners Smith, Owl, and Smith, rather than to test the title to the lands claimed by the whites. Accordingly a third deed was executed August 14, 1880, by William Johnston, Lucinda M. Johnston, his wife, W. L. Hilliard, guardian of William H. Thomas, and James W. Terrell and Thomas D. Johnston, commissioners to sell the lands, and attorneys for William H. Thomas, in favor of the Commissioner of Indian Affairs, and his successors in office, as trustee for the Eastern Band of Cherokee Indians of North Carolina. This deed has been recorded in Swain, Jackson, Graham, and Cherokee Counties.

The following schedule shows the lands embraced in the (Watkins) deed of October 9, 1876, and the (Sibbald) deed of August 14, 1880, with description, location, areas, estimated in the 1876 deed, and as surveyed in the 1880 deed, with a reference to the page of field-notes of survey:

\* Less 75 acres duplicate in No. 37 and No. 55 Sibbald deed.

Respecting the lands taken under the award, Messrs. Barringer, Dillard, and Ruffin state that these parties had "contracts in writing for the purchase of lands, and are entitled to specific performance thereof whenever they shall make full payments of the purchase money," and they awarded "that they have, respectively, an equity to have title, and that the same be made to them by the said Thomas and Johnston upon the payment of the purchase money still due from them; and the said Thomas or Johnston, as the case may be, shall have a right, in default of such payment of the purchase money, to enforce the same by sale of their lands, respectively, according to law."

I am of the opinion that instead of the whole of these tracts being taken in payment of said judgments, only so much of each tract should have been taken as would have represented the balance due from each individual purchaser named in said award. The notes, &c., given by these individual Indians, showing balance due on their "contracts," are held by James W. Terrell, agent for the estate of William H. Thomas, upon whom demand was made therefor by Mr. Sibbald; which demand he promised to comply with when the proper entry of satisfaction, &c., had been authorized to be made upon the record of said judgments.

From these notes and accounts only can the amount paid by these Indians be discovered. As this case now stands, Messrs. Thomas or Johnston have evidently been paid twice for a portion of these lands; and if not too late, other lands should be secured to the Indians as a tribe, and these individual Indians should in equity and justice be secured in the title at least of so much of the land as they can show that they have paid for.

The judgments referred to were transferred or assigned to the Commissioner of Indian Affairs upon the record of the judgments in the Buncombe County superior court by William Johnston July 27, 1875, and Mr. Sibbald under date of May 18, 1880, stated that the United States district attorney advised him that it was not necessary to have the assignments registered in the counties where the Thomas lands are situated.

The judgment of R. B. Johnston, in the second award in the matter in controversy between Thomas and Johnston, in the circuit court of the United States for the western district of North Carolina, was awarded to be due William Johnston, and he assigned it with the others to the Commissioner of Indian Affairs. Mr. R. B. Johnston made a similar assignment on the 17th of May, 1880, upon the record of the judgment in the Buncombe County superior court.

In the suit instituted in the circuit court of the United States for the western district of North Carolina, the Eastern Band of Cherokees entered into contracts May 15, 1874, with W. W. Rollins to prosecute their claims, &c., for the recovery of moneys, lands, &c., due them, for 20 per cent. of such sum as might be recovered. On the 5th of August, 1874, Mr. Rollins assigned one-half of his interest in said contracts to Otis F. Presbury; both assignment and contracts were approved by the department August 25, 1874; under these contracts Messrs. Rollins and Presbury were paid \$5,200 on the 23d of September, 1875.

Mr. W. W. Rollins thereafter instituted a suit in the superior court of Madison County, North Carolina, against these Indians for the recovery of \$50,000 alleged to be due him for services rendered said band, under contracts of May 15, 1874. On the 7th of December, 1876, Secretary Chandler, replying to a notice from Loyd R. Welch that he had employed Messrs. A. T. and T. F. Davidson to defend said suit, subject to the approval of the department, stated that while he had "no objection to the employment of the attorneys, it must be distinctly understood

that the department cannot become responsible for the payment of their fees, as there are no funds which can be used for that purpose. The attorneys employed must look to the parties employing them for payment."

Under date of February 17, 1877, Messrs. Davidson were authorized, in addition to the authority heretofore granted, to appear in said case as attorneys for the defendants, upon condition that their fees for such service should be contingent upon future Congressional action authorizing their payment. On the 14th of April, 1877, Messrs. Davidson were advised of the appointment of Hon. Halbert E. Paine, of Washington, as an attorney to assist them in the defense of the aforesaid suit instituted by Messrs. Rollins and Presbury. For the services rendered Mr. Paine was paid May 17, 1877, \$419.25. Under authority of act of March 3, 1875 (18 Stats., p. 291), Messrs. Davidson were paid February 23, 1878, \$250, May 24, 1879, \$250, and January 11, 1881, \$500, authorized under the same act.

On the 3d of July, 1875, W. C. McCarthy, special United States Indian agent, was authorized to expend from funds in his hands the necessary sum in payment of expenses incurred in searching records or any other personal labor performed by Marcus Erwin, provided Mr. Erwin was of the opinion that such search was necessary to ascertain whether the Johnston judgments were a lien on Cherokee lands in North Carolina and the interests of the Indians required its purchase. Mr. Erwin reported that from the investigations then made he was satisfied of the justness of the claim of the Indians, and under the authority herein cited submitted a claim for \$300, which was disapproved by Secretary Chandler December 22, 1875, for the reason that the Cherokee funds were not applicable to the payment of such a claim, whereupon Mr. Erwin served notice of a suit against Agent McCarthy for the payment of his fee of \$300 for professional services rendered "as attorney in examining the papers in the purchase of a judgment on William H. Thomas in behalf of the North Carolina Cherokees." This sum was finally paid Mr. Erwin April 3, 1877, as provided by act of 1877 (1-Stats., 291).

There are several claims against these Indians now pending before the department for services rendered in the defense of the Indians in the case of Polly Tatham, administratrix of Thomas C. Tatham, *vs.* The North Carolina Cherokees. This claim, now a judgment, grew out of an old claim for services alleged to have been rendered in 1842 by Mr. Tatham, in surveying pre-emption rights of Eastern Cherokees in North Carolina under the Cherokee treaty of December 29, 1835. The administratrix proceeding to enforce payment of said judgment by sale of a portion of the lands of the Indians, this office requested Judge James L. Henry, of Asheville, North Carolina, to interpose in behalf of these Indians, and to endeavor to stop the threatened sale, for which service Congress would be asked to make the necessary appropriation therefor, inasmuch as there were no funds belonging to the Indians applicable for that purpose.

A similar request was made of William B. Ferguson, under date of June 13, 1881, to attend to this case in the event of the inability of Judge Henry to appear in their behalf. This office is in receipt of Judge Henry's claim for \$250 for services rendered in this behalf, which will be presented in due time for the consideration of Congress.

Touching the present condition of the Eastern Band of the Cherokee Indians residing in North Carolina, the latest official information in the

OKYUOIMY TIRKUSA

possession of this office is that of Special Agent John A. Sibbald, who reported under date of August 16, 1880, as follows:

The principal Indian settlement is in Qualla Reserve, in Swain and Jackson Counties. The number living in these two counties in 1870, according to the census of that year, was 711; in Graham County, 293; in Cherokee County, 190; and in Macon County, 39. According to the census returns for the present year, the number of Indians in the Qualla Reserve is 825; in Cherokee County, 83; in Graham County, 189; and in Macon County, 12; total, 1,109; which shows a decrease of 10 per cent. in ten years. This number is divided as follows, viz: males over fifteen years of age, 314; females over fifteen, 357; and 438 children of both sexes, under the age of fifteen years.

