Hi Max,

I am pretty sure I signed the form , as we were asked to do on the first day of the meeting, but in any case I am glad to agree now to using any text of video footage you may have of our presentation.

Thanks for all your support with this process.

Best,

Michel

Dear Michel,

I am writing concerning your Interdisciplinary Moral Forum presentation, **“Motivating the Self to Virtue in Western and non-Western Countries: Does nation or faith matter more?”**

Our videographers are finalizing their video footage of the Interdisciplinary Moral Forum. Looking through my paperwork, I have no record of receiving permission from you to post your presentation slides and video of your presentation in our [Moral Self Archive](#). Do you agree to let us post your ppt. presentation in the archive, as well as video footage of your presentation?

Yours,
Max
