GREETINGS

We are happy to have you visit our school and to have a part in the observation of American Education Week.

Irving Elementary School Faculty

. . . . . .

. . . . . .

. . . . . .

SOME FACTS ABOUT IRVING ELEMENTARY SCHOOL

1. The present building was built in 1930, on the same site of El Reno's first school building.

2. There are seven class rooms, a lunch room, a library, an office, a basement, lavatories for boys and girls, and a combined gymnasium and auditorium, with a stage and dressing rooms.

3. The auditorium will seat five hundred people.

4. The school employs seven teachers and one custodian.

5. Irving School has had 100% membership in the National Education Association for ten consecutive years.

6. The custodian, Mr. W. A. White has been with the school twelve years.

7. There are 250 children enrolled.

8. 105 of all pupils had perfect attendance for the first six weeks of school.

9. Through our hot lunch program we are serving 115 children each day.

10. We have a fine staff of women taking care of our lunch room serving nice, hot meals.

11. A teacher is on duty in the building every school day from 8:30 in the morning to 4:00 in the afternoon.

12. Two teachers always supervise the playgrounds during recess.

13. Children are not permitted on the grounds before 8:30 in the morning, except by special permission.

14. Children who go home for lunch are not to return to school during bad weather until 12:45.

15. The first and second grades are dismissed at 11:30 in the morning and at 3:00 in the afternoon.

16. The third grade is dismissed at 11:45 in the morning and at 3:45 in the afternoon.

17. The fourth, fifth and sixth grades are dismissed at 12:00 o'clock noon and 4:00 in the afternoon.

18. Fire drills are held occasionally, at which time the building is emptied in less than forty-five seconds.

19. Assembly is held in the auditorium every two weeks at 9:00 A. M.

20. Our boy scout troop is one of the best in town. It's number is 379. Roy Baucom and A. B. Wagner Jr. are our scoutmasters.

21. Our scouts have fixed a room in the basement where they hold their weekly meetings.

22. Our P.T.A. has membership so far this year of 87. Mrs. R. E. Hartronft is our president.

23. Last year for the first time in the history of Irving School our P.T.A. ranked extra superior. Mrs. Harry Dozier was our president.

24. All first grade pupils were given physical examinations through the P.T.A. Summer Roundup.

25. The school is encouraging Sunday School attendance by presenting a banner to the room with the highest percentage of attendance. The banner is kept in the room of the winner until another room reaches a higher record.

26. We are carrying on an extensive health program in our school. Mrs. L. A. Garver is chairman of the health committee in our P.T.A. Mrs. Garver conducts a clinic each week in our school.

27. Athletics for boys consists of football, basketball and track. So far in our football conference tilts we have tied two games, won one and lost one. We have two games yet to play with Central.

28. We have a Post Office in our third grade room where "Defense Saving Stamps" are being sold. We are hoping that each child will learn to be thrifty through buying defense stamps.

29. Three of our teachers have Master of Education Degrees.

30. We have a peppy girl's pep club sponsored by Miss Theresa Roach.

War Time

Citizenship

Club

11" x 14"

War Time Citizenship Club

Each room in Irving School organized a club. A president, a vice president and a secretary are selected by the class. The teacher selects four pupils to act as chairman of the four following committees;

Safety - First Committee
Thrift - Committee
Character - Study Committee
Good Manners Committee

The club meetings take place once each week. The two best citizens are chosen.

These citizens with a sponsor meet and form a council. This council decides upon plans.

The sponsors for the year are, Miss Johnson, Miss Hensley and Miss Pierce.

We find this club is quite necessary for the school.

Third Grade in Irving School has a "Post Office".