The Indians do not live in towns or villages; they live along the streams and cultivate the valleys and rich coves, the last producing corn, their principal crop, without much labor. Some of the best farming lands in Swain and Jackson Counties belong to and are cultivated by Indians. A few of the Indians have valuable farms. In passing through the country, I could not mark any difference between the fields of the Indians and those belonging to the white people; all under fence and in fine condition.

There are but few white men living inside of the Qualla Boundary, but in Graham, Cherokee, and Macon Counties the Indians live among the whites, and are fairly treated. Their dwelling-houses are the common log-cabins of the mountain country. With a few exceptions, all are very plainly clad. They appear kind-hearted and intelligent, but have made little or no progress of late years in educational matters or in agriculture. Their agricultural implements are generally of the rudest kind. They compare favorably in many respects with the white people around them. I have made careful inquiries as to their moral condition and received a favorable report. Prostitution seems to be almost unknown among them, though it is said that occasionally a man and wife separate without the formalities of the law and seek other partners. They are religious, and have preachers of their own race and a white missionary among them in the reserve; all their council meetings are opened with prayer. They command my sincere respect in many things and at the same time excite my sympathy. They have suffered much from the whites. It would be better for them if they could be induced to join their brethren in the Indian Territory, but their wonderful attachments for their native mountains in this State will keep them here. The majority of the band cling to their native language, and many are able to read and write the Cherokee. Many understand more of the English language than they will admit. Some of the Indians have intermarried with the white people of the country, and a number read and write the English language very well. All appear anxious to educate their children, but prefer to have schools established at home so all the children may attend instead of sending a few away. I have recommended that schools be established among them, but in my opinion better results will be reached by sending a number of children away from home to schools each year, to be prepared for teachers, &c. The habits formed at such schools will be of very great advantage to them as well as to other members of the band. The have made no material progress in the pursuits which would tend to improve their condition, but much cannot be expected of them when we consider many of their surroundings and few opportunities for improvement. \* \* \*

Judge J. L. Henry, in a communication to this office, dated Charleston, Swain County, North Carolina, June 29, 1881, reported:

1. This is the locality of the greatest number of Indians, the residence of their chief, town-house, &c. It is gratifying to note, from inquiry among the whites who live near and among them, that they are working better than ever before this season, with better prospects of crops, and less crime and intemperance, and that they seem to be encouraged to strive for improvement in social and economic things.

N. J. Smith, principal chief of the Eastern Band of Cherokees, under date of June 20, 1881, reported as follows respecting the last subject of the resolution, namely, white settlers and the steps necessary to be taken to protect the Indians in their rights:

I regard it as a duty to inform you of the condition of affairs in the tribe. Since the conveyance of the Thomas lands to the Commissioner of Indian Affairs in trust for this tribe, numerous trespasses have taken place, and are constantly occurring and increasing.

A class of unscrupulous whites, who seem to regard the Indian lands as common property, make entries, take out grants, and frighten the Indians living on the particular locality until they get into possession, thus instituting confusion and incurring heavy costs, which the Indians are unable to pay. This course is pursued because, in fact, we have no legal adviser nor lawyer to assist and maintain our rights before the

courts, and thus deter these unscrupulous men from their trespasses and depredations. \* \* \*

We cannot longer do without the regular employment of council, these depredations are so constantly on the increase. \* \* \*

I herewith give you the names of the trespassers who have taken out grants (or other fraudulent or pretended conveyance) and have entered on the lands held under the Thomas deed and taken possession, viz: W. P. Hyde has made several entries (ten or twelve or more), Bartlett Dills, I. M. Hensley, M. C. Hensley, T. W. Keener, Mrs. Keener, Albert S. Keener, H. P. Childers, Arminda Willson, Nimrod Childers, W. R. Grant, David Johnson, Washington Gibson, Landon Tomkins, Thomas Mills, Christenberry Howell, all of Swain County; also, C. C. Martin and W. C. Martin, of Jackson County. There are others who have made entries, but not taken possession, and we still hold them off. These embrace the trespassers in these two counties. \* \* \* I hear there are probably others in the extreme ends of the survey. There are others also in Graham and Cherokee Counties. \* \* \*

We desire, and I am instructed to ask, that you take immediate steps to employ competent counsel to aid us in recovering the possession where we have been already dispossessed and to aid us in future controversies of this character.

Under date of July 22, 1881, Chief Smith reported the following additional trespassers in Swain County, viz: I. B. Keener, A. Keener, John M. Enloe, J. R. Kinsey, N. R. Kinsey, T. C. Childers, William H. Thomas, jr., Jackson Williams, Wm. Cline, N. O. Rabb, Gus Bradley, and Dewit Ghomley.

I am informed that the State, since the award and decree, has issued grants or patents for lands within the Qualla Boundary which were entered by Thomas and others many years ago; that under the land laws of North Carolina, "any citizen can obtain a State grant or patent for any land in the State regardless of the fact that the State may have parted with its title to the same to another party." Under this law any one, by paying 12½ cents per acre for it, can obtain a grant or patent from the State for any tract of land, though it may have been sold and patented fifty years before, but the title to the tract must be determined in the courts, and the only course left the Indians, in respect to these intrusions upon their lands by white settlers, is to bring suits against them in the courts, which must be done within seven years from the date of their grant or entry upon the land.

In view of the condition of these Indians and their property, it is respectfully suggested whether it would not be advisable for Congress to pass an act placing the person and property of these people under the jurisdiction of the United States district court for the western district of North Carolina.

As a precedent, attention is invited to the eleventh section of the act of July 15, 1870. (16 Stats., page 362.)

To institute suits, however, involves the outlay of money, and these Indians, though they have funds, cannot avail themselves of them to protect and defend their interests, because Congress has so legislated that their moneys now can be used only for the purchase of agricultural implements and for educational purposes. See act of August 15, 1876 (19 Stats., p. 197). The attention of Congress is invited to this as well as to the need of some one duly authorized to supervise, protect, and defend their interests so that intruders (present or future) may be removed and not permitted to return, or allow others to take their place.

I have the honor to submit herewith the following papers:

(1.) A statement "United States in account with Eastern Band of Cherokees," showing the several amounts held in trust (they have no bonds) for the North Carolina Cherokees, and the disbursement of the same, showing a balance due said Indians March 6, 1882, of \$39,015.41.

(2.) An itemized statement showing the disbursements made by W.

C. McCarthy, special agent, the purpose for which the same was expended, and the authority of law for the payment of each item.

(3.) Copy of contract of Wallace W. Rollins with the chief of the Eastern Band of Cherokees, dated May 15, 1874.

(4.) Copy of contract of Wallace W. Rollins with the principal chief and headmen of the Eastern Band of the Cherokees remaining in North Carolina, dated May 15, 1874.

(5.) Copy of the award of Barringer, Dillard, and Ruffin, dated October 23, 1874.

(6.) Copy of the deed of October 9, 1876, known as the "Watkins" deed, conveying to the Commissioner of Indian Affairs in trust for these Indians 15,211 acres of land taken in lieu of judgments.

(7.) Copy of the deed of October 9, 1876, known as "Brooks" deed, conveying Qualla Boundary to the Eastern Band of Cherokee Indians in North Carolina.

(8.) Copy of the deed of August 14, 1880, known as "Sibbald" deed, conveying 15,211 acres of land to the Commissioner of Indian Affairs, and his successors in office, as trustee for the Eastern Band of Cherokee Indians of North Carolina.

(9.) Copy of the plat of survey of the Qualla Boundary.

(10.) Copy of the plat of survey of lands in Cherokee County, North Carolina, surveyed by M. S. Temple.

(11.) Copy of the plat of survey of lands in Graham County, North Carolina.

Very respectfully, your obedient servant,

H. PRICE,  
*Commissioner.*

The Hon. the SECRETARY OF THE INTERIOR.

