

LEGISLATIVE, EXECUTIVE, AND JUDICIAL APPROPRIATION BILL.

APRIL 7, 1890.—Committed to the Committee of the Whole House on the state of the Union and ordered to be printed.

Mr. BUTTERWORTH, from the Committee on Appropriations, submitted the following

REPORT:

[To accompany H. R. 9066.]

In presenting the bill making appropriations for legislative, executive, and judicial expenses of the Government for the fiscal year ending June 30, 1891, the Committee on Appropriations submit the following in explanation thereof:

The estimates on which the bill is based are to be found on pages 9 to 69 and 77 to 84 of the Book of Estimates for 1891, and aggregate in 1891 \$21,627,250.70, of which amount there is recommended in the bill \$20,864,326.75.

The appropriations for the same purposes for the current fiscal year aggregate \$20,853,725.81, being \$10,600.94 less than is recommended in the accompanying bill for the service of the fiscal year 1891.

The amount recommended in the bill is \$762,923.95 less than the aggregate estimates submitted.

The whole number of salaries specifically provided for in the bill is 9,979, being 224 less than the number estimated for and 141 more than the number provided for in the law for the current year.

The bill proposes no new legislation.

Changes in the number or grade of officers or employés of the Government, and their rate of compensation, as compared with the current law, are recommended in the bill as follows:

The salaries of the 8 new Senators, \$5,000 each, from the new States of North and South Dakota, Montana, and Washington, are provided for, and the sum for clerks to Senators who are not chairmen of committees is increased so as to include 1 additional clerk. Otherwise the bill provides for the officers, clerks, and other employés in the service of the Senate in the same terms as is contained in the current law, except where it is necessary to provide for the difference between the approaching short session and the long session of Congress, making an apparent net decrease of \$34,558 in the sum for officers and employés of the Senate under the appropriation for the fiscal year 1890.

The salaries of the 5 Representatives from the new States of North and South Dakota, Montana, and Washington are provided for in lieu of the three Delegates from the Territories of Dakota, Montana, and Washington, making a net increase of 2 members of the House, and provision is made for 1 additional session committee clerk now authorized by resolution of the House. Otherwise the bill provides for the officers, clerks, and other employés in the service of the House in the same terms as is contained in the current law, except where it is necessary to provide for the difference between the approaching short session and the long session of Congress, making an apparent net reduction of \$32,885.06 under the appropriation for the fiscal year 1890.
