REPORT:

[To accompany bill H. R. 4012.]

*The Select Committee on Indian Depredation Claims, to whom was referred the bill (H. R. 4012) for the relief of Green Arnold, submit the following report:*

We find that claimant owned property in Oregon and Washington Territory during the Indian hostilities of 1855-'56 which was of the value of \$7,596.80, and that the same was destroyed and taken away by the Indians engaged in said hostilities and no part was ever recovered nor paid for; that said amount was found due by the Interior Department as per report in House Executive Document No. 197, second session Forty-eighth Congress.