## INCLOSURE 3.

*Contract of Wallace W. Rollins with the chief of the Eastern Band of Cherokees.*

Whereas by a resolution of the council of the Eastern Band of the Cherokees in general council assembled and constituted according to the instructions and regulations of the Interior Department, at a session held at Cheva, in the county of Graham, formerly Cherokee County, in the State of North Carolina, on the first Monday in October, A. D. 1872, it was determined to employ some discreet and trusty person to prosecute the various claims of the tribe against the Government of the United States at Washington City, or elsewhere, arising under different treaties and laws of the United States and the State of North Carolina from the year 1783 down to the present time, and the chief, John Ross, of the county of Graham, formerly Cherokee County, in the State of North Carolina, was at the same time and by the same authority instructed to make a contract with a competent person to carry out the intention and purpose of the said council as above mentioned; and

Whereas since the first Monday in October, A. D. 1872, various suits at law and in equity have been begun by the district attorney of the United States at the request of the said John Ross, chief, in the name and for the benefit of the said Eastern Band of Cherokees, against divers defendants, which suits are depending in the circuit and district courts of the United States, and other suits will have to be brought in said courts and the courts of North Carolina to establish the rights and redress the wrongs of the said Eastern Band of the Cherokees, and the proper conduct and management of all this litigation, pending and proposed, will require the services of an active and efficient agent, and the said chief, John Ross, for and in behalf of the Eastern Band of the Cherokees, and by virtue of his authority as chief of said band, having selected Wallace W. Rollins, attorney at law, of the town of Marshall, in the county of Madison and State of North Carolina, as a person suitable to be intrusted with the conduct and management of all their business with the Government of the United States, and such as is or may hereafter be in litigation in any of the above-mentioned courts or in any other court or before any tribunal of arbitration or reference now or hereafter to be constituted:

Now, therefore, it is agreed between the said John Ross, chief of the Eastern Band of the Cherokees, for and in behalf of said Eastern Band and by virtue of his said authority as chief, as aforesaid, and Wallace W. Rollins, of the town of Marshall, in the county of Madison, in the State of North Carolina, as follows: That the following things shall be endeavored to be done by the said Wallace W. Rollins, viz:

1. To assert and establish before any proper officer or authority of the United States, and to collect for the Eastern Band of Cherokees, or those of said band thereunto entitled, all such sums of money as may be due to the said Eastern Band of the Cherokees, or to any individual or individuals thereof, and due to them, or any of them, under the provisions of the twelfth section of the treaty of 1835 and 1836, and of an act of Congress approved July 29, 1848, and of subsequent acts of Congress, to carry into effect the provisions of said treaty, and of said act of 1848.

2. To assert and establish before any proper officer, or authority of the United States, and to collect for the Eastern Band of the Cherokees all such sums of money as they may be entitled to from the United States, being their pro rata share of a fund derived from the sale of the lands known as the neutral lands, the Cherokee strip in the State of Kansas, and all the lands west of longitude 96°, as provided for by virtue of the treaty of July 19, 1866.

3. To assert, prosecute, establish, and collect all the demands of the Eastern Band of the Cherokees, or any individual of said band, against the United States on account of their claims known as reservation, pre-emption, and spoliation claims, arising and due under and by virtue of the treaties of 1835-'36, and 1846, which are now unadjusted.

4. To prosecute, assert, establish, and collect for the Eastern Band of the Cherokees before and from the Congress of the United States, or from any other authority of the United States, whatever the said Eastern Band of the Cherokees may be entitled to from the United States on account of the misappropriation, unauthorized, extravagant, or unnecessary expenditure of any portion of a fund of five millions of dollars (\$5,000,000) designated and set apart, as well for the use of the Eastern Band of the Cherokees as for those of that nation who removed West, by virtue of the first section of the treaty of 1835, which claim is unadjusted.

5. To assert, prosecute, and collect for the Eastern Band of the Cherokees so much of an appropriation as they may be entitled to, authorized by the provisions of the fourth section of an act of Congress, entitled "An act making appropriation for the current and contingent expenses of the Indian Department, and for fulfilling treaty stipulations with various Indian tribes," &c., approved May 29, 1872.

6. To prosecute and attend to personally, and by such attorney or attorneys as he may employ (and whom he is hereby authorized to employ), all suits now pending in

the courts of the United States in behalf of the Eastern Band of the Cherokees against any person or persons whatsoever, and such other suits as it may be necessary hereafter to institute in any court of the United States, or of the State of North Carolina, or of any other State or Territory, or before any tribunal of arbitration or reference, to establish any right, or redress any wrong or injury done to the said Eastern Band of the Cherokees, or to any individual thereof.

The said Wallace W. Rollins covenants and agrees with the said the Eastern Band of the Cherokees faithfully and diligently to attend to the prosecution and collection of all the different claims hereinbefore set forth and specified; and to the suits at law or in equity now pending, and above mentioned, or to any others which may hereafter arise; and as a compensation for his services in behalf of the said Eastern Band of the Cherokees in the matters and things hereinbefore specified [the said chief, John Ross, for and in behalf of the Eastern Band of the Cherokees, agrees to pay the said Wallace W. Rollins 20 per cent. of such amounts as he may collect for or establish to be due to the said Eastern Band of the Cherokees on account of any one or all of the claims hereinbefore mentioned, and at the same rate out of such amounts of money or property as may be recovered in the said above-mentioned suits at law or in equity now pending, or which may hereafter be instituted]. It is further agreed that upon any compromise of any of the claims of the said Eastern Band of the Cherokees, hereinbefore mentioned, which the said Wallace W. Rollins, or any one employed by him in this behalf as counsel, may bring about or upon any decision or award made by any referees or arbitrators to whom the matter now in dispute between the said Eastern Band of the Cherokees and the said above-mentioned defendants in the said suits now pending in the United States courts, that upon whatever sum or sums of money may thus be agreed upon, or adjudged to be due or owing to the said Eastern Band of the Cherokees, the same rate of compensation as above mentioned shall be paid to the said Wallace W. Rollins; and if the compromise or award shall be of real, or other property, then the compensation shall be at the same rate upon the valuation of the said property.

This contract shall continue for four years from the date of its signature by the said chief, John Ross, and the said Wallace W. Rollins; and the said John Ross, for the said Eastern Band of the Cherokees, hereby revokes all and every authority which may be claimed or set up by any other person or persons, except the said Wallace W. Rollins, upon any pretense whatever to represent the said Eastern Band of Cherokees in the business specified in this contract.

INCLOSURE 4.

*Contract of Wallace W. Rollins with the principal chiefs and headmen of the Eastern Band of the Cherokees remaining in North Carolina.*

It is agreed between the principal chiefs and headmen of the Eastern Band of the Cherokees remaining in North Carolina, and Wallace W. Rollins, residing in Marshall, in the county of Madison, in the State of North Carolina, as follows:

Whereas it is to the interest of the undersigned, as well as to every individual of their tribe, that an early and satisfactory settlement of all their claims as a tribe, or

as individuals against the United States, the State of North Carolina, their former agents and their sureties, and the administrators on the estates of any of their people heretofore deceased, and the securities of such administrators should be made; and

Whereas suits are now pending in the United States courts for the western district of North Carolina, and others will probably have to be brought in those courts, or the courts of the State of North Carolina, effectually to enforce the rights, and redress the wrongs of the undersigned and their tribe against certain citizens of North Carolina, and of other States, and it will be necessary that the undersigned chiefs, &c., or some duly accredited agent for us, should from time to time be present at the city of Washington to prosecute our claims before the proper departments of the government there or before Congress, and having selected W. W. Rollins as such agent, the things to be done by the said Wallace W. Rollins, for and in behalf of the said the undersigned chiefs and headmen are as follows:

First. To assert and establish before any proper officer or authority of the United States, and to collect for the undersigned and their tribe, such sums of money as they or any of them may be in any wise entitled to from the United States under the provisions of the twelfth section of the treaty of 1835-'36, and of an act of Congress, approved July 29, 1848, and of subsequent acts of Congress to carry into effect the provisions of said treaty and of said act of 1848.