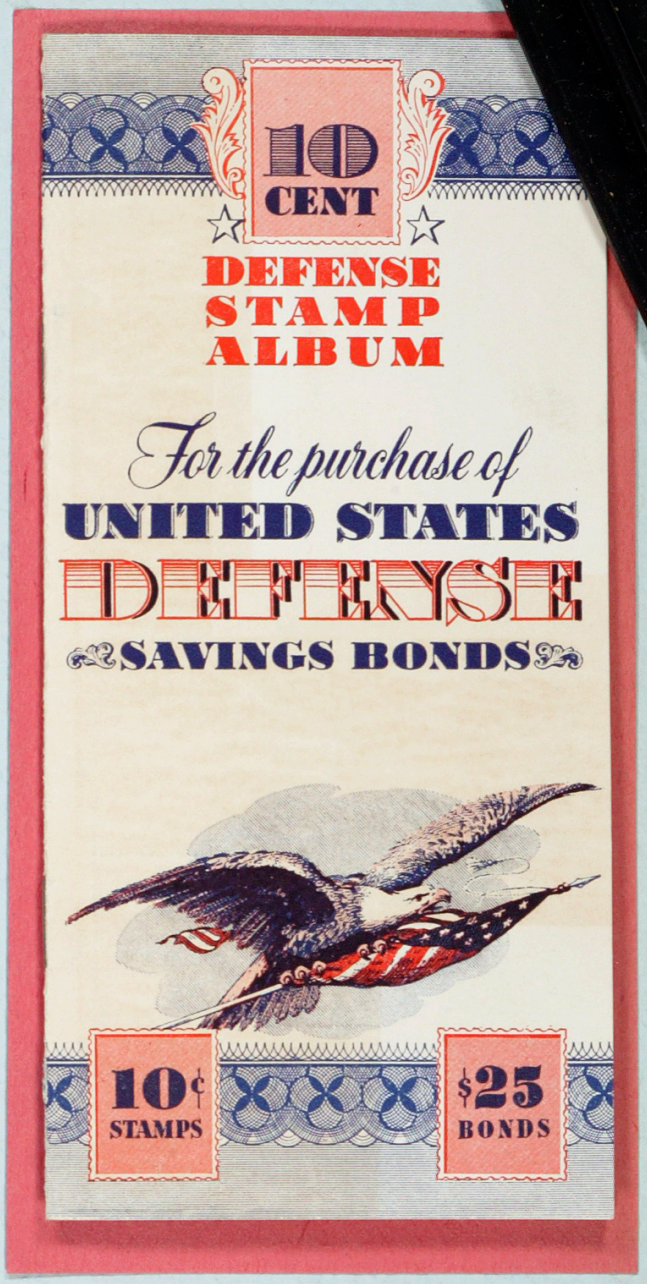

The first week in Oct. 1942 at a teachers meeting it was decided that there should be a post office in some grade in school where pupils could buy defense stamps. Since 3rd grade has a Unit on the Post Office in Geography, and are learning to make change in Arithmetic, it seemed fitting that it should be in 3rd grade. By the united efforts of the janitor, pupils and teacher the office opened for business on Oct. 12, 1942.

Business grew from day to day as you will see. From Oct. 12 to Nov. 1. we sold $35.15 of stamps; Nov. 1 to Dec. 1 $44.75; Dec. 1 to Jan 1. 56.80 Jan. 1 to Feb. 1 1943, $188.00. The reason for the sale of so many in Jan was due to the "King and Queen Contest" which was county wid sponsored by the American Leg

The 17 wks we have had Post office open we have

#324.70. I feel positive that many of the dimes used to purchase those stamps would have been spent for candy or gum had we not had the stamps at school for sale.

Miss Ethel Cantley's
Third grade Post Office
Irving school
bought $24.70 in stamps
at this Post Office.

11" x 14"

"Irving School Buys a Jeep,
in Stamps and Bonds"

