

CHARLES JUNOT.

---

JULY 19, 1888.—Committed to the Committee of the Whole House and ordered to be printed.

Mr. BLISS, from the Committee on Pensions, submitted the following

REPORT:

[To accompany bill H. R. 10687.]

*The Committee on Pensions, to whom was referred the bill (H. R. 10687) granting a pension to Charles Junot, have considered the same and report as follows :*

The claimant, under the name of Thomas Jones, was a private in Capt. Alexander Jernigan's company of Florida Mounted Militia from March 2, 1840, to November 14, 1840; and the regiment did duty in the Florida Indian war. A land warrant was allowed this claimant for the services rendered, his identity being established in that claim.

He is now sixty-six years of age, and in needy circumstances, being also physically disabled.

His case would fall within the provisions of the general-service pension bill for the survivors of the Indian wars from 1832 to 1842, favorably reported by this committee at the present session of Congress.

Your committee recommend the allowance to the claimant of a service pension, and therefore report the bill back recommending its passage; amended, however, by striking out, in lines 4 and 5, the words "subject to the provisions and limitations of the pension laws," and inserting at the end of the bill the words "and pay him a pension at the rate of \$8 per month."