Second. To assert and establish before any proper officer or authority of the United States, and to collect for the undersigned and their tribe all such sums of money as they or any of them may be entitled to from the United States, being their pro rata share of a fund derived from the sale of the lands known as the "neutral lands," the Cherokee strip in the State of Kansas, and all the lands west of longitude 96°, as provided for by virtue of the treaty of July 19, 1866.

Third. To assert, prosecute, establish, and collect all the demands of the undersigned, or any individual of their tribe, against the United States on account of their claims, known as reservation, pre-emption, and spoliation claims, arising and due under and by virtue of the treaties of 1835-'36 and 1846, which are now unadjusted.

Fourth. To prosecute, assert, establish, and collect for the undersigned and the other individuals and their tribe, from the Congress of the United States, or from any other authority of the United States whatever, the said tribe may be entitled to from the United States on account of the misappropriation, unauthorized, extravagant, or unnecessary expenditure of any portion of a fund of \$5,000,000 designated and set apart as well for the use of the Eastern Band of the Cherokees as for those of that nation who removed West by virtue of the first section of the treaty of 1835, which claim is unadjusted.

Fifth. To assert, prosecute, and collect for the undersigned and their tribe so much of an appropriation as they may be entitled to, authorized by the provisions of the fourth section of an act of Congress, entitled "An act making appropriations for the current and contingent expenses of the Indian Department, and for fulfilling treaty stipulations with various Indian tribes," &c., approved May 29, 1872.

Sixth. To prosecute and attend to personally, and by such attorney or attorneys as he may employ (and whom he is hereby authorized to employ), all suits now pending in the courts of the United States in behalf of the Eastern Band of the Cherokees against any person or persons whatsoever, and such other suits as it may be necessary hereafter to institute in any court of the United States, or of the State of North Carolina, or of any other State or Territory, to establish any right or redress any wrong or injury done to the undersigned chiefs or headmen, their tribe, or any of their tribe.

The said Wallace W. Rollins covenants and agrees with the said the undersigned principal chiefs and headmen of the Eastern Band of the Cherokees faithfully and diligently to attend to the prosecution and collection of all the different claims hereinbefore set forth and specified, and to the suits at law or in equity now pending and above mentioned, and to any others which may hereafter arise [and as a compensation for his services in behalf of the undersigned principal chiefs and headmen, as aforesaid, and in behalf of the tribe of the Eastern Band of the Cherokees, whom they represent, the undersigned agree to pay the said Wallace W. Rollins not to exceed 20 per cent., to be allowed by the Commissioner of Indian Affairs, out of such amounts as he may collect for, or establish to be due to, the Eastern Band of Cherokees, on account of any one or all of the claims hereinbefore mentioned, and at the same rate out of the amounts of money or property as may be recovered in the said above-mentioned suits at law, or in equity, now pending or which may be hereafter instituted]. It is further agreed, that upon any compromise of any of the claims of the said Eastern Band of the Cherokees hereinbefore mentioned, which the said Wallace W. Rollins, or any one employed by him in this behalf as council, may bring about, or upon any decision or award made by any referees or arbitrators to whom the matters now in dispute between the said Eastern Band of Cherokees and the said above-mentioned defendants in the said suits now pending in the United States courts, that upon whatever sum or sums may thus be agreed upon, or adjudged to be due or owing to the said Eastern Band of the Cherokees the same rates of compensation as above men-

tioned, shall be paid to the said Wallace W. Rollins, and if the compromise or award shall be of real or other property, then the compensation shall be at the same rate upon the valuation of the said property.

This contract shall continue for four years from the date of its signature of the undersigned the principal chiefs and headmen of the Eastern Band of the Cherokees and Wallace W. Rollins; and the said chiefs and headmen, for themselves and the tribe which they represent, hereby revoke all and every other authority which may be claimed or set up by any other person or persons upon any pretense whatever to represent them in the business contemplated and set forth in this contract. INCLOSURE 5.

AWARD OF BARRINGER, DILLARD, AND RUFFIN.

STATESVILLE, *October 24, 1874.*

SIR: In submitting the accompanying award in the cause of the Eastern Band of Cherokee Indians against Thomas and others, and Terrell and others, the arbitrators deem it proper to state briefly to your honor the labors and difficulties involved in the investigation. This will enable your honor, and the parties interested, the better to appreciate the results we have reached, both with a view to the compensation to be allowed to those conducting and making the investigation and the indulgence with which the award will be received and accepted.

The commission began its duties on the 7th of August last. Our first sitting was at Asheville, and lasted one week. To accommodate parties and witnesses, and to see for ourselves the condition of affairs among those people, we adjourned on the 15th of August to the Indian settlement at Qualla, sixty-five miles west of Asheville. There we found serious obstacles to a fair and speedy investigation of the peculiar matters referred to us, and we accordingly returned, after a few days, to Waynesville, an intermediate point. At this place we sat some three weeks, working often night and day. We then returned to Asheville, and finally to Greensborough and Statesville. At this last place we concluded our work on the 23d of October, instant.

In the course of our investigations we have sworn and examined nearly one hundred and fifty witnesses, most of them Indians, speaking only Cherokee. We have taken, read, examined, and considered many hundreds of pages of oral, written, and record testimony. The amounts involved embraced hundreds of thousands of dollars received, disbursed, and invested; the accounts and transactions extending through a period of nearly forty years, and often including the minutest details of innumerable small debts with 1,500 Indians through all that time. We were also required to assort, scrutinize,

and decide upon the title-papers to a large number of individual land-claims, and fix the location, settlement, and boundary of two immense bodies of disputed claims, each numbering thousands of acres. All this had to be done in the midst of that confusion and chaos necessarily caused by the peculiar condition and doubtful legal status of these people through near a century of mixed tribal and civilized life. To increase our difficulties and responsibilities, the facts on which we had to decide could only be reached through witnesses of partisan bias, often extremely ignorant, and speaking only through an interpreter.

Under such circumstances as these it could hardly be expected that the rights and interests of the parties involved could be very readily or satisfactorily ascertained or settled; yet we trust and believe we have done substantial justice, and at the same time so marked, defined, and secured the rights of the several parties litigant, as to bring repose and confidence to all concerned, and greatly quicken individual energy and enterprise among both whites and Indians.

We feel sure that for the first time in their history these Cherokees will stand in clear legal right as to their homes and possessions, and that they will now go to work with renewed hope and quickened energy in cultivating and improving the large and valuable claim of over 50,000 acres henceforth undoubtedly theirs, not to include numerous individual titles also adjudged them.

So, too, the government will, for the future, find it a comparatively easy task and grateful duty to superintend this interesting people and protect them in their new condition, and more readily indicate and carry out such policy as it may regard necessary and proper to their progress in the arts of civilized life.

In conclusion, we gladly recommend that proper allowances be made to Deputy Marshal Davis, and his bailiffs, Erwin and Smith, for their services in attending the commission, and in executing process: also to E. R. Hampton, a former referee in the equity suit, for numerous depositions taken by him and used by us.

Respectfully submitted.