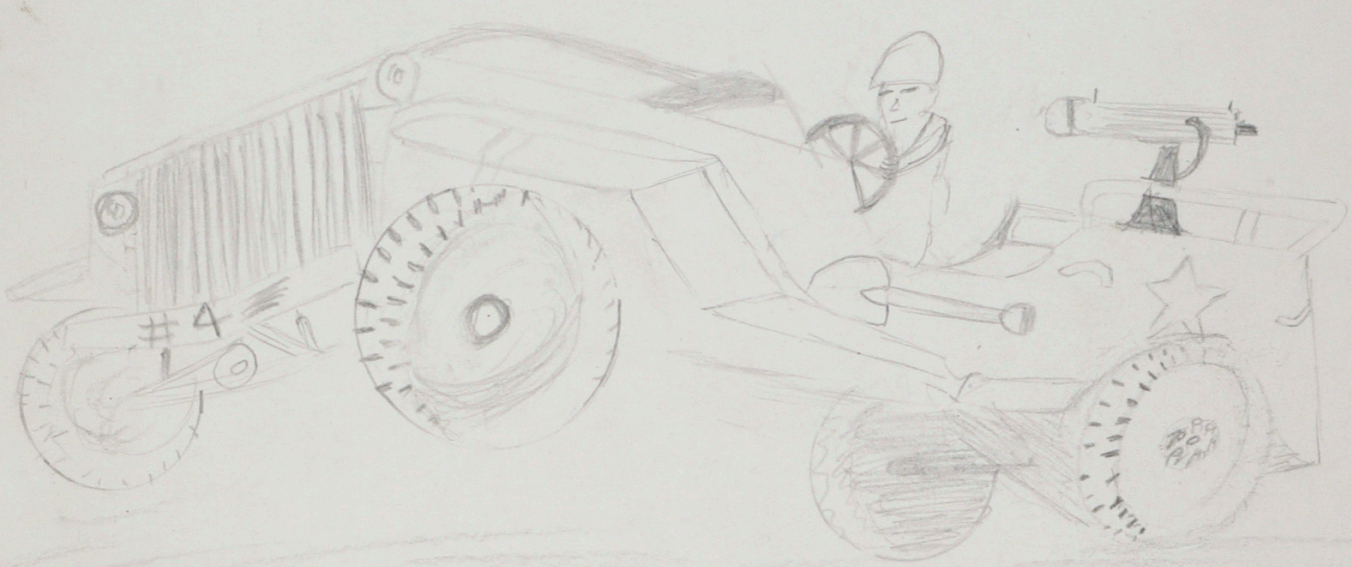

When we started talking in Nov. of the different goals which might be attained this year by buying Stamps and Bonds, we considered our enrollment which was about 180 pupils and decided to try to buy a Jeep by Feb. 1, 1943.

When we mentioned it to the pupils, they were very enthusiastic about it and have contributed well, as our weekly report of the buying of stamps and bonds will show.

Date	Pupils on Roll	No. Participating	Amount	Per Cent
Nov. 16, 1943	180	143	$328.05	79.44
Nov. 23, "	178	140	389.95	79.
Nov. 30, "	184	144	439.50	78.7
Dec. 4, "	183	163	539.85	89.
Dec. 14."	185	173	583.70	93.
Dec. 28 "	185	176	659.70	95.
Jan. 4, 1943	185	176	761.65	95.
Jan. 11, "	185	177	989.10	95.
Jan. 18, "	181	176	1,091.67	97
Jan. 25"	177	173	1,231.92	97
Feb. 1. "	182	176	1,543.97	96

You see by Jan. 11, 1943 we had our Jeep paid for and by now have almost bought another Jeep. Some upper grade boys supervised by the art teacher Miss Hobbs, made a large picture of a Jeep and displayed it in the auditorium where not only pupils, but patrons as well were reminded to help by their savings.

Every room had many pictures of Jeeps showing the many uses made of them now, hundreds of magazine pictures were clipped and brought, and lessons were given on "What Jeeps can do in Time of War."

War Bond King and Queen Contest

The El Reno American Legion auxiliary sponsored a War Bond King and Queen Contest in Canadian County during the period of January 15th to January 30th. Mrs. L. Arthur Biggert served as auxiliary chairman of the Bond Sales Drive and Contest.

Each grade in Irving school elected, by popular vote, a Bond King and Queen.

The Second grade won the Contest, and Harry Lummel and Wanda Lee Watson, the honor of being crowned Irving school Bond King and Queen. They will also serve as attendants in the County Coronation ceremonies, February the 18th.

The King and Queen were elected by ballots purchased with Yard Bonds.

1 $25.00 Bond — 200 votes.
1 $50.00 " — 400 "
1 $75.00 " — 600 "
1 $100.00 " — 800 "
1 10¢ stamp — 1 vote.

