

A map of the state of Oklahoma, outlined in black. The map is divided into several rectangular regions by thin black lines. Seven radio station call letters are placed on the map, each accompanied by a solid black dot representing its location. The call letters are: KDDC (top left), KICT (top right), KVNIX (center), KINX (center right), KTLX (center right, below KINX), KFDR (bottom left), and KDYX (bottom center). The dots are positioned as follows: KDDC is in the upper left quadrant; KICT is in the upper right quadrant; KVNIX is in the center; KINX is in the center right; KTLX is in the center right, below KINX; KFDR is in the lower left quadrant; and KDYX is in the lower center.