--	---	--

Whereas at the May term, 1874, of said circuit court of the United States held at Asheville, before his honor R. P. Dick, judge, the parties to the above two causes entered into an agreement, in writing, to submit all matters of dispute and controversy between them, as specified and set forth in their said written agreement, to Rufus Barringer, John H. Dillard, and Thomas Ruffin, their award to be final and a rule of court, and said submission to go into effect upon the approval thereof by the said Hon. R. P. Dick, judge of said court, the Secretary of the Interior, the Commissioner of Indian Affairs, and the Department of Justice at Washington City; and whereas their said submission was approved by the said judge of the court and the said several officers at Washington City, as appears from their several indorsements on the said written submission, a copy of which is hereto attached, and to be referred to as a part of this award; and whereas, by virtue of said submission, the reference to the said arbitrators was to be deemed operative and fully authorized as soon as approved as aforesaid:

Now, therefore, we, the undersigned, Rufus Barringer, John H. Dillard, and Thomas Ruffin, having taken upon ourselves the burden of the reference aforesaid, and having heard and duly considered and weighed the several allegations of the said parties, the pleadings in the said two suits, and all the proofs, vouchers, and documents which have been given in evidence before us, and having heard the arguments and suggestions of counsel, do hereby make and publish this our award, in writing, of and concerning all and every the several matters as above referred to us, in the manner following; that is to say:

1. That William H. Thomas became and was the agent of the Eastern Band of the Cherokee Indians living in North Carolina, who are the plaintiffs in the above two causes, after the removal of their brethren west in the year 1838, and as such undertook to purchase, and did purchase, for them land, the amount, location, and boundary whereof will hereinafter be fully described, to be paid for with money or moneys coming to them from the United States under treaties with and the laws of the said United States.

2. That the said William H. Thomas, in pursuance of his said agency and trust reposed in him, did from time to time, and from various persons, purchase lands for the plaintiffs as a tribe and community, and settlement thereon, and carved up the same into towns, which said purchases are included in and make a large tract, situated on Soco Creek and Oona Lufta River and their tributaries, known as the Qualla Boundary, and bounded as follows, to-wit: Beginning at a stump near the spring on Jackson County line at the head of Jonathan's Creek, where the Soco road crosses the mountain; thence in a northerly direction with the said county-line to the ridge which divides the waters of the Ravin's Fork from Bradley or west fork of Oona Lufta River;

thence with the watershed of that ridge to the line of Widow Hugh's; thence eastwardly with her line, crossing Ravin's Fork; thence down, and with her lines and the lines of Wesley M. Enloe, to the Ocona Lufta River; thence down with the meanders of said river to the southern boundary of Samuel Monteith; thence across said river and with said Monteith's line to his southwest corner; thence with the lines of an entry made by W. H. Thomas and other lines of said Thomas, keeping on his outside lines to the dividing-ridge between the waters of Adam's Creek and Newton's Mill Creek, so running said line as to include all Indians living on the headwaters of said Adam's Creek; thence in a southerly direction, keeping on the watershed of said ridge to the line of Sim Sherrell; thence with his line to Ocona Lufta River, the last two lines being run so as to include all the Indian settlements on the east side of Newton's Mill Creek; thence with and across the said Ocona Lufta River to the upper boundary of J. M. Bird; thence with this line to the corner of the first tract of what is known as the State surveys above the said Bird; thence up said river with the lines of said State surveys so as to include one tier of old surveyed tracts bordering on said river, and striking said river below Ute Sherrell's, excluding the tract now occupied by J. A. Gibbs, and also some entries known as Thomas's entries; thence up and with the meanders of said river to a tract of land occupied by an Indian named Ah-ma-chama; thence with the line of that tract, and including the same, to the old line of Scroop Enloe, or near it, but so as to exclude the tract now occupied by Mason Reckley; thence with the line of the tract so occupied by Reckley, crossing the Soco Creek below his house, to the old line of said Scroop Enloe; thence with Enloe's line to the line of Thomas's mill-tract: thence with the line of said mill-tract and with the line of an entry known as Thomas's five-hundred-acre entry, and leaving the same outside, to the line of J. B. Sherrell; thence with his line to the line of a tract conveyed to Flying Squirrel by J. W. King; thence with the line of that tract, and so run as to include it, to the line of the Thompson Carter tract; thence with that tract, and so run as to include it, to the top of the ridge which makes the watershed between Soco Creek and Shoal Creek; thence with the said watershed to the south corner of the Cathcart survey; thence with the line of that survey to the beginning, at the head of Jonathan's Creek.

3. That within the said Qualla Boundary so as aforesaid purchased for the tribe as a community, the said Thomas, at divers times, sold and conveyed by deed several tracts of land to the following individual Indians, to wit: To Enola (or Black Fox), 40 acres; to Oue-tah, 33 acres; to Standing Wolf and children, 286 acres; to Catalaska, three tracts, making together 110 acres; to Charlie Hornbuckle's heirs, 100 acres; to Sa-lo-lu-netah (or Young Squirrel), 53 acres; to Nellie Johnson, 200 acres; and to Jinney Reed, 200 acres, and received from them, respectively, the purchase-money; the locations and boundaries of which said tracts fully appear from the accompanying deeds to the said parties from said Thomas; and also that the said Thomas, at divers times, contracted in writing to sell several other tracts within said Qualla Boundary to the following individual Indians, to wit: To Chu-lo-gu-lah (or Cloud), 50 acres; Wilson Oocummuh, two tracts, one of 20 acres and the other known as the Caynatago tract; the heirs of Jeff. Hornbuckle, 200 acres; to Sawnooka, the lands surveyed by Dills, being a part of the Holland's old field; to Ben Quain, 50 acres, where he lives; to the heirs of Long Blanket, the place where they live; to the heirs of Little Witch, the place where they live; to Wilson Wolf, the mill-tract purchased of Abraham Mingus; to Ta-a-kah, the tract known as the Thompson place; to Wilson Reed, 125 acres, surveyed to him by Terrell; to Standing Water, the place where he now lives; to Ta-ya-hah, apart of the Holland's old field; to Tah-gul-se-nah, the place now occupied by him; and received from them, respectively, in whole or in part, the purchase-money, the location of which said tracts, so contracted to be sold, will appear by the several accompanying titles, bonds, and other memoranda from said Thomas to said Indians. We do, therefore, award that the general boundary, known as the Qualla Boundary, and above described, belongs to, and shall be held by, the Eastern Band of Cherokee Indians living in the State of North Carolina, as a tribe or community, and whether living at this time at Qualla or elsewhere in the State; and that the individual Indians above named as holding under said Thomas, either by deed or contract, shall hold and possess their several tracts as their separate property, with the quality of being inheritable, but without the power of alienation except from one Indian to another, and then only with the assent of their council. All the above, however, to be subject to the payment of a sum of money to William Johnston, as hereinafter provided.

4. We find that the wife and children of an Indian named Little John have a deed to a tract of land situated on the south side of Tuckaseegee River, and outside of said Qualla Boundary, for 173 acres, on which they now live, and we award that the same is a good title as against all parties and privies to these suits. We further find that the said wife and children of the said Little John have a title-bond from said Wm. H. Thomas for 100 acres of land, to be curved off from a tract of land adjoining the lands last spoken of, so as to embrace 100 acres of land on both sides of the Skeekee's Branch, and that they have paid for the same in full. Also that the heirs of Will-gees-ka

have a title-bond from Wm. H. Thomas for the tract of land on which they live, adjoining the above lands of the Little John's and on the south side of said Tuckaseegee River, for which they have paid in full. We do, therefore, award that the said defendants, Thomas and Johnson, do lay off and convey to the said wife and children of the said Little John the said 100 acres to embrace both sides of said Skeekee's Branch; and also that they convey unto the said heirs of Will-gees-ka the land on which they live.

5. We find that at one time it was contemplated between said Thomas and the Indians residing in the region described in the pleadings as Cheoih to make a similar purchase of a general boundary of land in that section of the State, and that there was a written agreement to that effect between them; but afterward the Indians declined to furnish, and did not furnish, the funds necessary to make such purchase; and we therefore award that the said agreement between them and Thomas to make such purchase was abandoned; and that in lieu thereof the following individual Indians made separate purchases from Thomas and others, and have deeds or other sufficient title therefor, to wit:

Sakah, 100 acres in district No. 9, section 589.  
 Corn-silk, 100 acres in district No. 9, section 347.  
 Corn-silk, 100 acres in district No. 10, section 374.  
 Chick-a-lilla, 100 acres in district No. 9, section 363.  
 Chick-a-lilla, 48 acres in district No. 9, adjoining section 363.  
 Walla-na-kah, 100 acres in district No. 10, section 552.  
 Ches-que-ne-tah (or Young Bird), son of Ty-al-ta, 100 acres in district No. 9, section 364.