The Bond King and Queen elected from each room:

Grade I
Kendell Dozier and Gail Chapman

Grade II
Harry Hummel and Standa Lee Watson

Grade III
Jack Lively and Janel McGinis

Grade IV
William Harrison and Betty Jo Boston

Grade V
Mack Coen and Marjorie Fowler

Grade VI
Johnny Courtney and Virginia Barrett

Grade	Bonds	Stamps	Total	Votes
First	$ 300.00	16.30	316.30	2563

	$ 1,625.00	755.90	$ 2380.90	

Bond King And Queen Chosen

Dick Kelly, Constance Poor Are Winners

Returns from the Legion-sponsored king and queen contest, which closed Jan. 30 after enthusiastic participation in Canadian county, showed today that Dick Kelly and Constance Poor, El Reno highschool juniors, led the balloting with a total of 176,744 votes.

The contest, which was instituted by the El Reno American Legion and auxiliary to stimulate interest in war bond purchases in the county, already has accounted for $75,625.25 in bonds and stamps purchased for participation in the contest, Mrs. W. Arthur Biggert, auxiliary chairman for the drive, stated.

This figure is not complete as bond purchases from Yukon and Calumet used for ballots in the contest have not been counted.

El Reno led the list of purchasers who voted in the contest with a total of $56,100 in bonds $5,743.25 in stamps purchased. Next was Union City with $10,550 in bonds, and Piedmont with $3,232 in bonds.

Coronation To Follow

Mrs. Biggert stated that several ballots were discarded because they were split. Contest rules provided that ballots had to be marked for the boy and girl of the same class or homeroom and votes could not be divided between a girl in one class or school and a boy in another.

Date for coronation ceremonies for the county king and queen will be announced later, Mrs. Biggert said. A $5 prize will be awarded to both the king and queen.

The winners of the contest, both of whom are junior students in the El Reno highschool, were representatives of the junior homeroom of Miss Lois McConnell.

Constance Poor, the queen, is the granddaughter of Mrs. S. A. Dale, 501 North Choctaw, a Gold Star mother and member of the American Legion auxiliary. Constance is secretary of the junior class and a member of the Squaw pep club, the B. M. C. literary society and the girls' trio.

Dick Kelly, the king, is the son of Mr. and Mrs. John P. Kelly, 107 North Hoff avenue. Mrs. Kelly is a member of the Legion auxiliary. Dick is a member of the Senate debating society at the highschool.

Bond King And Queen Chosen

Other Totals Announced

Runners-up in the contest were Freddy Wewerka and Dorothy Dittmer, fifth grade, king and queen nominees at the Central elementary school. They received 109,075 votes.

Each school in El Reno and the county will have the privilege of sending as attendants for the coronation ceremonies their high-scoring king and queen candidates, or they may have separate ceremonies at their own school.

Winners of the contests at the schools participating, and their total votes, are as follows:

Junior Everett and Ellen Petree, eight grade candidates at Union City, 66,900 votes.

Jimmy Wheatley and Sarah Ann Pribyl, second grade candidates at Yukon, 55,220 votes.

Tommy Ray Maher and Rosalie Eisenhour, first and second candidates at Sacred Heart academy, 36,840 votes.

Delbert Garrett and Ernestine Ownby, fourth grade candidates at Lincoln elementary school, 27,469 votes.

Harlan Hobgood and Marietta Daniels, seventh grade candidates at Etta Dale junior highschool, 14,640 votes.

Additional Votes Tabulated

Donald Files and Argus Dickerson, sophomore candidates at the Piedmont highschool, 13,558 votes.

Harry Hummel and Wanda Lee Watson, second grade candidates at the Irving elementary school, 8,165 votes.

John Michalicka and Louise Bosler, St. Joseph's school candidates at Union City, 7,600 votes.

David Thompson and Lois Higdon, fifth and sixth grade candidates at the Calumet school, 5,582 votes.

Floyd Bruce Cory and Delores Meredith, second grade candidates at the Webster elementary school, 3,465 votes.

Clifford Miner and Parthenia Burton, candidates at the Booker T. Washington school, 1,291 votes.

Coronation ceremonies for the Booker T. Washington winners will be held at 11:30 a. m. Wednesday at the school, with American Legion and auxiliary members invited as special guests.

Local Schools Present $678.73 To Red Cross

Relief Agency Gets Money Received For Scrap Collections

A total of $678.73, representing money received by El Reno schools for scrap collected in their recent drives, was turned over to the Red Cross at ceremonies in the high-school auditorium Wednesday morning.

