

JOBES POST 157, G. A. R.

---

APRIL 28, 1886.—Committed to the Committee of the Whole House and ordered to be printed.

---

Mr. C. M. ANDERSON, from the Committee on Military Affairs, submitted the following

R E P O R T :

[To accompany bill H. R. 5393.]

*The Committee on Military Affairs, to whom was referred House bill 5393, submit the following report :*

That on the site where Greenville, Ohio, is built, General Anthony Wayne, in 1793, erected a strong fort, which was ever after maintained as his principal headquarters during that great campaign in the then Northwest, and at which place he concluded his great treaty with the various Indian tribes and established peace in all the country east of the Mississippi, and your committee believe it is very proper that the Grand Army of the Republic at this historic point should have granted them the request made in this bill.

Your committee therefore unanimately report in favor of the bill, and ask that it do pass.