Tom Big-meat, 100 acres in district No. 9, section 359.  
 Tom Big-meat, 90 $\frac{1}{2}$  acres in district No. 9, section 360.  
 Con-na-see-nah, 100 acres in district No. 10, section 386.

And these having all paid the purchase-money in full, we do award that they hold and have title in fee as against said Thomas and Johnson, and all other parties and privies to these suits.

We find further that the following Indians and persons of Indian blood have written contracts for title to lands in Cheoih from Wm. H. Thomas, and are entitled to specific execution thereof, they having paid the purchase-money in full therefor, to wit:

Ka-yu-kah (or Ground Squirrel), for 288 acres in district No. 10, section No. 23, Cherokee County.

James Taylor, district No. 7, in Cherokee County, Nos. 19, 21, and 27.

That the following have contracts in writing for the purchase of lands, and are entitled to specific performance thereof whenever they shall make full payments of the purchase-money, to wit:

Dick-a-gees-ku's heirs, for 100 acres in district No. 9, section 367.  
 Oo-tal-ka-nah, 100 acres in district No. 9, section 373.  
 Chin-a-que (or John Owl), the land whereon he lived in 1855, in Cherokee County, excepting all mineral interests.

Too-way-al-lah, part of No. 12, district No. 10.  
 Corn-silk, 100 acres in district No. 9, section 588.  
 Tracking Wolf, district No. 9, section 404.  
 Richard Henson and others, and their heirs, 210 acres in district No. 5, section 11.  
 Richard Henson, 157 acres in district No. 5, section 14, with a bounty-claim of 2,700 acres.

Sal-ka-nah and others, 80 acres in district No. 6.  
 Tes-a-tees-kah, 100 acres in district No. 9.  
 George Oo-yah-ste-ah, district No. 9, section 365.  
 Cah-nah-a-to-go and others, district No. 9, section 405.  
 Cohe-lokakah, 120 acres in district No. 9, section 93.  
 Too-nah-lu-yah, Chees-que-ne-tah, Te-tal-ka-nah, no districts or section given.

We do, therefore, award that Ka-yu-kah (or Grund Squirrel) and James Taylor have a perfect equitable title in fee to their said sections of land, and that W. H. Thomas and William Johnston do execute deeds to them severally therefor; and as to all the others above mentioned, we award that they have respectively an equity to have title, and that the same be made to them by the said Thomas and Johnston upon the payment of the purchase-money still due from them; and the said Thomas, or Johnston, as the case may be, shall have a right, in default of such payment of the purchase-money, to enforce the same by sale of their lands, respectively, according to law.

6. We find that in the course of the agency and trusteeship of the defendant Thomas for the plaintiffs he received, in the way of payments by the government, contributions from individual Indians, and from sales of lands, within the said common boundary at Qualla, to individual Indians, large sums of money; that, on the other hand; by reason of the purchase for them of their lands, by his services rendered them in securing their claims, and by his furnishing them, through a long series of years, with

clothing, food, farming-tools, and other necessary supplies, they became largely indebted to him; that after adjusting all claims of every kind and description between them, except as hereinafter mentioned, we find that the said Indians owe the said Thomas a balance toward the purchase-money of the said Qualla Boundary of \$18,50; that after the purchase of the said lands by the defendant Johnston, under his executions against the defendant Thomas, the plaintiffs, in pursuance of a contract made with the said Johnston, for the redemption of said lands, on the 29th day of September, 1869, paid to him, the said Johnston, the sum of \$6,500, which said payment we award that the said Johnston shall apply as a credit on his said judgments against Thomas as money paid by the plaintiffs toward the balance above stated as due from them to Thomas; that the said sum of \$6,500, with interest to this day, amounts to the sum of \$8,486, thus reducing said balance due Thomas to the sum of \$9,764.

7. We find, in the suit at law on the bond of Terrell and his sureties, that the said defendant Terrell paid over to the said defendant Thomas, his bondsman, the sum of \$2,478, which is sought to be recovered in said suit on his bond, relying on him to pay it out to those entitled; and we further find that though such payment to Thomas was not in strict compliance with the conditions of his bond, yet this same being paid to Thomas, to whom the plaintiffs were owing a balance of purchase-money for their lands, and who then had a power of attorney from the plaintiffs authorizing him to receive the same and apply it toward the payment of said purchase-money for their lands, we do therefore award that the said sum, with its interest, this day making \$2,697.89, be deducted from the above balance of \$9,764, thus reducing it to the sum of \$7,066.11; and upon the payment of this last-mentioned sum, to wit, the sum of \$7,066.11, with its interest from this date at the rate of six per cent. per annum, to the said defendant Johnston, and by him to be entered as a credit on his said judgments against Thomas, we do further award that the said plaintiffs shall have a perfect equity to demand and have of him, the said Johnston, a conveyance of the legal title to all the lands embraced within their said Qualla Boundary, the same to be made to them, or to some trustee for them; and until such conveyance be made, the said Johnston, so soon as said balance is paid him, shall, himself, stand seized as a naked trustee of said lands to the use of said plaintiffs; and the said sum of \$2,697.89, so sued for as aforesaid, in the action at law, being applied as above set forth on the said balance due for the purchase-money, we do therefore further award that the plaintiffs do recover in the said suit at law the penalty of said Terrell's bond, to be discharged on the payment of a penny and the costs of that action, to be taxed by the clerk.

8. Wishing to secure repose of title to the parties and to end litigation between them, we have taken into consideration all accounts, claims, and demands between the said plaintiffs as a tribe, and each and every member of the tribe, wherever residing in the State of North Carolina, and W. H. Thomas and William Johnston, and either of them, and we do hereby award that all such accounts, claims, and demands are to be treated as concluded and adjusted between them, and in no way collectable and enforceable, save and except as is hereinbefore provided in relation to contracts for sales of land, and save and except the matters of controversy between the members of the Raper family in regard to their reservation-money. This latter being already the subject of litigation in our State courts, we have not considered, but leave the same to be settled in said State courts.

9. We find that William H. Thomas purchased the Cathcart survey of 33,000 acres, and other adjoining tracts and entries, out of part of which the said Qualla Boundary is composed, and that he extinguished the titles of all whites inside of said boundary, with the single exception of that one of Ute Sherrell, and that but few of his title-papers have been registered, and but few of his deeds to, and his written contracts of sale with, said Indians, whether at Qualla or elsewhere, have been registered. We do therefore award that all of said deeds to Thomas, under which the said Indians claim, and all his deeds and written contracts of sale to them or any of them, shall be registered in the proper offices of the State; and to the end that this may be properly attended to by some competent person, we do award that all such deeds and contracts be delivered to W. W. Rollins, one of plaintiffs' agents, for registration.

10. In considering the compensation due to the defendant Thomas, as agent of the plaintiffs, we have estimated his fees and commissions only on the moneys heretofore actually paid to the Indians. On these amounts we award that said Thomas shall claim no further compensation, either directly from the Indians or indirectly through the government. But we further find that by a special contract of November 25, 1860, the said Thomas is entitled to compensation of ten per cent. on all moneys said Indians may receive from lands sold for their benefit west of the Mississippi, mainly secured through his efforts, and which contract it is not intended to impair. We therefore award that the said Thomas be allowed said rate of ten per cent. on all moneys said Indians may hereafter receive from said western land-fund, to be paid when the same is actually realized by the said Indians, and not otherwise.

11. The costs of the suit at law having been hereinbefore disposed of, we award that

all the other costs be taxed in the equity case, and be paid one-half by the plaintiffs and the other half by the defendants, W. H. Thomas and William Johnston. We leave the allowance to the arbitrators, and the manner of its payment to be fixed and provided for by the judge.