Representatives from the four elementary schools, the highschool and junior highschool were present and delivered their donations to Mrs. L. A. Garner, executive secretary of the Canadian county chapter of the American Red Cross, as part of the Armistice day program given at that time for the American Legion and highschool students.

Largest gift was from Central, representing $233.40. Dale Crawford, sixth grade student at the school, presented the check to Mrs. Garner.

Other gifts were presented by Leslie Roblyer, highschool student, who handled in $119.78 from the highschool; Danny Hodges, seventh grade student, who presented $105.04 from Etta Dale junior highschool; Vona Joy Atkison, fourth grade student, who presented $73.68 from Webster school; David Lee Zajic, fourth grade student, who presented $66.93 from Irving school, and Leo Shaw, fourth grade student, who gave $59.86 for the Lincoln school.

Earlier Presentation Made

Students at Booker T. Washington negro school already have turned over $20.04, their earnings in the scrap drive, for the use of the Red Cross, making a total gift from the schools of $678.73.

The gift ceremony was the highlight of the Armistice day program presented to the assembled students.

The band, directed by Leo C. Murray, played before and after the program, which opened with a prayer and a minute of silence in honor of the dead of the first World war.

Under the direction of Miss Lucille Hicks, highschool speech instructor, a play, "Message from Wake Island," was presented by highschool students. Taking part were Martha Alice Marsh, Richard Carter, Dick Poole, Patricia Cooper, Leon Smith, Bess Bakewell, Betty Jean Jackson and Walter Thompson.

Pledge Is Given

A chorus composed of Charlotte Linville, Ruth Hodges, Geneva Green, Janelle James, Betty Sue Simmons and Loretta Forquer sang the highschool's "Alma Mater" song and Bobby Lee Morrison gave a "Pledge to the Fighting Men."

Closing the program was a solo, "My Own America," sung by Mary Helen Marsh.

Our Airplane Room

We have an airplane room in our school and nearly all the boys and girls I know are making airplanes.

Mr Newman is in charge of our airplane room and while we have art the boys and girls go in to work on them.

I think the boys and girls are doing a fine job on building airplanes. Of course the girls have to learn to make them first, but after they learn I think they will do a fine job, too.

Mr Newman assigned Johnnie Courtney Courtney to help those who needed help and be in charge.

Each Friday we are supposed to go out in the auditorium and test our airplanes.

I think our airplane room is a very nice one, and I hope that the boys and girls never grow disinterested in airplanes.

Common Sience

In our scence class, we have studied Gravitation. Mr. Newman read about a real place where things weigh nothing and there is no up or down.

The nest thing we studied was compressed air. There were five questions to answer at the beginning of the chapter. Some of the other things we have studied, are: why water gurgles when you pour it out of a bottle, how wind is made. Mr. Newman assigned experiments to certain boys.

I think it a very interesting study, and hope to have it next year.

Geraldine Pinion
Sixth Grade
Irving School
El Reno, Oklahoma

Our Science Period

The sixth grade has been studying science.

We have studied about a place where things weigh nothing, and there is no up or down.

We also have studied air pressure, and how water seeks its own level.

In some of the sections there are certain experiments to be performed in class. In some of these there are usually five questions to answer.

Most of the children think it a very interesting subject.

What Irving P. T. A. Has Contributed to the War Effort:

Our district has been organized into the block system, each block having a leader or mother. Each family has been visited, leaflets for each home being sent out by the government to be distributed, explaining the meat situation, urging our co-operation in moderate buying, also explaining ceiling prices. Now, were are assisting in the old silk and nylon hose drive. Our President is chairman of the War Committee, being assisted by Mrs. J. F. Chappell. They have lieutenants under them who are responsible for a certain number of block mothers. In case any news or word should come which needs to be spread immediately- our chairman is notified who in turn calls Mrs. Chappell and they call their lieutenants who get in touch with their block leaders. The latter knows just how many are in her block, and should any disaster come, she can soon tell whether or not they are all accounted for- in the cases where both parents work, the children know they can report to their block leaders in times of crisis, alarm, or even with their own little personal problems.

