Dear Dr. Masala,

Our videographers are finalizing their video footage of the Interdisciplinary Moral Forum. Looking through my paperwork, I see I have no record of receiving permission from you to post your slides in our [Moral Self Archive](#), or to have them appear in video of your presentation, which will also be posted in the archive. Do you agree to let us post your ppt. presentation in the archive, and include portions of your slides in the video of your presentation?

Please let me know as soon as possible.

Yours,
Max

Dear Max,
sorry for the delay. We will send you slides tomorrow at the latest, so everything is set up properly before the start of the conference, but we are likely to use a slightly modified version out of a flash drive for the presentation.

Yours,
Alberto

Dear Interdisciplinary Moral Forum Presenters,

You are receiving this email because I have no record of receiving slides or handouts from you. For those of you who have already told me when you plan to send me materials, you need not respond to this email. I'll keep an eye out for your materials. For everyone else, please know that if you want to use slides or distribute handouts **you must send them to me in advance ASAP.**

If you do not plan to use slides or handouts, I would appreciate if you let me know. That way I'll know when all the bases are covered.

I look forward to meeting you in a few days.

Yours,
Max