All of which is respectfully submitted, under our hands and seals, this 23d day of October, 1874.

Thomas, William Johnston, et al.," in the circuit court of the United States for the western district of North Carolina, James W. Terrell and Thomas D. Johnston were by a decree of said court appointed commissioners to sell certain lands referred to us in said award to discharge and pay off the judgments therein awarded to be due William Johnston from William H. Thomas, which said lands had theretofore been sold under executions on said judgments and conveyed by deeds executed by the sheriff of the counties of Cherokee, Macon, and Jackson, to said William Johnston; and whereas since the date of said decree said judgments have been purchased by and duly assigned to the Commissioner of Indian Affairs of the United States in trust and for the benefit of the Eastern Band of Cherokees, and on the 14th day of August, A. D. 1876, an act of Congress was passed and ratified authorizing the Commissioner of Indian Affairs to purchase and receive certain lands therein referred to in full payment and final discharge of the aforesaid judgments in trust and for the use and benefit of said Eastern Band of Cherokees; and whereas in pursuance to the provisions of said act of Congress, Mark C. #### ENCLOSURE 7.

This indenture, made this 9th day of October, 1876, between William Johnston and wife, Lucinda M. Johnston, of the county of Buncombe, State of North Carolina, of the first part, and the Eastern Band of North Carolina Cherokee Indians of the second part, witnesseth: that, whereas, at the November term, 1874, of the circuit court of the United States for the western district of North Carolina, the case of the Eastern and of the Cherokee Indians against Wm. H. Thomas, William Johnston, and James W. Terrill in equity, and the case of the United States and the Eastern Band of Cherokee Indians vs. James W. Terrill *et al.*, came on to be finally heard together upon the award of Rufus Barringer, John H. Dillard, and T. Ruffin, the arbitrators duly appointed at the May term, 1874, of said court, to hear and determine the matters in controversy between said parties, and which award has been rendered to the court, and states, among other things:

1st. That William H. Thomas became and was the agent of the Eastern Band of

the Cherokee Indians living in North Carolina, who are the plaintiffs in the above two causes, after the removal of their brethren west in the year 1838, and as such undertook to purchase, and did purchase for them land, the amount, location, and boundary whereof will hereinafter be fully described, to be paid for with money or moneys coming to them from the United States under treaties with and the laws of the said United States.

2d. That the said William H. Thomas, in pursuance of his said agency and trust reposed in him, did, from time to time, and from various persons, purchase lands for the plaintiffs as a tribe and community and settlement thereon, and carved up the same into towns, which said purchases are included in and make a large tract situated on Soco Creek and Ocona Lufta River and their tributaries, known as the Qualla Boundary, and bounded as follows, to wit: Beginning at a stump near the spring on Jackson County line, at the head of Jonathan's Creek, where the Soco road crosses the mountain; thence in a northerly direction with the said county line to the ridge which divides the waters of the Ravin's Fork from Bradley, or west fork of Ocona Lufta River; thence with the water-shed of that ridge to the line of Widow Hgh's; thence eastwardly, with her line, crossing Ravin's Fork; thence down, and with her lines and the lines of Wesley M. Enloe, to the Ocona Lufta River; thence down with the meanders of said river to the southern boundary of Samuel Monteith; thence across said river, and with said Monteith's line, to his southwest corner; thence with the lines of an entry made by W. H. Thomas, and other lines of said Thomas, keeping on his outside lines to the dividing ridge between the waters of Adam's Creek and Newton's Mill Creek, so running said line as to include all the Indians living on the headwaters of said Adam's Creek; thence in a southerly direction, keeping on the water-shed of said ridge, to the line of Sim Sherrell; thence, with his line, to Ocona Lufta River; the last two lines being run so as to include all the Indian settlements on the east side of Newton's Mill Creek; thence with and across the said Ocona Lufta River, to the upper boundary of J. M. Bird; thence, with his line, to the corner of the first tract of what is known as the State surveys above the said Bird; thence up said river, with the lines of said State surveys so as to include one tier of old surveyed tracts bordering on said river, and striking said river below Ute Sherrell's, excluding the tract now occupied by J. A. Gibbs, and also some entries known as Thomas's entries; thence up, and with the meanders of said river, to a tract of land occupied by an Indian named Ah-ma-cha-ma; thence, with the line of that tract, and including the same, to the old line of Scroop Enloe, or near it, but so as to exclude the tract now occupied by Mason Reckley; thence, with the line of the tract so occupied by Reckley, crossing the Soco Creek below his house, to the old line of said Scroop Enloe; thence, with Enloe's line, to the line of Thomas's mill tract; thence, with the line of said mill tract and with the line of an entry known as Thomas's five hundred acre entry, and leaving the same outside, to the line of J. B. Sherrells; thence, with his line, to the line of a tract conveyed to Flying Squirrel by J. W. King; thence, with the line of that tract, and so run as to include it, to the line of the Thompson-Carter tract; thence with that tract, and so run as to include it, to the top of the ridge which makes the water-shed between Soco Creek and Shoal Creek; thence, with the said water-shed, to the south corner of the Cathcart survey; thence, with the line of that survey to the beginning at the head of Jonathan's Creek.

3d. We do, therefore, award that the general boundary, known as the Qualla Boundary, and above described, belongs to, and shall be held by the Eastern Band of Cherokee Indians, living in the State of North Carolina, as a tribe or community, and whether living at this time at Qualla or elsewhere in the State; and that the individual Indians above named as holding under said Thomas, either by deed or contract, shall hold and possess their several tracts as their separate property, with the quality of being inheritable, but without the power of alienation except from one Indian to another, and then only with the assent of their council. All the above, however, to be subject to the payment of a sum of money to William Johnston as hereinafter provided.

6th. We find that in the course of the agency and trusteeship of the defendant Thomas for the plaintiffs he received, in the way of payments by the government, contributions from individual Indians, and from sales of lands, within the said common boundary at Qualla to individual Indians large sums of money; that on the other hand, by reason of the purchase for them of their lands, by his services rendered them in securing their claims, and by his furnishing them, through a long series of years, with clothing, food, farming tools, and other necessary supplies, they became largely indebted to him; that after adjusting all claims of every kind and description between them, except as hereinafter mentioned, we find that the said Indians owe the said Thomas a balance towards the purchase money of the said Qualla Boundary of \$18,250; that after the purchase of the said lands by the defendant Johnston, under his executions against the defendant Thomas, the plaintiffs in pursuance of a contract made with the said Johnston for the redemption of said lands on the 29th day of September, 1869, paid to him, the said Johnston, the sum of \$6,500, which said payment we award

that the said Johnston shall apply as a credit on his said judgments against Thomas as money paid by the plaintiffs toward the balance above stated as due from them to Thomas; that the said sum of \$6,500 with interest to this day amounts to the sum of \$8,486, thus reducing said balance due Thomas to the sum of \$9,764.

7th. We find, in the suit at law on the bond of Terrell and his sureties, that the said defendant Terrell paid over to the said defendant Thomas, his bondsman, the sum of \$3,478, which is sought to be recovered in said suit on his bond, relying on him to pay it out to those entitled; and we further find that though such payment to Thomas was not in strict compliance with the conditions of his bond, yet this sum being paid to Thomas to whom the plaintiffs authorizing him to receive the same and apply it toward the payment of said purchase money for their lands, we do, therefore, award that the said sum with its interest, this day making \$2,697.89, be deducted from the above balance of \$9,764, thus reducing it to the sum of \$7,066.11; and upon the payment of this last mentioned sum, to wit, the sum of \$7,066.11 with its interest from this date at the rate of six per cent. per annum, to the said defendant Johnston, and by him to be entered as a credit on his said judgments against Thomas, we do further award that the said plaintiffs shall have a perfect equity to demand and have of him, the said Johnston, a conveyance of the legal title to all the lands embraced within their said Qualla Boundary, the same to be made to them or to some trustee for them; and until such conveyance be made the said Johnston, so soon as said balance is paid him, shall himself stand seized as a naked trustee of said lands to the use of said plaintiffs.

