WHERE IS YOUR SCRAP
UNCLE SAM HAS OURS

We Gather Scrap.

We brought our scrap to school - a piece at a time. 16 of the 19 pupils carried scrap to school almost every day for 4 weeks. Ruby Dalton was Secretary and kept a record of the pieces of scrap brought. It was possible to earn 2 points each day - one for scrap metal, and one for rags or rubber. Two fourth grade boys tied for first place. Each had 63 points. Each of the winners received 3 defense stamps. (104 ones) The boys: Gerald Gish and Raymond Hicks, are pictured above carrying scrap to school.

Scrap gathered by the children was

sold for \$5.50. We used the money to buy the boys a football and the girls a jumping rope.

Beside the scrap gathered by the school children there was a large amount gathered by the Red Cross Committee, just prior to our drive. The Committee did such a good job that there wasn't much left for us. Scrap gathered and sold for Red Cross amounted to 5 truck loads.

We have a small amount of scrap gathered and not yet sold.

Dear Fellow Citizen,

If you have any scrap-metal-rubber-rags that you haven't already turned in to a scrap collector, we hope you will dispose of it immediately. The government needs this scrap! You can help win the war by collecting and disposing of it. If you have a large amount please sell it. If only a small amount throw it on the school scrap heap - Clarkson School