Our Welfare Work, Health Work, Summer Round Up and Lunch Projects all overlap to some extent- yet, we feel, all do contribute greatly to the War Effort. Mrs. W. A. Wage is our Welfare Chairman and with her committee and the help of the teachers in notifying them of the pupil's needs- they have been able to do a nice work in this field. Coats, caps, sweaters, overshoes, etc., have been provided in a number of cases. The Health Chairman, Mrs. Melvin Embree, has attended to the furnishing of the First Aid Cabinet, replenishing it from time to time with needed supplies. The Lions and Elks Clubs work hand in hand with us in our Welfare and Health Work, the Lions furnishing glasses to the needy children, while the Elks pay their shoe repair bills. Our Summer Round-up Chairman, Mrs. Lloyd Palmer, works with the

County Commissioners, a health Doctor, and the parents of children entering school for the first time. They arrange a free clinic ascertaining whether or not any of the children need medical treatment before entering school. And then we are, especially, proud of our Lunch Room Project with Mrs. R. E. Hartzog, Chairman, and Mrs. C. A. Blanset, her assistant. It has met and filled a great need, in serving the needy and those who are able to pay, whose parents are both working in war enterprises. It has also proven helpful this year, the weather being extra severe, having a wholesome hot lunch served in the school building; several times almost the entire student body has stayed at noon due to difficulties in both transportation and weather.

In keeping with the times our year's theme for our programs has been:- "All out for Health." Our Study Group lessons have been on:- "The Four Freedoms for Which We Are Fighting." Our Council Programs have been built around: "Education for Freedom."

A number of our members have taken First Aid, Home Nursing and Nutrition classes and are working regularly in the Red Cross sewing rooms, at the canteen, or have gone out into the business world, relieving some man for more active war work. Most all have purchased stamps and bonds, while several have husbands, sons, or brothers in the service.

So when the firing has ceased, when the peace treaties shall have been signed, surely it will be with a great deal of pride ~~and of pleasure~~ that we can look back on these dark days and say:- "Irving P. T. G. contributed unanimously and wholeheartedly to the War effort. It was a pleasure!"

Mrs. Roy Eichor, President.

Hot Lunch Program

We have sponsored the hot lunch program in this school since it was inaugurated by our government.

Until this year we have served an average of one hundred free lunches each day. However, this year the number dropped abruptly.

When the W. P. A. labor was removed we made plans to continue our hot lunch program. Pupils who are now eating hot lunches are paying for them. Most of our pupils pay ten cents each day, however, a few pay three cents. We are serving about fifty-five pupils in this manner.

We employ our cook and use some of our girls to help her at meal time. The income from lunches pays the cook's salary and buys extra foods.

We have inaugurated the milk program, also. Pupils who want milk are served at 10:30 o'clock each morning and at noon.

We feel that this part of our health program will bring about marked improvement in the health of our boys and girls.

Irving P. T. A.

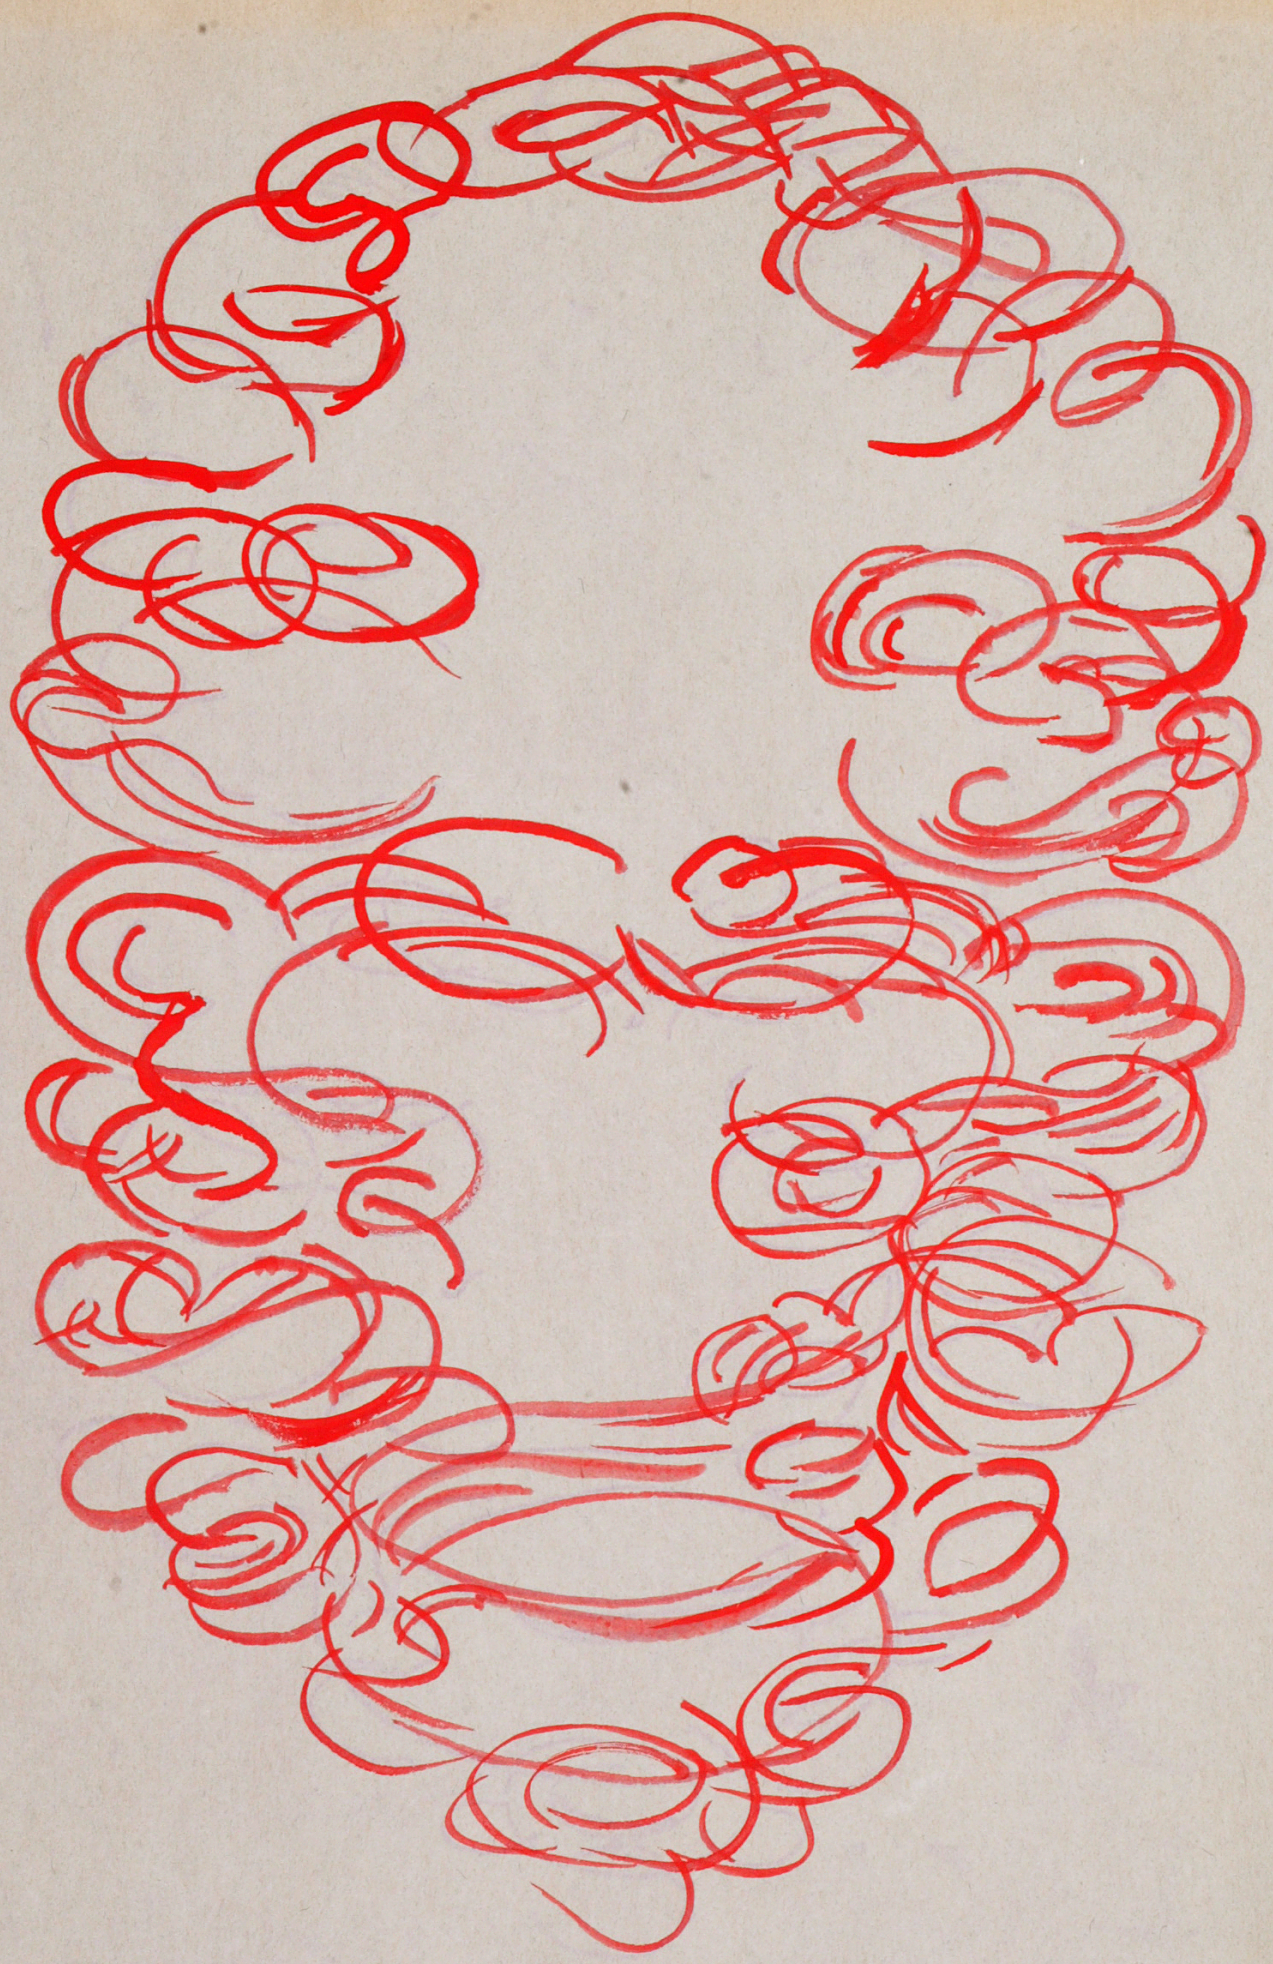

11” x 14”

Junior

Red Cross

11” x 14”

The Junior Red Cross

At the beginning of the school year the Junior Red Cross work was resumed. Miss Marguerite Hobbs was given charge of this work.

The first activity this year was the collecting of scraps to aid with the war. Every child worked long hours collecting all kinds of scraps wanted by the government. At the close of the drive the boys and girls of the Irving School had collected 27,024 pounds. The school received a check for $6.93. This check was given to the American Red Cross. Each child was awarded membership for the year.

Many activities have been carried on during the school year.

The boys and girls of the third, fourth, fifth, and sixth grades, under the supervision of Miss Pierce, have knitted a beautiful afghan for the service men.

The first and second grades, under the supervision of Mrs. Horton and Miss Hensley, have decorated eighty attractive napkins for the men in service.

The third grade, under the supervision of Miss Cantley, have carried on an interesting Post Office activity. They have sold the stamps.

The fourth grade, under the supervision of Miss Hobbs,

have made one hundred clever book marks and one hundred dainty nut cups.

The sixth grade girls, under the supervision of Miss Hobbs, have collected and mounted one hundred cross-word puzzles.

The fourth, fifth, and sixth grade boys, under the supervision of Mr. Newman have made a large number of model airplanes that are on exhibit in their work room.

The Junior Red Cross activities are:

1. Afghan - 4' x 6'
2. Napkins - 80
3. Book marks - 200
4. Nut cups - 100
5. Cross-word puzzles - 200
6. Bulbs collected 200