And whereas, upon such final hearing, it was ordered and decreed by the court that the "award of said arbitrators be made an order of this court, and that the same be observed and performed by all the parties thereto according to the tenor and the meaning thereof": Now this indenture witnesseth, that the said party of the first part, in consideration of the aforesaid sum of seven thousand and sixty-six dollars and eleven cents, awarded by said arbitrators, and to him in hand paid by the Eastern Band of North Carolina Cherokee Indians at and before the enrolling and delivery of these presents, the receipt and payment whereof he doth hereby acknowledge, hath granted, bargained, sold, released, and confirmed, and by these presents, in pursuance of the said order of court, and by force and virtue thereof, doth grant, bargain, sell, release, and confirm unto the said party of the second part, their heirs and successors, all that certain piece and parcel of land situate, lying, and being in the State aforesaid, and bounded and described as follows, to wit:

Beginning at a stump near the spring on Jackson County line, at the head of Jonathan's Creek, where the Soco road crosses the mountain, running thence N. 42 $\frac{1}{2}$ ° W., variation 2°.25 E. with the line of said county, 173 chs. 14 lks. to a mound of stones on the Swaine County line; thence with said line N. 58° E. 1 ch. 16 lks.; thence E. 1 ch. 11 lks.; thence N. 62° E. 2 ch. 65 lks. to a chestnut marked "I. ENCLOSURE 8.

Whereas, under an award made by Rufus Barringer, John H. Dillard, and Thomas Ruffin, arbitrators, in the case of the Eastern Band of Cherokee Indians against William H. Thomas, William Johnston, *et. al.*, in the circuit court of the United States for the western district of North Carolina, James W. Terrell and Thomas D. Johnston were, by a decree of said court, appointed commissioners to sell certain lands referred to in said award to discharge and pay off the judgments therein awarded to be due to William Johnston from William H. Thomas, which said lands had theretofore been sold under execution on said judgments and conveyed by deeds executed by the sheriffs of the counties of Cherokee, Macon, and Jackson, North Carolina, to the said William Johnston; and whereas, since the date of said decree said judgments have been purchased and duly assigned to the Commissioner of Indian Affairs of the United States, in trust, and for the use and benefit of the Eastern Band of Cherokee Indians of North Carolina, and under the provisions of an act of Congress, entitled "An act to authorize the Commissioner of Indian Affairs to receive lands in payment of judgments to Eastern Band of Cherokee Indians," approved, August 14, 1876, the Commissioner of Indian Affairs was authorized to purchase and receive certain lands, therein referred to, in full payment and final discharge of the aforesaid judgments, in trust and for the use and benefit of said Eastern Band of Cherokee Indians; and whereas, in pursuance of the provisions of said act of Congress, Mark C. King on the part of the Commissioner of Indian Affairs, and William A. Dills on the part of William H. Thomas, were selected as appraisers to value and appraise the lands hereinafter described, which are referred to in the aforementioned award, and were duly selected by said Eastern Band of Cherokee Indians, through a committee appointed by them at their annual general council, held at Cheoah council grounds in Graham Co., North Carolina, on the first Monday of October, 1876; and whereas, in consideration of the above recited facts, and in full satisfaction of the said judgments amounting to the sum of twenty thousand five hundred and sixty-one and 85-100 dollars, a deed was executed on the 9th day of October, A. D. 1876, by William Johnston and wife, Lucinda M. Johnston, of the county of Buncombe, North Carolina, and James W. Terrell, of Jackson Co., and Thomas D. Johnston, of Buncombe Co., State aforesaid, commissioners named in said award, and also agents and attorneys for William H. Thomas, by virtue of a power of attorney dated June 3, 1875, to the Commissioner of Indian Affairs, as trustee for said Eastern Band of Cherokee Indians, for 15,211½ acres, which are referred to in the aforesaid award, in satisfaction of said judgments; and whereas, in making said deed it was found impracticable to obtain correct descriptions of the lands to be conveyed until after a survey of the same, it was agreed by and between all parties to said deed that after a survey was made a new deed should be executed by William Johnston and wife, and Messrs. Terrell and Johnston, commissioners as aforesaid, and attorneys for William H. Thomas, containing correct descriptions of said lands; and it was further understood and agreed at the time of executing said deed between all parties to the same, that when the number of acres called for in said deed should not hold out by the survey the balance was to be made up by the said first parties from adjacent lands owned by them, and in case the area should overrun the number of acres called for in said deed, the deduction should be made in the new deed; and that all

clouds upon the title to the lands in question were to be removed by said William H. Thomas, and that in case any lands included in the said deed shall have been conveyed by said Thomas to white men before the execution of the said deed of October 9, 1876, then and in such case, other lands of the same class may be substituted therefor to the extent of 600 acres, it being contemplated in said deed to convey just the number of acres at the value fixed by the appraisers necessary to liquidate the judgments aforesaid; and whereas said lands which have unclouded titles have been surveyed, and correct descriptions and area obtained, and it has also been found that part of the lands included in the State grants embraced in said deed have been conveyed by said Thomas to white men before the execution of the same, and that these titles cannot be cleared now, and the parties of the first part having agreed to substitute other lands therefor, which has received the approval of the Commissioner of Indian Affairs, dated June 22, 1880; and the said tracts to be so substituted having been duly selected by the said Eastern Band of Cherokee Indians through a committee appointed by them at a special meeting of the regular council of the band held July 3, 1880, at Yellow Hill Council House, in Swaine Co., N. C.; and whereas, since the date of the first deed, the said William H. Thomas has been declared a lunatic, and William L. Hilliard, of Buncombe Co., was appointed April 5, 1878, his guardian by the probate court of Jackson Co., N. C., and then has upon due proceedings had an order made and entered in the said probate court authorizing and directing the said guardian to make and execute title to the lands hereinafter described:

Now, therefore, in consideration of the above-recited facts, and in full satisfaction of the aforesaid judgments, which amounted at the date of the first deed, October 9, A. D. 1876, to the sum of twenty thousand five hundred and sixty-one and  $\frac{5}{100}$  dollars, the following indenture (which is to take the place of the first deed) is executed:

This indenture, made and executed this (14) fourteenth day of August, in the year of our Lord one thousand eight hundred and eighty, by and between William Johnston and wife, Lucinda M. Johnston, and William L. Hilliard, of Buncombe Co., North Carolina, guardian of William H. Thomas, as aforesaid, and James W. Terrell, of Jackson Co., and Thomas D. Johnston, of Buncombe Co., State aforesaid, commissioners under the said decree of the circuit court of the United States for the western district of North Carolina, at the November term, A. D. 1874, at Asheville, and also as agents and attorneys for William H. Thomas by virtue of a power of attorney to them, dated June 3, 1875, of the first part, and the Commissioner of Indian Affairs of the United States as trustee for said Eastern Band of Cherokee Indians of North Carolina of the second part, witnesseth:

That the said parties of the first part, for and in consideration of the premises, and in the further consideration of the payment of the amount and final discharge of said judgments, amounting to twenty thousand five hundred and sixty-one and  $\frac{5}{100}$  dollars, the receipt whereof is hereby confessed and acknowledged, have granted, bargained, sold, aliened, enfeoffed, released, and conveyed, and do by these presents grant, bargain, sell, alien, enfeoff, release, and convey unto the party of the second part, the Commissioner of Indian Affairs and his successors in office, as trustee for the Eastern Band of Cherokee Indians of the State of North Carolina, all their right, title, interest, claim, or demand whatsoever in and to the following-described lands, to wit:
